BETWEEN
THE LINCOLN UNIVERSITY AND LUC-AAUP

This Agreement effective as of the 1st day of September 2022, by and between LINCOLN UNIVERSITY OF THE COMMONWEALTH SYSTEM OF HIGHER EDUCATION (“Lincoln” or “University”) and the LINCOLN UNIVERSITY CHAPTER OF THE AMERICAN ASSOCIATION OF UNIVERSITY PROFESSORS (“LUC-AAUP” or Union).

ARTICLE I – RECOGNITION

Section 1.1. Recognition

Lincoln recognizes LUC-AAUP as the “EXCLUSIVE REPRESENTATIVE” for the purpose of collective bargaining with respect to wages, hours, and other terms and conditions of employment of a unit (“Unit”) composed of the following full-time employees of Lincoln: all Faculty Members (including department chairpersons) who hold the rank of Lecturer, Senior Lecturer, Full Lecturer, Instructor, Assistant Professor, Associate Professor or Professor, all Librarians, the Director of Nursing/Allied Health Program provided s/he presides over a Pennsylvania certified Nursing Program and has at least a 25% teaching load, and all visiting faculty positions.

Section 1.2. Exclusions

Excluded from the Unit are Graduate Assistants, Deans, Vice Presidents, the President, and all other administrators except those with Faculty Rank and academic job assignments (i.e., teaching and/or research) comprising fifty percent (50%) or more of their service at Lincoln. Also excluded from the Unit are supervisors, first level supervisors, management, and confidential employees as defined in Act 195.

Section 1.3. Assignment of Rank

All and any full-time instructional staff as defined above shall be given at the time of first appointment, an official rank as prescribed in Article 2.6.

Section 1.4. Plural Pronoun Usage

The plural pronoun (they/them) used herein shall import the singular and the plural, whenever applicable, unless otherwise indicated in this agreement.

ARTICLE II – DEFINED TERMS

As used in this Agreement:

Section 2.1. Calendar Day

The term “Calendar Day” shall mean a day when classes or examinations are scheduled in accordance with the official Lincoln calendar. When any of the specified dates in this Agreement falls on a Saturday, Sunday or holiday, the effective date shall be the following Calendar Day.

Section 2.2. Reasonable Notice

“Reasonable Notice” shall mean ten (10) Calendar Days. When Reasonable Notice is applicable to situations where LUC-AAUP has made written requests to the University, or the University has made written requests to LUC-AAUP, the notice period shall commence upon receipt of such request.

Section 2.3. Chapter

The word “Chapter” shall mean the Lincoln University Chapter of the American Association of University Professors (LUC-AAUP).

Section 2.4. Domestic Partners

Domestic Partners shall be nonrelated adults of legal age who share a residence without a legally recognized union. This definition is intended to cover Domestic Partner relationship, and not persons who are cohabiting simply as roommates.

Section 2.5. Faculty Members

- (a) “Faculty Members” are those employed in the full-time service of Lincoln with primary responsibility for the academic job assignment. Faculty members shall also include Librarians holding Faculty Rank and Visiting Faculty Positions. Excluded from the term “Faculty Members” are: persons employed as adjunct faculty position, Dean of the Faculty, directors of special programs who do not hold Faculty rank, the Director of Co-op Education, Vice Presidents, the President, and Counselors.

- (b) Secondary appointments recognize formal and enduring links between a Faculty Member and an academic department. Secondary appointments are made by the Dean of the Faculty at the request of the affected Faculty Member, recommended by the chair or director of the appointing academic unit with the approval of the chair of the appointed faculty member's primary unit. Secondary appointments are usually made for a fixed term of three to five years and may be renewed. Secondary appointments confer a title in the secondary unit, and may, but do not necessarily, include some effort devoted to the second unit. Details of the effort split should be spelled out at the time of appointment. Because of the implication for annual reviews and tenure/promotion proceedings, Secondary Appointments for pre-tenured faculty ordinarily may be conferred only at the time of hire. Secondary appointments should only be in cases where there is an enduring engagement in the second unit. This engagement could take the form of teaching, advising, or research collaborations. Such details as voting rights, teaching expectations, student advising duties, attendance/participation in unit meetings, and the term of the appointment should be articulated in a letter to the Dean of the Faculty requesting the appointment.

Section 2.6. Faculty Rank

“Faculty Rank” shall mean the rank of Lecturer (see 2.8), Senior Lecturer (see 2.8), Full Lecturer (see 2.8), Instructor, Assistant Professor, Associate Professor, Professor and Visiting Faculty.

Section 2.7. Librarians

“Librarians” are employed in the full-time service of Lincoln and provide professional services that exclusively or primarily relate to Lincoln's Library. Excluded from the term “Librarians” are: secretaries, clerks, and all others except the full-time professional staff of the library.

Section 2.8. Faculty Ranks of Lecturers

Faculty members holding the ranks of Lecturer, Senior Lecturer, or Full Lecturer shall be issued Lecturer, Senior Lecturer, or Full Lecturer Contracts, which shall be governed by the following conditions.

- (a) Initial Lecturer, Senior Lecturer, or Full Lecturer Contract shall be issued for a period of one academic year or less.

- (b) Following a satisfactory first year performance review, Lecturer, Senior Lecturer, and Full Lecturer will be issued an initial three-year contract. Annual performance reviews will occur, and a Lecturer, Senior Lecturer, or Full Lecturer can be terminated prior to the end of the three-year contract following an unsatisfactory annual performance review.
- (c) At the end of the first three-year review, if the department has demonstrated continued need for the Lecturer position (based on current student enrollment in department classes), the Lecturer/Senior Lecturer/Full Lecturer will undergo review by the department tenure committee. A satisfactory review will result in a second three-year contract. Annual performance reviews conducted by the Chair will continue.
- (d) At any time, if the Chair and department tenure committee agree either the position is no longer needed or the performance is unsatisfactory, the faculty member can be given a termination letter. After Year 1, the letter needs to be sent before October 15 of the terminal academic year.
- (e) At the end of the second three-year contract, a review by the department tenure committee will occur to determine the following:
 - 1. The continued department need for this faculty line
 - 2. Whether a lecturer position or a tenure-track position will best fit department needs
 - 3. Whether the current lecturer best fits department needs or if the department should advertise the position
- (f) Following two satisfactory three-year reviews by the department tenure committee, the lecturer can be recommended by the department tenure committee to the PTS Committee for promotion to Senior Lecturer. If the lecturer currently holds a Senior Lecturer rank post for two satisfactory three-year reviews, the department tenure committee can make a recommendation to the PTS committee for promotion to Full Lecturer. At this point, annual performance reviews will no longer be necessary. Only three-year reviews will be conducted, but the Chair will observe the lecturer at least once a year.
- (g) Following the third and fourth satisfactory three-year reviews, the lecturer can be recommended by the department tenure committee to the PTS Committee for promotion to Full Lecturer.
- (h) The lecturer will continue with three-year reviews throughout their tenure at Lincoln.
- (i) The normal course load of those employed in Lecturer/Senior/Full Lecturer positions is 24 credits per academic year. Usually this is taught as 12 credits in the fall and 12 credits in the

spring, but unbalanced courses (i.e., 9/15) can be assigned depending on the needs of the department.

- (j) At any one time there shall be a maximum of 15 percent of the full-time faculty with Lecturer/ Senior/Full Lecturer Contracts unless LUC-AAUP and Lincoln agree in writing to an increase in the number, or an increase in the percentage.

Section 2.9. Lecturer, Senior Lecturer, Full Lecturer and Non-Tenure Tracks

- (a) Lecturer, Senior Lecturer and Full Lecturer are not among the positions which entitle a Faculty Member to “permanent tenure” when reappointed to an eighth year after seven years of full-time service
- (b) (Faculty By-Laws, Article 9.07a). Lecturer and Senior Lecturer are therefore recognized as “non- tenure track” positions, with the length or employment stipulated in each contract document. Nevertheless, notification of non-reappointment shall be given by the Provost/Vice President for Academic Affairs in accordance with Article 8.05(a) of the Faculty By-Laws. Article XII of this Agreement does not apply to these positions.

Section 2.10. Visiting Faculty

“Visiting Faculty Positions” are temporary positions which may carry the rank of Visiting Assistant Professor, Visiting Associate Professor, Visiting Professor, or Distinguished Visiting Professor.

Section 2.11. Faculty Contracts for Visiting Faculty

- (a) Visiting Faculty Contracts are contracts issued to persons employed in a Visiting Faculty Position. Visiting Faculty Contracts shall not be issued for periods of employment that exceed two (2) consecutive academic years. A person who has been employed in a Visiting Faculty Position for two (2) consecutive years may not be employed again pursuant to a Visiting Faculty Contract until one (1) full academic year has elapsed from the time that such person’s Visiting Faculty Contract terminated, unless LUC-AAUP and Lincoln mutually agree in writing with regard to such a person to waive the two-year limitation for Visiting Faculty Contracts at the request of Lincoln. Any such waiver shall be effective for one (1) full academic year.

- (b) At any time, there shall be a maximum of 8% of the total credits taught by full-time faculty with Visiting Faculty Contracts during the academic year, respectively, unless LUC-AAUP and Lincoln agree in writing to an increase in the percentage.
- (c) For the purpose of calculating the maximum limit on Visiting Faculty Contracts, LUC-AAUP and the University agree to exclude from consideration those full-time faculty members' replacement for sabbaticals or any other form of leave, paid or unpaid, coverage pursuant to grant activity or release time for LUC-AAUP activity, and any credits from Independent Study courses, Co-op, or Study Abroad.

Section 2.12. Professor Emeritus or Emerita

- (a) Emeritus or emerita status is granted in recognition of dedicated service at Lincoln University. The designation shall be "Emeritus" or "Emerita" following whatever highest rank has been earned, e. g., Professor Emeritus.
- (b) Tenured faculty members who have served for fifteen or more years at Lincoln University are eligible for emeritus/emera status. In general, the university will confer emeritus/emera status at full retirement. In cases of exceptional service, the President may recommend that the Board of Trustees confer emeritus/emera status upon retiring faculty who are not tenured or who have not served the university for fifteen years.
- (c) Conferral of emeritus or emerita status, whether the recommendation comes from an academic department, an administrative supervisor or the President, it shall adhere to the following procedure:
 1. After sending notice of retirement, the faculty member should inform the department chair that they request emeritus/emera status.
 2. The department chair shall forward its recommendation to the PTS Committee which will forward its recommendation to the Provost.
 3. The President or an administrative supervisor shall forward their recommendations to the Post-tenure Review Committee which will forward its recommendation to the Provost.
 4. The office of the Provost is responsible for verifying that the retiring faculty member or administrator is eligible for emeritus/emera status. The Provost will then forward his/her recommendation to the President.
 5. The president shall forward the recommendation to the Board of Trustees, for approval.

