Motion 1: Transfer Credits, Developmental Courses & GPA Calculations

Developmental courses completed successfully (C or higher) off-campus will be figured into the cumulative GPA 'above-and-beyond the cap of 12 credits' taken off-campus for credit.

Motion 2: Transfer Credits that award P (Pass) Grades for Developmental Courses

The University will accept a grade of "P" (Pass) that repeats a developmental course. This P grade will remove the effects of the current grade in the cumulative GPA but have no additional effect on the cumulative GPA.

Motion 3: International Baccalaureate (IB) Credits

The University participates in the International Baccalaureate (IB) Programme and awards course exemptions and college credit to entering students with qualifying exam scores. Students who have received a score of five or higher on any of the IB Examinations will be eligible, in the area of each examination, for advanced placement and awarded credit toward graduation as determined by the appropriate academic department.

Motion 4: Faculty By-Laws Committee

By-Laws Committee will request from all standing Faculty Committees a statement of purpose that articulates its particular purpose, role, scope in Lincoln University academics. These statements of purpose will be reviewed and approved by the Faculty; once approved, the statement will be posted on the VPAA web site.

Motion 5: Faculty Resolutions

All motions approved by the Faculty will be numbered and chronologically listed on the VPAA web site under the heading Faculty Resolutions dating back to August 2014 and continuing thereafter. This listing will be updated at least quarterly.
