How Does it Work?

Visit www.cignabehavioral.com/cgi (see detailed login instructions below) to find out more about this program. You can then visit a Healthy Rewards participating provider and present your CIGNA Behavioral Health Employee Assistance Program (EAP) wallet card to access these discounts. If you do not have an EAP wallet card, you can print out the wallet card available on the Healthy Rewards webpage to present to the participating provider. When asked how you are accessing these discounts, please be sure to mention "CIGNA Behavioral Health" and not your medical carrier to be eligible for this program.

Some Healthy Rewards are not available in all states. Healthy Rewards are separate from your plan benefits. A discount program is NOT insurance and the member must pay the entire discounted charge.