6. These policies and procedures apply retroactively to faculty who retired from Lincoln University before their adoption. Such faculty members should contact their former departments to begin the conferral process. Also, colleagues and department chairs can recommend emeritus/emerita status for those retired faculty with their approval.

(d) Benefits accruing to Emeritus status include:

1. A university ID card, designated as Emeritus Faculty;
2. The same access to electronic resources as the active faculty;
3. A university e-mail account, if requested, subject to periodic renewal;
4. Use of library facilities and library electronic resources under the same conditions as the active faculty;
5. Use of laboratory and other research facilities;
6. A parking permit which must be renewed each year;
7. Receipt of the university and alumni publications that are sent to active faculty;
8. The same rights to campus facilities as the active faculty;
9. Opportunity to purchase tickets to university athletic, cultural, and entertainment events at faculty rates;
10. Invitation to general faculty events;
11. Listing in university catalogs and the campus directory; and
12. Continuance of eligibility to march in formal convocations, wearing appropriate regalia.
13. In the case of eligible administrators who retire with faculty rank, the procedure begins with the administrator's supervisor.

ARTICLE III – PURPOSE OF AGREEMENT; ACCOUNTABILITY

Section 3.1. Purpose

The parties hereto recognize that collective bargaining in good faith will further their common purpose of offering the best educational opportunities for Lincoln's students by: furthering Lincoln's tradition of rendering unique contributions to the Commonwealth, the Nation, and the world; encouraging professional growth, scholarly interest, and effective teaching; facilitating academic administration; and developing the highest standards of academic excellence and due process within the Lincoln community.

Section 3.2. Negotiated Items

The University and LUC–AAUP agree that superior and imaginative instruction in a supportive atmosphere is Lincoln's best means for giving its students an outstanding educational experience. Learning cannot be taken for granted and, therefore, the University and LUC–AAUP agree to new procedures for determining effectiveness and efficiency in this joint educational enterprise, and to negotiate the impact of such new procedures on wages, hours, and other terms and conditions of employment.

ARTICLE IV – UNIVERSITY ADMINISTRATION

Section 4.1. Lincoln University-Commonwealth Act of 1972

The parties agree that pursuant to Section 5 of the Lincoln University–Commonwealth Act of 1972, "the entire management, control and conduct of the instructional, administrative, and financial affairs of the University are vested in the Board of Trustees under regulations established by the State Board of Education," and that, except where limited by the University's By-Laws and by the terms of this Agreement, the property, business and affairs of the University shall be managed and controlled exclusively by the Board of Trustees ("Trustees").

Section 4.2. Act 195

As provided in Section 702 of Act 195, matters of inherent managerial policy reserved exclusively to the University "include but shall not be limited to such areas of discretion or policy as the functions and programs of [the University], its standards of services, overall budget, utilization of technology, the organizational structure, and selection and direction of personnel."

Section 4.3. Negotiated Items per Section 702

As further provided in Section 702 of Act 195, the University, upon LUC–AAUP's request, shall meet and discuss with the faculty and LUC–AAUP policy matters affecting wages, hours, and other terms and conditions of employment.

Section 4.4. Shared Governance

Given the variety and complexity of tasks associated with institutions of higher education, both parties recognize the indispensable interdependence among the governing Board of Trustees, administration, faculty, and students. Given the multitude of challenges facing academe, both parties recognize that all four constituent groups have knowledge, skills, and competencies that can and should be exercised for addressing said challenges. It is further agreed that such collaborative effort in advancing the institution necessitates adequate communication among all aforementioned groups and full opportunity for appropriate joint planning and decision-making.

ARTICLE V – CHAPTER SERVICE ITEMS

Section 5.1. Meeting Room

Upon application to the appropriate University authority, the Union shall be entitled to the use of a meeting room on the same basis that pertains to any group, except student groups, within the University.

Section 5.2. Communications

The Union shall have the right to post notices of its activities on bulletin boards in the University's buildings, and the Union shall have the right to use Faculty Members' mailboxes and email for the distribution of its official communications. The Union shall also have the same rights accorded to other University groups, except student groups, to make announcements at faculty meetings or through public address systems wherever these exist and will have access to and the use of the University's website, subject to the adherence of all policies and guidelines concerning the University website.

Section 5.3. Copy of Annual Budget Request

The University shall make available to the Union within ten (10) days of the publication of the documents, such information and data (including the annual audited financial report and a copy of the annual budget request approved by the Board of Trustees for submission to the Commonwealth of Pennsylvania) in the sole possession of the University's administration, pertaining to salary, sources of funding, and hours, and other terms and conditions of employment, as are necessary for the negotiation and implementation of this Agreement.

Section 5.4. Faculty Listing

Twice each year the University shall make available to the Union the names, title, faculty rank, salary and years of service of all Faculty Members: on or before October 15th for the fall semester, and on or before February 15th for the spring semester. For any Faculty Members newly hired for the fall or spring semesters after these dates, the University will give these data to the Union when it receives a signed commitment from the newly hired Faculty Member: Initial appointment year, year that tenure clock begins, teaching loads, overloads, tutorials, release time including title of

non-teaching duties, Third Year Review status (if not tenured) and Post-Tenure Review status (date for selection).

Section 5.5. Annual Faculty Conference

The designated representative of the Union shall be offered a reasonable amount of time on the agenda of the University's annual faculty conference. LUC-AAUP leadership will be provided the opportunity to meet separately with the newly appointed Faculty Members prior to the Annual Faculty Conference (at the New Faculty Orientation Program).

Section 5.6. Dues Deductions

The University agrees to deduct in monthly installments the current collective bargaining dues of the Union from the pay of those members of the unit who individually request in writing that such deductions be made upon authorization cards attached hereto as Exhibit "A". The amounts to be deducted shall be certified in writing by the Union semi-annually and shall be remitted by the 15th of each month to the Union, together with a statement containing the names of those from whom deductions have been made and the amount deducted for each. When such deductions are made in accordance with the procedure above, the Union shall be solely responsible in the event any member of the Union claims that the deduction and/or remission was improper.

Section 5.7. Collective Bargaining Agreement Copies/Access

The University shall be responsible for printing five copies of this Agreement for LUC-AAUP and for supplying all full-time Faculty Members with access to an electronic copy, for publishing on the University website; all of the aforementioned will occur within two months of Agreement ratification. LUC-AAUP leadership will work jointly with the University in ensuring CBA and Faculty By-law completeness and accuracy.

Section 5.8. Access to University Equipment

The Union shall have access to the use of University equipment at reasonable times and after reasonable notice, provided such use does not interfere with the normal operations of the University. The Union shall pay the cost of all materials, supplies, and any other charges incident to such use, including postage, photocopying and telephone.

Section 5.9. Office Space

The University will provide office space for the Lincoln University Chapter of the American Association of University Professors (LUC-AAUP).

Section 5.10. Release Time

The University agrees to provide the Union release time of three semester hours for one individual to be specified by the Union. In addition, the Union may purchase from the University at cost up to 12 semester hours annually. The University and the Union agree that each party will inform the other as soon as reasonably possible of the intent to purchase such time and the associated cost. The cost shall be the University's actual cost or expense in replacing the individual taking the release.

ARTICLE VI – GOVERNANCE

Section 6.1. Faculty By-Laws

The parties recognize and accept the By-Laws of the Lincoln University Faculty, as amended ("Faculty By-Laws"), and as such Faculty By-Laws may be further amended by the faculty and approved by the Trustees from time to time, as the legal instrument defining the role of the faculty in the governance of the University. A copy of these Faculty By-Laws is attached hereto and incorporated herein as part of this Agreement as Exhibit "B".

Section 6.2. Improving Governance

Nothing in this Agreement shall be construed to prevent or restrain further study and review of proposals for improving the governance of the University through any constituent group or groups, including the Trustees, the administration, faculty, library staff, alumni, students, support staff, or community. LUC-AAUP leadership shall meet and discuss matters of mutual interest/concern with the University President and the Provost/WPAA at least once each semester (fall and spring).

Section 6.3. Collective Bargaining Agreement and By-Laws for Contract Resolution

The parties hereto recognize that this Agreement and the Faculty By-Laws shall govern individual Faculty Members and that the grievance procedures under this Agreement are the sole method of resolving contract disputes.

Section 6.4. Employee Handbook

The parties recognize that the Employee Handbook is intended to summarize University policies and procedures and applies to all University employees. However, in the event of a conflict between the contents of the Employee Handbook and this Agreement, this Agreement shall control.

ARTICLE VII – NO DISCRIMINATION

Section 7.1. Non-Discrimination Clause

The Unit member shall be notified when any new material is placed in his Official Academe File. No anonymous material shall be placed in the Unit member's OAF.

Section 8.5. File Review

All files shall be available for examination and review by the Unit member upon written request. Such review or examination shall take place at reasonable hours in an area where the file is customarily held, and in the presence of the person or his/her designee, who normally has custody of such files. The file of each Unit member shall contain a log of the individuals who have had access to the particular file. A unit member shall be permitted to have copies of material in his file made at his own expense.

Section 8.6. Access to Official Academe File

In addition to the Unit member, only the President, Department Chairperson, the Provost/Vice President of Academic Affairs or the University Counsel shall have access to the Official Academe File of a Unit member without the express written approval of that Unit member. Committees and individuals responsible for the review and recommendation of Unit members with respect to reappointment, promotion, tenure, grants, sabbaticals, unpaid leaves of absence, and other matters of faculty status shall be granted access to the OAF only with the express written permission of the Unit member. Such committees and individuals shall respect the confidentiality of these files. No information or material in the Official Academe File shall be released to outside persons, organizations, or institutions without the prior written permission of the Unit member.

Section 8.7. Rebuttal to False Items in the Official Academe File

If a Unit member alleges that certain portions of his Official Academe File are demonstrably false (excluding judgmental observations such as faculty, administration, and student evaluations), the following opportunities shall be available to the Unit member:

- (a) The Unit member may include in the file any rebuttal material and evidence they choose.
- (b) The Unit member may appeal to the President to have such material removed from his file and destroyed. Before rendering any such decision, which shall be final and binding, the President shall meet with the Committee of Promotions, Tenure, and Severance to review the material and evidence submitted by the Unit member. If a majority of the members on this committee disagree with the decision of the President, the Committee shall note its disagreement in the Unit member's OAF and shall specify its reasons for disagreeing with the President's decision. Permission for the Committee on Promotions, Tenure and

Severance to examine the file for this purpose must be granted in writing by the Unit member whose file it is.

Section 8.8. Right to Request Information

Nothing in this Article VIII shall limit the University in maintaining and retaining records dealing with routine matters, including but not limited to payroll and benefits. Upon request, a Unit member shall be provided with adequate and appropriate information from such records to meet their stated needs.

