## 2022-2023 SPECIAL CONDITIONS APPLICATION INDEPENDENT STUDENTS

This form is to be used by those who may have special circumstances that may change financial aid eligibility.

Student Name \_\_\_\_\_ Student ID \_\_\_\_\_  
Last First MI

Current Mailing Address \_\_\_\_\_  
Street City, State Zip Code

This application is in response to your request for a review of special circumstances that have arisen, which you feel may change your financial aid eligibility. We require that certain documents be provided to support the specific special condition selected by you and/or your spouse. We start with an evaluation of the accuracy of the information that you submitted on your Free Application for Federal Student Aid (FAFSA). We will evaluate the supporting documents along with your FAFSA to determine if you are eligible for any adjustments.

The United States Department of Education provides in the Higher Education Amendments of 1998 a reaffirmation of the use of professional judgement in determining eligibility for federal financial aid. This provision allows for consideration of expected year income, instead of prior year income to calculate a student's eligibility. The student's situation **must** meet one of the criteria used by the Lincoln University as a special condition. This means that a student who meets a special condition in the 2022-2023 award year, may have his/her eligibility calculated using expected income for 2020 or projected income for the 2021 tax year.

Was there a change in income for the 2021 or 2022 tax year? If yes, which? \_\_\_\_\_

Provide documentation for the year the income change occurred.
