Please follow the instructions below to access the AES/PHEAA web site:

1. On the web go to www.aessuccess.org
2. Under Helpful Tools click Stafford Exit Counseling.
3. Choose Pennsylvania under school location and click continue.
4. Use pull-down menu to select Lincoln University and then click continue.
5. Click start to complete test.
6. When the test is finished, complete the Student Information Form and click continue.
7. Complete the personal reference information and click submit.
8. Print your counseling confirmation page for your records.
9. An electronic message will be sent to the Financial Aid Office once you’ve completed your counseling.

THANK YOU AND CONGRATULATIONS!
Dear Student of Lincoln University:

A reminder, the University policy on allowing students to walk in Commencement with one course short of the requirements for graduation has changed. The following is the old and the new policy:

Old Policy:
A student may be allowed to walk, but not graduate, with one course (i.e., one three credit hour course or one four credit hour course).

New Policy:
A student will no longer be allowed to walk during any future Commencement exercise (including May 2006).

Note:
Students are required to complete the following before they will be permitted to participate in the Commencement exercise.

- All academic and residency requirements for graduation.
- All financial or other obligations to the university.

This explanation will hopefully help you in your future planning.