ARTICLE IX – NO STRIKE, NO LOCKOUT

Section 9.1. No Work Actions

During the term of this Agreement, Faculty Members shall not strike, stop work, walk out, slow down, or refuse to work and Faculty Members shall not engage in picketing at any location over contract grievances. Lincoln shall not permit any lockout of Faculty Members during the term of this Agreement.

Article X. Appointment Letter and Pre-Tenure Review Process

Section 10.1. Initial Appointment Letter

For Faculty Members hired as an Assistant Professor, the initial contract letter should indicate the applicant's rank, years of service granted by the University (if any), special circumstances (i.e. release time granted to serve as a Program Director, years of service at other institutions, etc.), Academic Year of the third-year review (Pre-Tenure Review) and the latest date the tenure application must be submitted in accordance with Section 11.2.

For applicants hired as Associate Professor and Professor, the initial appointment letter is similar to that of the Assistant Professor except the date for Pre-Tenure Review is omitted.

Section 10.2. Pre-Tenure Review for Assistant Professors

Faculty members who were hired with no probationary credit towards tenure should receive a reminder letter from the Provost on or before May 15 of the end of their second year indicating that they are scheduled for pre-tenure review in their third year. The notification of their pre-tenure review year will be also affixed to their first and second-year appointment letters (annual contract) issued in July. The burden of assembling a portfolio documenting teaching efficacy, scholarship, and community service at Lincoln rests upon the Faculty Member. The procedure is as follows:

- (a) The Faculty Member must submit their pre-tenure portfolio to their department chair by November 7 of their third year of full-time teaching employment. The portfolio should document their teaching efficacy, scholarship, and community service **at Lincoln**.
- (b) The department chair and the tenured faculty members in their academic department (Department Tenure Committee¹) evaluate the portfolio with the Faculty approved scoring rubric and submits the portfolio, evaluative rubrics, and recommendation(s) to the Pre-Tenure Review Committee by December 15th.

¹ **Department Tenure Committee** – Every tenured member in the department and the Department Chairperson are automatically members of the Committee. However, this committee shall consist of at least three tenured faculty members. If the department does not have enough members to fulfill the minimum requirement for the committee, the department may use members from similar departments (e.g., Biology and Biochemistry, Mass Communications and English).

- (c) In the event of disagreement among members on the Department Tenure Committee, any member of that committee may submit a separate report addressed to the Chair of the Pre-Tenure Review Committee by December 15th.
- (d) The Pre-Tenure Review Committee evaluates the portfolio, rubrics and reports from the department, makes recommendations, and shares the information with the faculty member no later than March 1st.
- (e) The faculty member signs an acknowledgement statement indicating they have received written feedback advising the candidate on their prospects for tenure and understands that this formative evaluation does not guarantee a similar outcome in the upcoming tenure decision. The Faculty Member's signature does not, any fashion, imply agreement or disagreement with the feedback.
- (f) The acknowledgement statement will be signed, dated and a copy, along with the evaluative rubrics, will be placed into the Faculty Member's OAF. The sole purpose of the signature letter is to acknowledge that the Faculty Member has undergone pre-tenure review in accordance to the guidelines in this CBA.

Article XI. Academic Tenure

Section 11.1. Academic Tenure - 1940 Statement of Principles

Both parties incorporate by reference the 1940 Statement of Principles of Academic Freedom attached to this Agreement as Exhibit "C"; however, if there is any conflict between such principles and the Faculty By- laws, the Faculty By-Laws supersedes the 1940 Statement of Principles.

Section 11.2. Academic Tenure Process

- (a) Assistant Professors - The parties hereto agree that tenure review shall take place no later than the sixth year of full-time teaching service at the University. Assistant Professors shall undergo pre-tenure review in accordance with Section 10.2. In their fifth year of full-time teaching at the University, the Faculty Member may apply for tenure with promotion in accordance to the Promotion and Tenure Guidelines located in Exhibit "D". The timeline for application for tenure, promotion or sabbatical is in Exhibit "E". If tenure is denied in year five, the Faculty Member retains his/her eligibility and may reapply for tenure with promotion in their sixth year of full-time teaching. However, the Faculty member may not apply for tenure with promotion more than twice before receiving such. If an untenured Faculty Member receives an unqualified appointment letter for their seventh year of full-time teaching at the University (i.e. they were denied tenure at the end of year six and does NOT receive a terminal contract in year seven), the Faculty Member shall be considered tenured. In accordance to Section 9.06b of the Faculty By-Laws "No member of the Faculty shall be admitted to tenure unless he or she has made formal application to the Promotions, Tenure, and Severance Committee as specified in the Promotion and Tenure Guidelines." Thus, in order to be granted tenure, non-tenured Faculty members must apply for Tenure with Promotion in their sixth year of teaching at the University.
- (b) Associate Professors and Professors - The parties hereto agree that tenure review shall take place no later than the third year of full-time teaching service at the University. An Associate Professor or Professor may apply for tenure in their second year of full-time teaching at the University in accordance with the Promotion and Tenure Guidelines located in Exhibit "D". If tenure is denied at the end of year two, the Faculty Member retains their eligibility to apply for tenure in year three. If an untenured Associate or Full Professor receives an unqualified appointment letter for their fourth year of full-time teaching at the University

(i.e. they were denied tenure at the end of year three and do NOT receive a terminal contract in year four), the Faculty Member shall be considered tenured.

- (a) Failure to apply for tenure by the sixth year (for Assistant Professors) or by the third year (for Associate/Full Professors) leads to a terminal contract for the seventh and fourth year, respectively.

Section 11.3 Appeal of Tenure and/or Promotion Denial

1. Definitions and Restrictions

Tenure-Track Faculty Members who have not been recommended for tenure and/or promotion may appeal the recommendation. Appeals are heard by the Judicial Committee.

In no event shall a decision not to tenure or promote a Faculty Member be based upon:

- (a) The exercise by the Faculty Member of rights guaranteed by the First Amendment to the United States Constitution.
- (b) The Faculty Member's race, sex, creed, color, religion, national origin, age, disability, veteran's status, or other forms of discrimination prohibited under the University's Non-Discrimination Policies.
- (c) Personal malice (dislike, animosity, ill-will, or hatred based on personal characteristics, traits or circumstances of an individual) or procedural error occurring during the evaluation process.

2. Appeal Procedures

(a) Step 1: Conference with Provost/Vice-President for Academic Affairs

Within 14 calendar days after receiving Formal Notice of a decision not to recommend Permanent Tenure and /or promotion from the Provost/VPAA, a Faculty Member may request in writing a private conference with the Provost/VPAA to discuss the reason(s) for the decision. If the faculty member does not request review within those 14 calendar days, then the notice is final without recourse to any further review by faculty committees, the University, or the Board of Trustees. This request shall be granted and the conference held within 10 Days after receipt of the request. Within 10 Days after the conference, the provost shall give the Faculty Member

Formal Notice whether the decision to not promote, and/or not grant Permanent Tenure remains in effect with a copy to the President.

(b) Step 2: Request for Review by Judicial Committee

Within 14 calendar days after the Faculty Member receives Formal Notice of the decision and, if the Faculty Member is not satisfied with the decision of the Provost/VPAA s/he may request that the Faculty Judicial Committee review the decision. This review is limited solely to determining whether the decision not to promote and/or recommend Permanent Tenure was based upon any of the Appeal Grounds in Section XI.3 (1). The request for review shall be written and addressed to the chair of the Judicial Committee with a copy to the Provost. The Faculty Member must state clearly which of the Appeal Grounds, as stated in Section XI.3 (1) were used as the basis for the negative decision and include a concise statement of facts that the Faculty Member believes supports the contention. Such a request constitutes on the Faculty Member's part: (1) a representation of ability to prove the contention, and (2) an agreement that the institution may offer in rebuttal of the contention any relevant data within its possession. The committee shall consider the request and grant a hearing if it determines that

1. The request contains a contention that the decision was impermissibly based under Section XI.3 (1)
2. The facts suggested, if established, will support the contention. A denial of the request for review finally confirms the decision of the Provost not to promote and/or grant permanent tenure. If the request for review is granted, a hearing shall be held within 20 Days after the request for review is received. The Faculty Member and the Provost/VPAA shall be given at least 10 Days' Formal Notice of the hearing. The notice to the Faculty Member and the provost shall include the date of the hearing and the membership of the committee. Within 5 Days of receipt of notification, the Faculty Member may request a substitution in the committee's membership, if a committee member constitutes a conflict of interest. The chair of the Judicial Committee shall review any substitutions with the parties involved and shall consult with the parties to reschedule a hearing, if necessary.

(c) Powers and Duties of Judicial Committee

1. The primary purpose of the hearing is to give the Faculty Member (hereafter, "Petitioner") the opportunity to prove their contention that the decision not to tenure and/or promote was improperly made. Conversely, the hearing provides an opportunity for the decision maker (the Provost/VPAA or the Provost's designee; hereafter, "Respondent") to answer the Petitioner's allegations. An equally important purpose of the hearing is to create a record of process and documentary evidence for review by the parties, the President and/or the Board of Trustees, should the Petitioner seek further review of the non- promotion and/or non-tenure decision.
2. The Committee's role is not to "second-guess" the professional judgment of administrators and colleagues responsible for making the non-tenure and/or non-promotion, decision. The Committee does not re-examine the merits of the Faculty Member's candidacy. Its sole function is to determine if the decision was based on one of the Appeal Grounds.
3. The burden of proof rests with the Petitioner (faculty member) and not with the Respondent (university). The standard of proof is proof by a preponderance of the evidence or greater weight of the evidence. This means that the Petitioner must prove that their allegations of impropriety are more likely true than not true. The Committee determines whether this burden of proof has been met by weighing all of the evidence and the demeanor and credibility of the witnesses, in the light of experience and common-sense judgments.
4. Upon receipt of a request for hearing, the Committee chair shall convene the committee for the purpose of determining whether a hearing shall be granted. A hearing shall be granted, if the Committee determines that the request contains a contention that the decision was impermissibly based as set out herein above and (b) the facts offered, if established, will support the contention. A denial of the request finally confirms the decision and the Petitioner shall be advised by a simple statement of the Committee's decision and their appeal rights. A copy of the letter shall be sent to the Respondent. If the request for hearing is approved, the Respondent shall be provided a copy of the written request for hearing, and a hearing shall be scheduled within 30 Days of the date the request was received. The committee chair may seek agreement of the Petitioner and Respondent to extend these time limits if the limits are impractical.

