EXAM PROCTORING PROCEDURES

STUDENTS

- To ensure that your instructor is aware that you are eligible for the support service of exam proctoring you must provide your professor with your official "Classroom Accommodation Memo" as early in the semester as possible.
- Keep in mind that you have the option of having your exam proctored by the Disability Services or Graduate Admissions (graduate students only), or making alternative testing arrangements with your instructor.
- As soon as your instructor announces an exam, remind him/her that you will be requiring your exam to be proctored.
- You should meet with your instructor to complete the Exam Proctoring Form together to request the appropriate accommodations needed and ensure that you understand the conditions and additional accommodations (if any) authorized by your instructor.
- Try to arrange for your exam proctoring with the appropriate office as indicated above at least three (3) days in advance to allow time for reserving personnel and an adequate test site.

REMINDER FOR STUDENTS

- It is important that you arrive at the test site at your scheduled testing time or at least 5-10 minutes early.
- If you do not arrive on time, the proctor will wait fifteen (15) minutes. If you do not arrive within that time, your test will be forfeited and returned to your instructor.
- You will not be permitted to bring notes or other materials in the exam room without prior authorization from your instructor.

INSTRUCTORS

- You should complete the Exam Proctoring Form with the student present to ensure that the student is aware of the accommodations authorized and other conditions which must be met while taking the exam.
- Please forward the completed Exam Proctoring Form to Mrs. Lorna Chambers Office of Disability Services located on the 1st floor of Wright Hall or Mrs. Jernice Lea, Graduate Admissions & Student Services Office (SACE students only).
- If the student will be delivering the completed Exam Proctoring Form, it must be in a sealed envelope with your signature over the seal for security purposes.
- You may either return the Exam Proctoring Form with the exam or indicate on the form the instructions for retrieving the exam.
- After delivering your Exam Proctoring Form to the Office of Disability Services, you may forward exams via e-mail to disabilityservices@lincoln.edu. If you have questions regarding Exam Proctoring Procedures, please call Mrs. Chambers at 484-365-7245.

ALTERNATIVE TESTING ARRANGEMENTS

Alternative testing arrangements can always be made with the professor to take an exam in either their office or another location free of distractions.
