Student Account Policy

This is a reminder that official Lincoln University financial policy states that all students must have a zero ($0) balance on their student account. An unpaid balance will not be carried over to the next semester. The conditions of the policy are as follows:

- Students who have contracted to pay monthly must have the balance paid in full by the terms of their respective payment agreement. Missed/late payments will result in a defaulted status and the agreement will be cancelled. Notification will be sent to the student and the balance must be paid in full by the date indicated.

- Students enrolling for the Fall semester or Spring semester who have not contracted a payment agreement must have the balance paid in full by July 31 for the Fall semester or December 2 for the Spring semester, in order to maintain their class schedule and housing assignment.

- Students enrolled for the Fall semester or Spring semester must have a minimum of 80 percent of the total charges covered by financial aid and/or payments on or before July 31 for the Fall semester or December 2 for the Spring semester. The remaining 20 percent must be contracted on a monthly payment plan by July 31 for the Fall term or December 2 for the Spring term.

Students not in compliance with this policy will have a financial hold placed on their account and their Fall/Spring registered courses will be dropped.

Unregistered students will not be authorized to attend classes, remain in University housing, or purchase a meal plan.
