## *Financing Your College Cost at Lincoln University*

A United States education is very expensive. The estimated total cost for 2010-2011 nine-month academic year of study at Lincoln University is \$22,180.00, which covers tuition, fees, room and board. A graduate education may be more expensive. There is very little financial assistance for International students to study here with the possible exception of citizens of Canada and Mexico. Most public and private sources are restricted to United States Citizens and permanent resident aliens.

Before an I-20 can be issued to an admitted student, United States immigration law requires Lincoln University to verify that the student has sufficient funds to finance their studies, undergraduate Bachelor's first time college degree: 4 years; undergraduate Bachelor's Lower Level Transfer degree: 3-4 years; Undergraduate Bachelor's upper level transfer degree: 2 years.

You must submit the following information with your application:

1. Financial Statements
2. Bank Statement or official letter showing sponsor's funding, assistantship, scholarship and/or Fellowship award letter that supports your Affidavit of Support. **This data must be dated within 6 months of the planned term of entry.**
3. **Confirmation of Financial Support (Promissory Note) from financial sponsor (s) that clearly states their intention to support you financially during your entire stay at Lincoln University. Student may have multiple sponsors but the total amount from all sources of funding must exactly match the total required to attend Lincoln University for "all" years of attendance.**

Be sure to go over the necessary financing with your sponsor. He or she must realize tuition, fees, room and board are payable on a **strict deadline**. Your money not only must be here, but also must be cleared by the bank before classes start. Funds from overseas may take four (4) weeks or more to clear the bank and be usable, so you must plan ahead. **A little planning now will save you much worry later.**

You should bring bank drafts, traveler's checks and some cash for immediate personal expenses. Opening a bank account when you arrive will be a priority. **Please note that you will be required to pay the remainder of your balance in FULL for tuition and fees, UPON YOUR ARRIVAL TO THE UNIVERSITY to secure your classes.**

### ***Student and Exchange Visitor Program: SEVIS I-901 Fee***

Instructions for completing form I-901

**The SEVIS fee of \$200.00 must be paid and fully processed before the applicant arrives at the consulate for the visa I interview.** A receipt will be sent to you by mail to the address that you indicate with your payment. Please note that if you are subject to this fee and do not pay it, you will not be issued an F-1 visa for admission to the United States.

You must take the SEVIS fee payment receipt with you for the visa interview. Having a receipt for the SEVIS fee payment will facilitate the visa application process. However, if you are unable to print a receipt from an on-line payment and/or do not receive your mailed receipt in time for your visa interview you can still go to your interview as long as your fee has been processed by the Department of Homeland Security.

Please note that Lincoln University will **not** pay your I-901 fees. This is your responsibility.

**AUTHORIZATION TO DISCLOSE INFORMATION**

**Office of International Programs and Services**

**Lincoln University of Pennsylvania**

A frequent question that comes up is whether the FERPA privacy act applies to international students, and if so, under what circumstances can a school disclose "personally identifiable records" that FERPA protects from non-consensual release.

The Family Educational Rights and Privacy Act of 1974 as amended [20 U.S.C. § 1232g; [34 C.F.R. Part 99](#)], abbreviated as "FERPA," protects the privacy of all students studying at institutions to which funds have been made available under any program administered by the Department of Education, including funds provided to the school or agency by grant, agreement, or contract, and funds provided to students through Government student loan and grant programs. This protection extends to student records maintained by "educational agencies" that provide administrative control or direction of, or perform service functions for, covered public elementary or secondary schools or postsecondary institutions. [34 C.F.R. § [99.1](#)]

The FERPA statute itself does not distinguish between students based on their immigration status. The basic protection of FERPA is that "personally identifiable information" from student "educational records" cannot be released to any third party without the consent of the student.

I authorize the Office of International Programs and Services to disclose information on my application status to the person(s) identified below for the purposes specified in each case. The Office of International Programs and Services **WILL NOT** disclose **ANY** information to anyone other than the student without this consent form being completed, this includes parent(s), grandparents, guidance counselors, agencies, etc.
