THE RENAISSANCE: A NIGHT TO ILLUMINATE THE BLUEPRINT OF BLACK EXCELLENCE GALA

THURSDAY, OCTOBER 22, 2026
6:00 PM – 11:00 PM

BLACK TIE AFFAIR

Founded in 1854, Lincoln University is the nation's first degree-granting Historically Black College and University and a global model for Black excellence, leadership, and educational opportunity. For more than 170 years, Lincoln has prepared leaders who have shaped communities, industries, governments, and cultures around the world.

The Renaissance Gala is Lincoln University's premier Centennial Homecoming celebration, bringing together alumni, corporate leaders, philanthropists, community partners, and champions of educational opportunity to invest in the future of Lincoln students.

Why This Matters

Proceeds from The Renaissance Gala support Lincoln University's student-centered campaign priorities:

- **Scholarships** that reduce financial barriers and increase student success
- **Co-curricular experiences** that strengthen leadership development, belonging, and personal growth
- **Career development** initiatives that connect students to internships, mentorship, professional networks, and career opportunities

Together, these investments help ensure that Lincoln students graduate prepared to lead, compete, and thrive in an increasingly complex world.

Visibility

Recognition among alumni, business leaders, and civic influencers. Brand visibility through event and digital channels. Alignment with one of the nation's most historic institutions.

Impact

Invest directly in student success. Expand access to scholarships and experiential learning. Support the next generation of leaders and innovators.

Partnership

Strengthen relationships with Lincoln University and its alumni network. Demonstrate commitment to educational opportunity and workforce development.

The Renaissance is more than a gala. It is a celebration of Lincoln University's past, an investment in its students, and a commitment to the leaders who will shape our future.