(d) The Hearing

1. The hearing shall be conducted informally and in private. Only the members of the committee, the Faculty Member, the Provost/VPAA, and such witnesses as may be called may attend, except that both the Faculty Member and the Provost/VPAA may be accompanied by one person (excluding legal counsel) of their choosing. Witnesses shall remain outside the hearing chamber except when testifying. In the spirit of avoiding unfair surprise, and to facilitate the hearing process, the parties should provide a list of witnesses and copies of exhibits they intend to introduce at the hearing, to each other, and to the Committee chair, at the beginning of the hearing. Copies of exhibits should also be made for each Committee member. The failure to list a witness, or to provide advance copies of all exhibits, will not preclude a party from calling the witness or from introducing a document. However, the opposing party may be granted a temporary adjournment of the hearing if the Committee deems a delay necessary in order for that party to adequately respond to the new evidence. It is important to note that the Committee has no authority to compel the attendance of witnesses. However, the chair may request that the President ensure that all witnesses who are employees of the University are given permission to attend the hearing. Both the Provost/VPAA and the Faculty Member are allowed one person of their choosing to accompany them to the hearing. Neither party shall be actively represented in the hearing by an attorney.
2. Starting with the Petitioner, each party will be given the opportunity to make opening remarks limited to five minutes each. The purpose of opening remarks is to orient the Committee to the nature of the case and to the facts the party intends to establish. Opening remarks are not evidence.
3. At the conclusion of opening remarks, the Petitioner will present evidence (witnesses, documents, their own testimony, etc.) in support of their allegations. All witnesses may be questioned by members of the Committee, by the Petitioner and Respondent, and by the representatives of the Petitioner and Respondent. Except under extraordinary circumstances, Petitioner will be limited to a total of one hour to present their case. Petitioner may reserve a portion of the hour for rebuttal at the conclusion of Respondent's evidence. If the Petitioner wishes to reserve rebuttal time, Petitioner must notify the Committee of that fact at the beginning of the hearing.

4. After the Petitioner concludes their presentation, the Respondent may present evidence (witnesses, documents, their own testimony, etc.) in support of their allegations. All witnesses may be questioned by members of the Committee, by the Respondent and Petitioner, and by the representatives of the Respondent and Petitioner. Except under extraordinary circumstances, the Respondent will be limited to a total of one hour to present their case.
5. At the conclusion of all the evidence, Petitioner may make closing remarks to the Committee, followed by the closing remarks of Respondent. Since Petitioner bears the burden proof, Petitioner may also make brief final remarks in response to Respondent's closing. Closing remarks shall not exceed fifteen minutes per side.
6. After the closing remarks are concluded, the Chair will close the hearing and the Committee will withdraw into closed session. The Committee may begin its deliberations immediately. The Committee's decision will be by majority vote. As discussed earlier, the Petitioner bears the burden of proving, by a preponderance of the evidence, their contention that the non-tenure/and or promotion decision was based upon grounds cited in Article XI.3 (1).
7. If the Committee decides that the Petitioner has not established their case, it will so notify Petitioner and Respondent by a simple, unelaborated written statement.
8. If the Committee determines that the Petitioner has established their case, it will so notify the Petitioner and Respondent by a written notice that includes a recommendation for corrective action by the Provost/VPAA.
9. Within 10 Days after receiving such a recommendation, the Provost shall notify the Faculty Member and the chair of the committee what modification, if any, they will make with respect to the original decision not to reappoint.
10. If the Provost/VPAA fails to make a recommended modification in the original decision, the committee shall submit a report to the President containing the committee's findings and recommendation and what it considers to be appropriate action by the President to resolve the matter.
11. The chair of the Committee shall assemble the case file consisting of all documents and correspondence received, sent or accepted by the panel as part of its consideration of the case, including, the Petitioner's initial statement, documents introduced as evidence and any report and recommendation. The chair will deliver the case file to the President

within five days after all the foregoing procedures are complete. The President will issue a final written opinion within 30 Days after receiving the hearing documents including the transcript of the hearing.

12. The President's decision shall be based on the recommendations and evidence received from the hearing committee.
13. A Faculty Member's appeal on a non-promotion or denial of tenure beyond the President is to the Board of Trustees.
14. If the President either declines to accept a committee recommendation for non-tenure/and or promotion that is favorable to the faculty member or concurs in a committee recommendation that is unfavorable to the faculty member, then the faculty member may appeal by filing a written notice of non-tenure/ and/or promotion appeal with the Board of Trustees, and submitting such notice to the Board of Trustees Chair, by certified mail, return receipt requested, or by another means that provides proof of delivery, within 14 calendar days after the faculty member's receipt of the President's decision.
15. The notice must contain a brief statement for the basis for the appeal. The purpose of the appeal is to assure:
 - i. That the campus-based process for reviewing the decision was not materially flawed, so as to raise questions about whether the faculty member's contentions were fairly and reliably considered.
 - ii. That the result reached by the President was not clearly erroneous.
 - iii. That the decision was not contrary to controlling law or policy.

Article XII. Post-Tenure Review Process

Section 12.1. Post-Tenure Review Purpose and Process

- (a) After a Faculty Member has achieved tenure, the Faculty Member may be reviewed no more than once every fifth year after their last submission to either the PTS Committee (for promotion or sabbatical) or the Post-Tenure Review Committee. The purpose of Post-Tenure Review is to examine, recognize, develop and enhance the performance of tenured faculty through an advisory peer review process.
- (b) The Provost shall send a letter informing the tenured faculty member that they are scheduled to undergo post tenure review on or before May 15 of the upcoming Academic Year for the scheduled review. When the selected tenured faculty receive their contract for the year, the contract will indicate that they are scheduled to undergo Post-Tenure Review during the year of the contract.
- (c) The details of the Post-Tenure Review Process are described in Section 12.3 below.

Section 12.2. Post-Tenure Review (PTR) Committee Membership

Post-Tenure Review (PTR) Committee Membership: This committee is a faculty standing committee, constituted in accordance with existing Faculty By-Law procedures. All members of this committee must be tenured faculty and they cannot serve in a year in which they are being evaluated. The committee members will serve three (3) year staggered terms. The membership of this committee is one tenured faculty member from each of the three Divisions, one tenured faculty from the library, one tenured faculty from the graduate school, and one tenured faculty member appointed by the Provost/Vice President of Academic Affairs.

Section 12.3. Scheduling Procedure

Tenured faculty to be reviewed will be scheduled based on length of time since last review (promotion, sabbatical, or previous PTR), but no more than one-fifth of the tenured faculty will be scheduled in any given year.

Section 12.4. Post-Tenure Review Process

The PTR process will be conducted in two (2) steps.

Faculty will be notified by the Provost/VPAA by May 15 that they have been scheduled for review. The VPAA/Provost will make the final selections in consultation with the Dean of the Faculty and based on selection guidelines in this document. A letter will be sent to each selected faculty member with copies to the Dean, Department Chair and the PTR committee. The names of affected faculty members will be included in the October biannual report to the Contract Administrator of LUC-AAUP.

1. The materials described below* will be submitted by the Faculty Member to the Department Chair by October 31. Upon review of the portfolio, the Department Chair will forward the portfolio along with an evaluative report to the Dean of the Faculty by November 7. If the Dean of the Faculty decides, following review of the portfolio and Department Chair's report, with a preponderance of the evidence that further review is needed, the previously submitted materials accompanied by the Dean's assessment, will be referred to the PTR Committee no later than January 15.
2. The PTR Committee will then review/evaluate all aforementioned materials and submit its findings to the VPAA/Provost by March 15. The VPAA/Provost will send a letter to each faculty member, the Department Chair, the Dean of the Faculty, and the Chair of the PTR Committee advising them of the outcome of their review. This letter will be sent no later than April 30.
 - (a) The assessment rubric to be used by the Dean of the Faculty and PTR Committee was developed jointly by the Deans, the Faculty Committee on Assessment and the Faculty PTR Committee, in 2017. An alternate rubric may be created at the same time for library faculty. The Faculty Committee on Assessment will review the rubric at least once every three years, and more frequently, if necessary, based on recommendations in the PTR Committee's annual report. Any changes to the rubric will be brought before the faculty for approval in accordance with the Faculty By-Laws prior to its implementation.
 - (b) The PTR Committee will review the submitted materials and may request additional documentation including a response by the faculty member to the Dean's assessment.

The Faculty Member will always be afforded an opportunity to respond to the Dean's assessment. The PTR Committee will issue a recommendation to the Provost/Vice President of Academic Affairs, Dean of the Faculty and LUC-AAUP administrator with a copy to the faculty member by April 15.

- (c) The PTR Committee will submit an annual report of its findings at the April faculty meeting. The report will be posted to the Academic Affairs website. The report will include the number of faculty names submitted for review, the number of faculty selected to continue to the PTR Committee, and the aggregate recommendations of the committee.

Section 12.5. Post-Tenure Review Committee Report to Reviewed Faculty

The PTR Committee report will include the following:

- (a) A conclusion that the faculty member's teaching and service or scholarship are satisfactory,
or
- (b) A finding that improvements are needed and will identify specific areas where those improvements are needed and
- (c) will recommend a proposed course of action to bring about those improvements.

***The materials to be submitted are:**

- (a) A curriculum vita
- (b) A statement outlining his/her performance in the areas of teaching and service since the last review.
- (c) A copy of the most recent sabbatical report if such exists.
- (d) Department Tenure Committee letter that evaluates a faculty member's performance based on their portfolio in the areas of teaching, scholarly work, and service over the previous five years.
- (e) Student course evaluations over the preceding five years.

Article XIII – Faculty Appointments and Non-Renewal Procedures

Section 13.1. Faculty Appointment

The terms and conditions of each appointment to the faculty at Lincoln shall be set forth in writing, a copy of which shall be supplied to the Faculty Member. Any subsequent extensions or modifications of an appointment, any special understandings, or any notices that either party is required to provide, shall also be set forth in writing, with a copy given to the Faculty Member.

Section 13.2. Appointment Types

With the exception of appointments to the positions of Lecturer, Senior Lecturer, Full Lecturer and Visiting Faculty as defined in this Agreement, and the reappointment of retired Faculty Members on special conditions, all full-time appointments to the rank of Instructor or higher shall consist of two types: (1) probationary appointments; and (2) appointments with continuous tenure.

Section 13.3. Reappointment and Contract Letters

Except for Faculty Members with tenured status, each person with a teaching or research appointment of any kind shall be informed each year by July 1 in writing by the President, or his designee, of his reappointment and of matters relating to his eligibility for tenure, including the most recent annual recommendation regarding his status from his department chairperson. All Faculty Members will receive a contract letter specifying the salary for the academic year by July 15.

Section 13.4. “Regularized” Faculty Ranks

The regulations set forth in the following sections of Article XIII apply to the re-appointment and non-reappointment of non-tenured Faculty Members in the ranks of Instructor, Assistant Professor, Associate Professor and Professor.

Section 13.5. Promotion, Tenure, and Severance (PTS) Committee

The Committee on Promotion, Tenure and Severance (the "Committee") referred to in this Article XIII means the three Faculty Members, and the alternate, when appropriate, that the faculty has

elected to serve on the Committee to the exclusion of all other persons. For the purpose of this Article XIII only, this definition shall supersede any other definitions pertaining to this Committee.

