

LINCOLN  
UNIVERSITY

*A SPECIAL PRESENTATION*

OF  
**THE SCHOOL OF  
SOCIAL SCIENCES AND BEHAVIORAL STUDIES**

**NOBEL LAUREATE DR. BARUCH S. BLUMBERG**

*TOPIC*

**“RESEARCH AND DISCOVERY IN SPACE”**

*Dr. Blumberg was awarded the 1976 Nobel Prize in medicine for his 1967 discovery of the hepatitis B virus and he has received many subsequent honors, including election to the National Academy of Sciences, the American Philosophical Society and the National Inventors Hall of Fame. A member of Fox Chase Cancer Center's staff since 1964, he was named to his current role as the first Fox Chase Distinguished Scientist and senior adviser to the Center president in February 1989. From October 1989 until 1994, Blumberg was also master of Balliol College at England's Oxford University, where he received his doctorate in biochemistry in 1957.*