Section 13.6. Non-Renewal Procedure

For probationary appointments of not less than one (1) academic year the following standards and procedures shall apply in addition to those set forth in Article 8.0 of the By-Laws:

- (a) A Faculty Member shall be advised at the time of his initial appointment of the substantive standards and procedures generally employed in decisions affecting the renewal of his appointment and tenure. Any special standards adopted by the University or by the Faculty Member's department, shall also be brought to his attention. The Faculty Member will be advised by the Provost/Vice President for Academic Affairs of the time when decisions affecting renewal of his appointment or tenure are ordinarily made, and he shall be given the opportunity to submit any material which he believes will be helpful in order to adequately consider his circumstances.
- (b) In the schedules set forth in Section 13.6(c), (d), and (e) of this Agreement, and Exhibit F if the department chairperson is the affected Faculty Member, then the Dean of the Faculty or his/her designee shall be substituted for the department chairperson in all of the applicable steps in such schedules.
- (c) The following schedule shall apply to Faculty Members in their first year of service, whether hired in January or August of the year, where the Faculty Member's appointment will not be renewed:
 - 1. The department chairperson shall, in a department of sufficient size, consult with Faculty Members of the department concerning whether to reappoint a Faculty Member who is in their first year of service. The department chairperson shall forward a recommendation of non-renewal to the Provost/Vice-President of Academic Affairs or designee and the affected Faculty Member by January 15. In the event that the department chairperson forwards a recommendation of non-renewal to the Provost/Vice-President of Academic Affairs or designee before January 15, the review process set forth in Sections 13.6 (c)(i) through 13.6 (c)(v) may commence at the time

such recommendation is forwarded to the Provost/Vice-President of Academic Affairs or her designee; provided, however, that the steps in the review process set forth in Sections 13.6(c)(i) through 13.6(c)(v) shall occur no later than the dates specified therein.

2. If the Faculty Member wishes to respond to or comment on the department chairperson's recommendation, the Faculty Member by February 1 shall submit to the Provost/Vice-President of Academic Affairs or designee any materials they deems relevant with regard to his re-appointment and shall grant permission in writing for the PTS Committee to examine his OAF. After consultation with the Committee, the Provost/Vice-President of Academic Affairs or designee shall then consider the department chairperson's recommendation, the Committee's recommendation, the Faculty Member's OAF, and any related documents. Notification of non-renewal or severance for the following academic year shall be given in writing by March 1, by the Provost/Vice-President of Academic Affairs or her designee who shall send the Faculty Member by certified mail, return receipt requested, notice of non-renewal of the Faculty Member's appointment.
3. If the Faculty Member alleges that the Provost/Vice-President of Academic Affairs or designee's decision not to reappoint them: (a) is the result of inadequate consideration, including but not limited to a violation of the procedures specified above, or (b) is violative of their academic freedom (as defined in Article 12.0 of the Faculty By-Laws), or (c) is violative of governing policies and procedures regarding nondiscrimination as set forth in Article VII of this Agreement, the Faculty Member may request a hearing by the Judicial Committee. Such a request must be filed in writing with the Chair of the Judicial Committee by March 15. The Judicial Committee shall conduct a hearing, which gives the Faculty Member full opportunity to present their case. However, it is understood that the Judicial Committee shall not be required to conduct a complete due process or adversarial hearing. The Faculty Member shall state the specific grounds upon which his appeal is based and shall bear the burden of proof. The Judicial Committee shall issue an advisory opinion on the merits of the case to the Provost/Vice-President of Academic Affairs or designee by April 1. The Judicial Committee shall provide copies of its opinion to the Faculty Member, the department chairperson or

Dean, and the Provost/Vice-President of Academic Affairs or designee.

4. The President shall consider the department chairperson's or dean's recommendation, the Committee's recommendation, the Judicial Committee's advisory opinion, and the Faculty Member's OAF and related documents. The President shall notify the Faculty Member of the President's decision to renew or not to renew the Faculty Member's appointment by April 15. It is understood that the President's authority with regard to the decision of non-renewal is final, provided the procedures set forth in this Article XII are followed, except that the Faculty Member has the right to appeal the President's decision to the Board of Trustees on or before May 1. The Board of Trustees shall respond to the Faculty Member's appeal on or before July 1.
- (d) The following schedule shall apply to Faculty Members in their second year of service where the Faculty Member's appointment will not be renewed.
1. The procedure is the same as Section 13.6 (c) 1 except for dates. The Chair has to forward the recommendation of nonrenewal by October 1.
 2. The procedure is the same as Section 13.6 (c) 2, except for dates. The faculty member must submit relevant materials by October 15 and the Provost/Vice-President of Academic Affairs or designee must send notification of nonrenewal in writing by December 15.
 3. The appeal process is the same as outlined in Section 13.6(c) 3-4, except for dates. The affected faculty member must request in writing a hearing with the Chair of the Judicial Committee by January 15. The Judicial Committee shall issue an advisory opinion on the merits of the case to the President by February 15, the President shall notify the Faculty Member of the President's decision to renew or not to renew the Faculty Member's appointment by April 15 and the Faculty Member has the right to appeal the President's decision to the Board of Trustees on or before May 1. The Board of Trustees shall respond to the Faculty Member's appeal or before July 1.
- (e) The following schedule shall apply to Faculty Members in their third or subsequent years of service where the Faculty Member's appointment will not be renewed:

1. The procedure is the same as Section 13.6 (c) 1, except for dates. The Chair has to forward the recommendation of nonrenewal by October 1 and the faculty member must respond by October 15. The Chair must submit the recommendation of nonrenewal with the Faculty Member's response by November 1 to the Provost/Vice-President of Academic Affairs or designee.
2. The procedure is the same as Section 13.6 (c) 2, except for dates. The Judicial Committee must send its recommendation to the Provost/Vice-President of Academic Affairs or designee by December 1. The faculty member must respond by January 15. The appeal process is the same as outlined in Section 13.6(c) 3-4, except dates are changed. The affected faculty member must request in writing a hearing with the Chair of the Judicial Committee by March 15. The Judicial Committee shall issue an advisory opinion on the merits of the case to the President by May 1. The President shall notify the Faculty Member of the President's intention to renew or shall issue a one-year notice of termination by July 1. The Faculty Member may appeal the President's decision to the Board of Trustees by July 15. The Board of Trustees shall respond to the Faculty Member's appeal on or before October 1.
3. The provisions of this subsection 13.6.e. shall not be applicable to a Faculty Member who, after a tenure review in accordance with the prescribed procedures, has been denied tenure during his sixth year of service, or during the fourth year of service in the case of Faculty Members governed by Article 9.07 a in the By-Laws.

Section 13.7. Voluntary Termination

1. Voluntary Termination

- a. A Faculty Member may terminate his appointment effective at the end of an academic year, provided that he gives notice in writing at least one semester prior to the effective date of such termination.
- b. Notice needs to be given to the Director of HR, the Dean of the Faculty, the Office of Faculty Affairs and the Department Chair
- c. A Faculty Member may properly request a waiver of this notice requirement in case of hardship or in a situation where he would otherwise be denied substantial professional advancement or other opportunity.

2. Phased Retirement

- a. It is recognized that some faculty near retirement may wish to have a period of decreased teaching load before taking full retirement. Therefore, Faculty who have served at the university for 20 years (40 semesters) or more have the ability to enter a phased retirement.
- b. This phased retirement process allows faculty to finish scholarly or other work prior to retirement and provides assistance with planned stability and/or transition for academic programs by decreasing their teaching load to no more than 50% (2 classes per semester) in the first year and 25% (1 class per semester) in the second year.
- c. The phased retirement permits faculty to be compensated at a percentage of their annual base pay that equals the percentage of their teaching load limit. Faculty who elect this option will continue to receive all the fringe benefits awarded to other unit members.
- d. This provision has a maximum length of 2 years, and once completed, the faculty member will be fully retired from the university.
- e. To initiate the process of phased retirement, the faculty member must give notice in writing at least one semester prior to the effective date of the phased retirement.
- f. Notice needs to be given to the Director of Human Resources, the Dean of the Faculty, the Office of Faculty Affairs and the Department Chair

Section 13.8. “Temporary” Appointment

For Lecturer, Senior Lecture, Full Lecturer and Visiting Faculty Contracts, any special circumstances pertaining to the nature of the employment shall be noted on the contract. The duration of the temporary contract shall be defined in advance for the employee and shall be set forth in the contract between the University and the employee.

Section 13.9. Advertised Search

No part-time member of the faculty shall automatically be given Faculty Rank, but a part-time member of the faculty may apply and be considered for a full-time position which carries Faculty Rank. In addition, no Lecturer, Senior Lecturer, Full Lecturer or Visiting Faculty person shall be moved to a tenure track position in the absence of an advertised search.

ARTICLE XIV – Workload

Section 14.1. Academic Load

Although workload as defined herein relates to the Faculty Member's formal teaching obligations, it also describes a Faculty Member's contributions to the University. The term, "academic load" embraces a Faculty Member's role in a broad range of activities, including but not limited to, formal and informal instruction, tutorials, advising and counseling students, assessment, original work or research, preparation of new courses, and service on various campus committees.

Section 14.2. Contract and Semester Length

The University operates its undergraduate program on a two-semester calendar over a thirty-nine (39) or forty (40) week period. The fall and spring semesters comprising this two-semester calendar each consists of sixteen (16) weeks including examinations, begins with the Monday of Freshman Orientation Week in August or August 15, whichever is later and ends with May Commencement, but no later than May 15. This includes one week of fall break, one week of spring break, and graduation not later than May 15. The university may operate one or more modules of shorter duration within the sixteen-week semester. The University may operate one or more summer sessions at the discretion of the administration, but Faculty Member participation is volitional.

Section 14.3. Need to Negotiate

- (a) In the event of a change in the duration of the academic year, the parties agree to negotiate the effect of any such change on the wages, hours, and other terms and conditions of employment of Faculty Members before implementing such a change.

(b) Disaster Planning

Lincoln and LUC-AAUP recognize that the occurrence of an extraordinary event(s), be it health, structural, digital, environmental, or communal, poses a critical need for a contingency plan that will facilitate the quick and efficient continuance of academic functions after a temporary separation from the physical campus has been deemed compulsory. It is the role of Lincoln and LUC-AAUP to meet and agree in advance, if the event(s) are forecasted, or post the occurrence, to a method of announcement, on-going remediation, and re-entry protocol as it pertains to Faculty.

1. Announcement of Disaster Plan

- i.** In the event of an occurrence that is forecasted in advance, Lincoln and LUC-AAUP officers should hold an emergency meeting to discuss the safety of Faculty and when a physical transition would be most prudent. All efforts to minimize any disruption to academic learning, and best practices to support the student body should be considered.
- ii.** If an event is unpredicted, Lincoln and LUC-AAUP officers should meet as soon as possible to discuss the severity of the event and communicate out to Faculty what their immediate expectations are post dislocation from the physical campus.
- iii.** Provision to alert Adjunct Faculty and any scheduled guest lecturers or presenters should also be made by the relevant Chairs or Faculty members.
- iv.** Faculty should also seek to reinforce the community wide communication with the students in their courses.

2. On-Going Remediations

- i.** Throughout the duration of the occurrence that results in dislocation from the physical campus, every effort should be made by Lincoln and LUC-AAUP to communicate progress of remediations or conditions.
- ii.** Where applicable meeting formats such as Town Halls should be held to present updates and allow for real-time inquiries from the Faculty.
- iii.** Faculty should also be advised to use their shared governance channels to communicate concerns or grievances arising from the occurrence as soon as possible.
- iv.** An assessment of readiness to teach remotely should be done by every Department Chair for their Faculty. Essentials such as hardware, software, lab materials, increased internet bandwidth, etc. should be compiled and communicated to the Administration and Information Technology offices. A report of progress made to fulfill all essentials needed for teaching remotely should be shared frequently until all such requests have been resolved.
- v.** Provision for care of Faculty themselves that is directly impacted by remote learning protocols should be considered by Lincoln and LUC-AAUP.

- vi. Provision for care of spouse/partner and/or dependents (adult or children), residing with Faculty that is directly impacted by remote learning protocols should be considered by Lincoln and LUC- AAUP.
- vii. Efforts to highlight all support available for Faculty via the Human Resources office should be communicated regularly.

3. Re-Entry Protocol

- i. Once it has been determined that re-entry to campus is safe, discussions between Lincoln and LUC-AAUP should commence to address all items of concern that would hinder the transition back to the physical campus.
- ii. Attention should be given to all buildings to ensure they are structurally safe and inhabitable.
- iii. Attention should be given to all classrooms in every building to ensure safe returns for both students and Faculty. This includes, but is not limited to, adequate sanitizing, furniture organization, and equipment assessment to make certain that teaching can effectively commence on the first day of return.
- iv. Open and frequent exchange of the transition back to campus should be planned to allow for free and honest exchange of any possible hinderances or missed protocols. Town Hall meetings should be encouraged.
- v. Both Lincoln and LUC-AAUP should sign off on an official “agreement to re-entry” once all matters within both parties’ reasonable purview have been addressed or satisfied.
- vi. Adequate provision for care of the Faculty themselves, spouse/partner, dependents (adult or children), residing with Faculty that is directly impacted by the timing of re-entry to the physical campus should be considered by Lincoln and LUC-AAUP.

Section 14.4. Faculty Access to and Training in Technology

- (a) To teach, pursue scholarly activity and research, attend virtual meetings, and participate in all aspects of the academic profession, faculty need access to and training in a variety of technologies, many of which may change over time.

- (a) The University will provide a Learning Management System (LMS) platform that is currently compatible with fully on-line, hybrid, and web-assisted face-to-face classes, and provide initial and ongoing training in the LMS.
- (b) In the event of a change in the LMS, faculty will be given the opportunity to provide input through the appropriate committee(s), and a minimum six-month lead-in time will be provided to permit adequate support systems are in place and to provide training for all faculty.
- (c) The University will provide faculty access to and training in the video conferencing system of the University's choice, in consultation with the appropriate faculty standing committees, for use in teaching, attending meetings and pursuing scholarly activities.
- (d) The University will provide hardware, software and training in any specialty systems required for faculty to teach and do research in their discipline, i.e., film editing or statistical programs.
- (e) Faculty must demonstrate a minimal level of use in the current LMS. Currently, this is demonstrated by learning the "5 Keys to Canvas Success" which include: (1) basics, (2) announcements and Zoom, (3) syllabus and pages, (4) gradebook, and (5) assignments. Faculty will also attend virtual meetings using the video conferencing system chosen by the University.
- (f) New faculty will be provided with basic training in the current LMS to be capable of carrying out elements comparable to the "5 Keys" notated above in part "f", during the New Faculty Orientation, hosted by the University, prior to the start of the semester of their initial employment.
- (g) A detailed training handbook, with verbiage and graphic aids, along with video sessions should be made available as a resource to ensure consistency in the way curricula is presented in the LMS.
- (h) Continuing faculty will be provided advanced training opportunities in these systems throughout the academic year.
- (i) Certification of initial and ongoing trainings in the LMS should be made available to faculty and their Department Chairs to ensure that fulfillment of competency is encouraged.

Section 14.5. Teaching Loads/Compensation

- (a) Faculty Members who teach undergraduates shall be required to teach during the fall and spring semesters only and shall assume the basic teaching load set forth in Section 14.6.
- (b) The salary payment for undergraduate summer school teaching shall be based on the number of tuition-paying students enrolled (students participating in the University tuition remission benefit program are considered tuition paying students). The rates will be \$750 per credit hour for classes in which 7 or fewer students are enrolled; \$850 per credit for 8 students; \$950 per credit for 9 students; and \$1050 per credit for 10 or more students.
- (c) The University may offer to guarantee the teaching of specific summer course sections irrespective of the eventual enrollment in the sections. The Provost/Vice President of Academic Affairs must specify the sections to be guaranteed by the last day of the spring semester undergraduate classes. The instructor must commit to teaching the section by the last day of final examination week.
- (d) The instructor in non-guaranteed course sections may withdraw from teaching the course until the first day of summer classes. The University may cancel non-guaranteed course sections at the end of the first day of the summer session if there are fewer than six tuition-paying students as defined above in undergraduate courses. Any decision to cancel a class must be communicated to the involved Faculty Member and Department Chairperson by the end of the second day of class.

Table 14.1 shows the payment per credit for the guaranteed and non-guaranteed course sections:

Table 14.1. Guaranteed and Non-Guaranteed Sections

Course Section Enrollment	Guaranteed Section	Non-Guaranteed Section
	Cost per Credit	Cost per Credit
10 Students or more	\$ 1,050	\$ 1,050
9 Students	\$ 950	\$ 950
8 Students	\$ 850	\$ 850
7 Students	\$ 750	\$ 750

4 Students	\$ 750	Not Offered
3 Students	\$ 750	Not Offered
2 Students	\$ 750	Not Offered
1 Student	\$ 750	Not Offered

- (e) The salary payment for graduate summer school teaching, shall be based on the number of tuition-paying students enrolled as shown in Table 14.2. The rates will be \$850 per credit hour for classes in which 4 or fewer students are enrolled; \$1000 per credit for 5 students; and \$1150 per credit for 6 or more students.
- (f) The University may offer to guarantee the teaching of specific summer course sections irrespective of the eventual enrollment in the sections. The Provost/Vice President for Academic Affairs must specify the sections to be guaranteed by the last day of the spring semester undergraduate classes. The instructor must commit to teaching the section by the last day of final examination week.
- (g) The instructor in non-guaranteed course sections may withdraw from teaching the course until the first day of summer classes. The University may cancel non-guaranteed course sections at the end of the first day of the summer session if there are fewer than four students in graduate courses. Any decision to cancel a class must be communicated to the involved

Faculty Member and Department Chairperson by the end of the second day of class. Table 14.2 shows the payment per credit for graduate summer school.

Table 14.2. Summer School Payment for Graduate School

Course Section Enrollment	Cost per Credit
6 Students or more	\$ 1,150
5 Students	\$ 1,000
4 Students	\$ 850
3 Students	\$ 850
2 Students	\$ 850
1 Student	\$ 850

- (h) A Faculty Member shall be required to teach no more than seven (7) preparations as part of the normal workload in an academic year. A Faculty Member who teaches more than seven (7) preparations in an academic year shall be compensated at the following rate in the Spring Semester:

Instructor: \$500; Assistant Professor: \$550; Associate Professor: \$600; Professor: \$650.

- (i) Full time undergraduate Faculty Members shall not be required to teach in the graduate program.

Section 14.6. Teaching Load/Definition

A load of twelve (12) credit hours per semester shall constitute a normal full-time load. A full-time load over the two (2) semesters shall consist of twenty-four (24) credit hours. While a Faculty Member normally will teach twelve (12) credit hours each semester, the parties to this Agreement recognize that there may be times when the load will be unevenly balanced over the two (2) semesters. Exceptions to normal load practices are set forth in selected sub-sections of this Article. Additional exceptions may be allowed pursuant to the written agreement of the President and LUC-AAUP.

- (a) In the undergraduate program, a three (3) credit hour course shall consist of forty-two (42) class meetings of no less than fifty (50) minutes each per semester.
- (b) Three credit courses meeting once a week shall meet for 150 minutes a week. Three credit courses meeting twice a week shall meet for two sessions of no less than 75 minutes.
- (c) Graduate Faculty will teach eighteen (18) credit hours during the academic year, typically nine (9) in the fall and nine (9) in the spring. Both parties recognize that Graduate Faculty may be needed to teach undergraduate classes. In those cases, whereby a Faculty Member teaches two (2) graduate classes and one (1) undergraduate class, the undergraduate class will be considered graduate hours release for the Faculty Member. In those instances, whereby a Faculty Member teaches one (1) graduate class and two (2) undergraduate classes, the affected Faculty Member will have satisfied ten (10) hours and will need two (2) additional credits to fulfill his/her workload. The chart below lists the possible combinations and respective workloads:

Number of Graduate Classes	Number of Undergraduate Classes	Teaching Credits Satisfied
3	0	9 credits – satisfied
2	1	9 credits – satisfied
1	2	10 credits – needs 2 credits to satisfy 12 credit undergraduate course load
1	3	13 credits – satisfied plus 1 credit overload
0	4	12 credits – satisfied

Section 14.7. Mix of Large and Small Classes

The University and the Union are aware of the need to maximize the teaching resources and potential of the University and agree that although excessive class sizes for certain disciplines should be avoided, the University and its faculty should experiment with a mix of large lecture classes, medium-sized lecture-recitation classes; and smaller seminar-recitation classes. Such a mix ensures that all Faculty Members teach 24 credit hours per academic year. Thus, the University can offer courses with fewer than five (5) students as regular classes and not as tutorials. (see 14.12e)

Section 14.8. Collaborative Teaching

In classes taught by teams of members of the faculty, teaching credits shall be apportioned among the participating faculty by the Vice President of Academic Affairs. However, this provision does not imply that members of the faculty should not continue to contribute to their colleagues' classes other than on a credit hour basis.

The faculty at the University recognizes the fruitfulness of the interchange of ideas accomplished by guest appearances in the classes of each other and intends to extend these professional courtesies as in the past.

Section 14.9. Field Work/Practical Release Time Credit

Fourteen (14) days per semester devoted to supervised field work projects in sociology or related fields shall be equivalent to a three (3) credit hour course.

Section 14.10. Laboratory Credits and Activity Focused Classes

- (a) Each three (3) hour period of scheduled activities in courses in physical education, laboratory sciences, and reading, writing, and math laboratories shall constitute two (2) credit hours.
- (b) Two scheduled foreign language laboratory hours shall constitute one (1) credit hour. Where such courses also include lecture hours, each hour of scheduled lecture is to be considered one (1) credit hour.
- (c) Three Music majors registered for private lessons in applied music shall be the equivalent of two (2) credit hours for one (1) hour of instruction. Three Music minors registered for private lessons in applied music shall be the equivalent of one (1) credit hour for ½ an hour of instruction. Thus, 18 Music majors receiving 1 hour of private lessons would constitute a 12 hour/semester teaching load (full-time). Similarly, 36 Music minors receiving ½ hour of private lessons would constitute a 12 hour/semester teaching load (full-time). It is agreed that fractional teaching hours/workloads will be counted toward the Faculty Member's overall teaching load/semester. Typically, Music Faculty will teach a combination of "regular" 3-credit classroom courses and private lessons but are subject to the same maximum 24 credit hours/academic year.

Section 14.11. Grant Release

- (a) A faculty member who is included in a grant intended to pay for research time (with or without special teaching provisions included) shall have their workload reduced by the number of hours equivalent to the amount of research time (release time).
- (b) The Faculty Member and the University agree to a work schedule that ensures that the corresponding portion of the grant funded research will not be performed during hours that the Faculty Member is scheduled to teach.
- (c) The Principal Investigator (PI) of a research grant will receive an incentive payment of 20% of his salary, equivalent to 20% of the release time pay. This incentive payment does not become part of the Faculty Member's base academic year salary.
- (d) In the case of multiple Principal Investigators on a single grant without specifically delineated amounts of release time to each Principal Investigator, the payment to each will be prorated based on each investigator's contribution. In such cases, the shares must have been determined at the time the grant application (and agreed to by joint PI) is approved by the University.

Section 14.12. No Maximum Compensation Cap

There shall be no generic maximum compensation caps for Faculty Members during the academic year or summer, to the extent that no state or federal policies are violated by such payments.

Section 14.13. Duties and Responsibilities of the Department Chairperson

- (a) The duties of the department chairperson in departments with four (4) to six (6) full-time equivalent members of the Faculty (including the department chairperson) shall constitute one three-credit hour course per semester.
- (b) Department chairs with seven (7) to 10 full-time equivalent members of the Faculty (including the department chairperson) shall constitute one four-credit hour course per semester.
- (c) Department chairs with more than 10 full-time equivalent members of the Faculty (including the department chairperson) shall constitute one five-credit hour semester.
- (d) It is further agreed that any combination of adjunct/part-time faculty teaching a full-time equivalency, i.e., 12 credit hours, shall constitute one (1) full-time faculty member which

will be included in the calculation of the aggregate full-time equivalency formula referenced above for the awarding of course release for department chairs.

- (e) In addition to the course release time cited above, department chairpersons will receive a two thousand dollars (\$2,000) stipend for each academic semester served (fall and spring). Compensation for the fall shall be paid at the end of January and compensation for the spring shall be paid at the end of June.
- (f) The duties of the department chairperson in departments with two (2) or three (3) full-time equivalent members of the faculty (including the department chairperson) shall constitute one three (3) credit hour course per academic year.

Section 14.4 Department Chair Appointment Process

The faculty may submit their recommendations on their own, if at all, to the Dean of the Faculty, whether it be the Union suggested profile form or one of the individual faculty member's own choosing. It is the Faculty member's responsibility to create, complete, collect, and forward the recommendation. The President will consider all timely submitted department faculty recommendations.

- (a) Chairpersons shall convey department decisions and requests to the appropriate committees and administrative officers of the University and shall keep Faculty Members and student majors informed of important developments.
- (e) The instructional assignment of individual faculty members in the classroom, laboratory, studio or "in the field", will be determined by the appropriate department chairperson in consultation with the affected Faculty Member and where necessary with the Dean of the Faculty. Department course listings shall be submitted to the University Registrar in October, February and March of each year. Course assignments shall be consistent with this Agreement. When making course assignments, department chairpersons will distribute both high- and low- enrollment courses among department faculty. (See 14.6)
- (c) Chairpersons will, whenever possible, arrange for visits of prospective members of the faculty to the campus and convey to the Provost/Vice President of Academic Affairs the opinion of the department members and student majors with respect to the hiring of such candidates.

- (d) Department chairpersons shall arrange for the advising of students who major or plan to major in the department.
- (e) After consultation with all departmental colleagues, the department chairpersons shall recommend to the Provost/Vice President for Academic Affairs promotions and advancement to tenure for members of the department. Department chairpersons may seek student opinion in the promotion, tenure, and severance of members of the faculty, and they shall inform department members directly concerned of the recommendations in regard to promotion and tenure.
- (f) The department chairperson shall submit annually to the President, Provost/Vice President of Academic Affairs and Dean of the Faculty, on or before May 31 and more often upon request, a written report setting forth the activities of the department including, but not limited to, an annual evaluation of instructional goals and objectives.
- (g) Department chairpersons are expected to monitor and ensure standards of accountability for all University employees assigned to their department, including verifying faculty attendance at department and University-wide Faculty meetings, academic convocations and Commencement. Furthermore, department chairpersons are expected to assume a major leadership role in advancing the university mission.
- (h) As the immediate supervisor of department faculty and staff, department chairs are expected to maintain standards of accountability for all University employees assigned to their department.
- (i) In accordance with Faculty By-Laws 9.06d, chairpersons shall review all non-tenured, tenure-track faculty annually by June 30. A faculty member has the right to rebut the chair's annual evaluation of their performance; this written rebuttal must be submitted to the chairperson and dean of the faculty no later than ninety (90) days following the issuance of the chair's evaluation. The Faculty Member reserves the right to place the rebuttal in his/her Official Academe File (OAF).

Section 14.15. Release Time for Coaches

Section 14.16. Special Undertakings Release or Compensation

Special undertakings (such as the organization of symposia, the scheduling of University-sponsored displays, exhibits and other events, the direction of dramatic performances, the directorship or

coordination of a program, etc.) that do not fall into any of the categories listed within 14.14, shall be compensated in one of two ways:

- (a) The affected faculty member shall receive 1-3 credit hours release time on the basis of one (1) credit hour per semester for each thirty (30) to thirty-five (35) hours of actual time spent on such an undertaking during the course of the semester, including summer terms. The faculty member and the Provost/Dean of the Faculty will agree in advance on the amount of release time. (See Exhibit Ga)
- (b) If the affected faculty member is unable to take release time due to teaching demands within the department, s/he shall receive compensation on the basis of \$1500 per semester for each thirty (30) to thirty-five (35) hours of actual time spent on such an undertaking during the course of the semester, including summer terms. The faculty member and the Provost/Dean of the Faculty will agree in advance on the estimated amount of time required and the compensation to be awarded (\$1,500, 3,000 or 4,500). (See Exhibit Gb)

1. Director of Student Teaching Release; Coordinator of EDU Field Release

- (a) Student Teaching - The director of student teaching shall be awarded a total of six (6) credit hours of release time for teaching EDU 401 (12 credits) and EDU 422 (3 credits) each semester when the number of enrollees is one (1) to five (5) students. In the event that the number of student teachers enrolled in EDU 401/422 exceeds five (5) in any given semester, observation of these students shall be either: assigned to other Education faculty who shall be compensated according to Article 14.15(b) or assigned to the director of student teaching who shall be compensated according to Article 14.15(b). The determination of the option shall be made by the chair of the Education Department in consultation with the director of student teaching.
- (b) The coordinator of the EDU field experience shall be awarded a total of three credit hours of release time each semester (fall and spring) for organizing/planning and implementing pre-student teaching practica that are linked to appropriate EDU and cognate area courses when warranted by the Dean or the Vice President of Academic Affairs.

2. Cognate Area Supervisors Compensation

Cognate area supervisors will observe majors in their respective departments a maximum of six times during the 14-week period. Additionally, the director of student teaching (or his designee) will observe each student six times during the 14-week period. When a Lincoln University Faculty Member makes an observation of a student teacher, the observer will discuss observations and evaluations with both the student teacher and cooperating teacher. Every observation visit will be documented with a written Student Teaching Evaluation Form and submitted by the Faculty Member to the student teaching office (Education Department). Faculty Members who complete this process will be compensated at the rate of \$150.00 per observation.

3. University Chaplain Release

The position of Chaplain, if a Faculty Member, shall be awarded three credit hours per semester.

4. Undeclared Student Advising

Faculty Members who agree to participate in the FYE course and advise first-year students shall have a threshold advisement load whereby each Faculty Member will be assigned to one (1) FYE section of no more than 20 first-year students. The Faculty Member will receive a stipend of four thousand dollars (\$4000) for the academic year. Faculty participants must attend mandatory workshops and meetings designed to orient them to the course and advising objectives. The FYE course will count toward the 24-hour credit hour teaching load requirement/academic year. Payment will be made in equal installments at the end of each semester.

Section 14.17. Office Hours

Teaching Faculty Members shall maintain a minimum of six (6) office hours per week at such times that are convenient for students. The schedule of office hours for each Faculty Member shall be prominently posted.

Section 14.18. 8 – 10 Hour Day

All daily course assignments for a Faculty Member must occur within ten (10) consecutive hours, unless otherwise approved by the affected Faculty Member. However, every effort shall be made to schedule all daily course assignments within an eight (8) hour period of time whenever it is practicable to do so.

Section 14.19. Campus Presence

(a) The composition of professional duties and responsibilities of individual faculty cannot be restricted to a fixed amount of time. Except for rare and compelling circumstances, Faculty Members shall discharge some of their duties (teaching, maintaining office hours, committee work, assessment, research, scholarship or creative activity) on campus at least three days per week. Exceptions to this policy would include “short” work weeks, off campus travel, release time for non-teaching duties, non-traditional instructional Programs and other situations approved by the Provost/Vice President of Academic Affairs or appropriate Dean.

(b) Faculty Commitment

The Members of the Faculty of Lincoln University affirm a continuing commitment to their unique mission in Higher Education. Because this unique mission is grounded in a legacy of time-intensive mentoring of students, the Members of this Faculty also affirm that their role as mentors and teacher-scholars may require accessibility to their students above and beyond the minimum three-day required presence on campus. The Faculty therefore commits itself to be available to provide this required accessibility to students, in order to ensure the retention and success of all Lincoln University students.

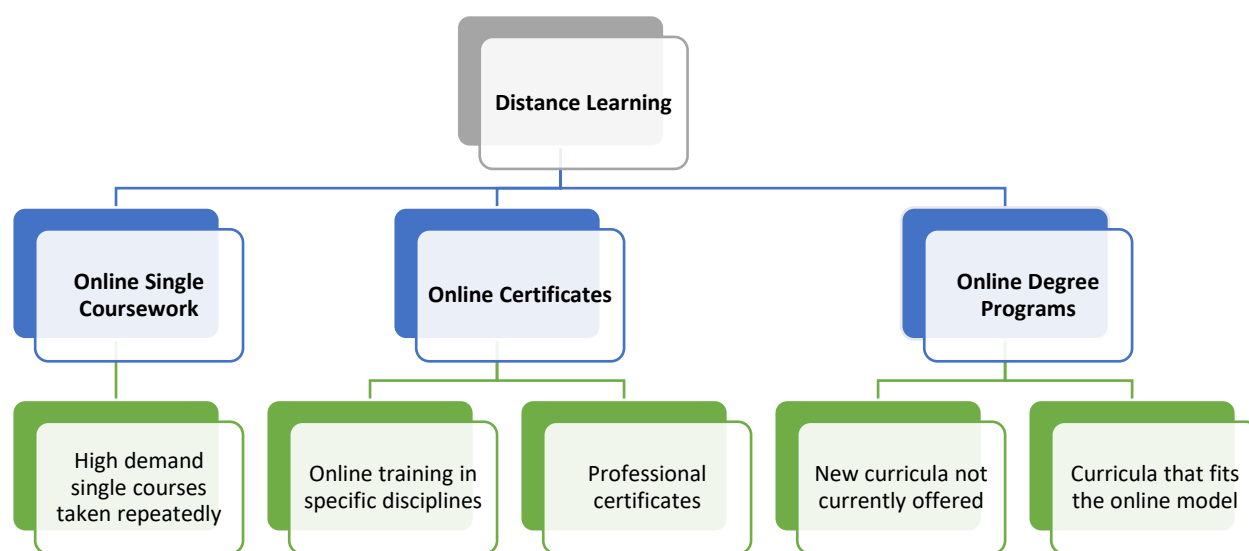

Section 14.20. Distance Learning

1. Future of Distance Learning

(a) The goal of distance learning (DL) in the form of online programs would be to create new certificate and/or degree programs that are not currently available in our face-to-face environment, that would be complementary not in competition with our existing degree programs.

- (b) Faculty will always have priority access to participate in any future online certificate and/or degree programs before utilizing external resources.
- (c) Future addition of online programs that offer new certificate and/or degree programs not currently offered can aid in meeting the charge to increase the rate of degree completion communicated by the Pennsylvania Department of Education.
- (d) The initial proposed approach for distance learning is captured within Diagram A.

Diagram A.

2. Distance Learning @ Lincoln University

- (a) Distance Learning, also referred to as distance education, e-learning, and online learning, is a form of education in which the main elements include physical separation of teachers and students during instruction and the use of various technologies to facilitate student-teacher and student-student communication.
- (b) The Distance Learning curriculum at Lincoln University is housed within the Continuing Education unit of SACE. The courses and programs are designed to complement not duplicate curricular offerings on Main Campus and those offered out of the academic departments at SACE.
- (c) Distance Learning courses may be offered by Lincoln University faculty, or third-party personnel.

- (d) Distance Learning courses may yield certifications, badges, academic credit, or be non-credit courses.
- (e) Any course offered for academic credit must be approved by the appropriate standing faculty committees.
- (f) All Distance Learning courses are to be offered fully online in an asynchronous fashion.
- (g) All Distance Learning instructors must be certified by Quality Matters.
- (h) All undergraduate summer school courses will be offered via Distance Learning.
- (i) Cancellation parameters, shall they become necessary, for any new online certification and/or degree programs shall be defined later.

3. Intellectual Property

Courses and course presentations shall not be recorded without prior knowledge and written consent of the faculty member.

(a) Course Usage

The University recognizes two categories of distance learning courses:

1. **Proprietary Courses** – developed by the faculty member without compensation and taught only by the same faculty member; when this faculty member leaves the university or is otherwise no longer able to teach this course, and the University desires to have the course taught, the faculty member will receive a one-time payment of \$500.00
2. **Universal Courses** – developed by a faculty member as a work for hire. The faculty member will receive \$600.00 per credit hour and any qualified faculty member may teach this course with no further payment being made to the developer.

4. Enrollment Cap

Class size of 20 is in keeping with best practices for DL courses, thus an enrollment cap of 20 is generally agreed upon by both parties, exceptions per subject matter and course delivery are expected and acceptable.

5. Faculty Teaching Load

- (a) Full-time faculty teaching distance learning classes are subject to the same workload conditions as faculty teaching traditional, face-to-face courses. Twenty-four credits per academic year comprise a full-time teaching load. No current faculty member shall be required to teach DL courses. Faculty teaching on-line classes shall be afforded the same rights and obligations associated with traditional, face-to-face classes.

- (b) The Continuing Education Unit at SACE operates independent of the Academic Units on Main-Campus and at SACE. As such, full-time faculty can elect to offer courses through the continuing education independent of their contractual workload under this Collective Bargaining Agreement.

ARTICLE XV – GRIEVANCE PROCEDURE

Section 15.1. Purpose

It is the declared objective of the parties hereto to encourage the fair and equitable resolution of grievances. In order to effect a prompt and efficient resolution of grievances, and in the interest of maintaining harmony and cordiality within the campus environment, the parties to this Agreement shall make available to each other all relevant facts. The parties further agree that except as otherwise specifically provided in this Agreement, the orderly processes hereinafter set forth shall be the sole method used for the resolution of grievances. A grievance may be filed by an aggrieved member of the Unit, an aggrieved group of Unit members, or the Union. The Union may present a policy grievance (one which affects more than one person) at any step of the grievance procedure prior to the arbitration.

Section 15.2. Grievance Definitions

- (a) A "grievance" is an allegation or complaint that there has been a violation, misinterpretation, or improper application of the terms and conditions of this Agreement or the Faculty By-Laws of Lincoln which have been incorporated into this Agreement or any complaint alleging improper, arbitrary, or discriminatory enforcement of existing rules, regulations, practices, and/or procedures relating to wages, hours, and other terms and conditions of employment.
- (b) The term "grievance" shall not include:
 - 1. Complaints relating to the merits of the dismissal or suspension of Faculty Members, which matters are governed by 11.01 of the Faculty By-Laws;
 - 2. Complaints relating to the merits of appointment, reappointment, promotion, and tenure, which matters fall initially within the jurisdiction of the Standing Committee on Promotion, Tenure and Severance (Faculty By-Laws, Article 6.09 and are reviewable by the Judicial Committee (Article II. 3(2)).
 - 3. Complaints relating to the merits of alleged infringements of academic freedom, which matters fall within the jurisdiction of the Judicial Committee (Faculty By-Laws, Article 6.09(7)).

Section 15.3. Time to File

Any grievance for which redress is not specifically defined in the Faculty By-Laws or in Articles VIII or XV hereof shall be subject to redress through the procedures outlined below, Steps 1 through 3, and in Exhibit H. Prior to initiating Steps 1 through 3, the grievant shall inform the **Dean of the Faculty or designee of the grievance**. The grievance must be submitted in writing within ten (10) University calendar days after the occurrence giving rise thereto, or within ten (10) University calendar days of the date on which the grievant has learned or should have learned of such occurrence, whichever is later.

- (a) **Step 1.** In the event there is no resolution of the grievance within thirty (30) days after the grievant has informed the Dean of the Faculty or designee of the grievance, the grievant or the Union shall submit his grievance to the Provost/Vice President of Academic Affairs. The Provost/Vice President for Academic Affairs or his designee shall investigate the matter in such a manner as s/he shall deem appropriate and shall submit a written report to the grievant and the Union, within ten (10) Calendar Days of the date on which s/he received the written grievance.
- (b) **Step 2.** If the grievance is not suitably resolved in Step 1, the grievant or the Union may, within five (5) Calendar Days after receipt of the written decision from the Provost/Vice President of Academic Affairs or designee, submit a written appeal to the President. The President shall have ten (10) Calendar Days following the receipt of such written appeal to submit a written response to the grievant, the Union, and the Provost/Vice President of Academic Affairs. It is agreed that in all cases of dismissal the Faculty Member and the Union may go immediately to Step 2 of this grievance procedure. It is further agreed that each party to this Agreement may submit a grievance to the other party, and, by mutual agreement, proceed immediately to Step 2.
- (c) **Step 3.** If the grievance is not suitably resolved in Step 2, the Union, but not a Unit Member, may within thirty (30) Calendar Days of the receipt of the written response in Step 2, notify the President of its intent to submit the grievance to binding arbitration. The parties shall have the right to mutually agree upon the arbitrator, but in the event they cannot so agree within fifteen (15) Calendar Days of receipt of the above notice, the matter shall, forthwith, be submitted to the Pennsylvania Bureau of Mediation (PBM) and the PBM shall be required to submit a list or lists of arbitrators for the selection of an impartial arbitrator. If the parties

make no mutually acceptable selection after the elimination of the second list, the PBM shall appoint the arbitrator in accordance with its rules then in effect. Anything herein to the contrary notwithstanding, individuals named by the PBM should be familiar with all aspects of the academic environment. The arbitration proceeding shall be held at such time and place as is convenient to the parties, consistent with the circumstances of the case. The decision of the arbitrator shall be final and binding upon the parties, but he is to have no authority to add to, subtract from, or modify this Agreement. Where there is a conflict between this Agreement and the Faculty By-Laws, this Agreement shall control. Further, in matters relating to decisions regarding faculty status or academic freedom, the authority of the arbitrator shall extend only to the procedures followed and not to the merits of such decisions. In all cases, arbitration proceedings shall be conducted in accordance with the rules of the Pennsylvania Bureau of Mediation (PBM) then in effect.

- (d) The Union and the University shall share the costs of arbitration equally, but each party must bear its own cost of presenting its case to the arbitrator.

Section 15.4. Time Limit Exceptions

Anything herein to the contrary notwithstanding, filing of a grievance or appeal from any step of this grievance shall be accomplished within the time limits specified and, in the event such is not done, the administration's decision at the prior step shall be final and binding upon the parties and shall not be subject to further appeal of any kind; however, said time limits may be extended by written mutual agreement, for any reason; and, further, a grievant shall not be penalized as to the time if he has been misled by the administrator.

Section 15.5. Step Advancement

Failure to communicate a decision at any step of this grievance procedure within the specified time limits shall permit the grievance to be advanced to the next step of the procedure, unless a longer period is established by mutual written consent.

Section 15.6. Notification of the Union Representative

The LUC-AAUP representatives shall be permitted to be advised by the administration of the existence of a grievance promptly after it is filed.

Section 15.7. Presence of the Union Representative

The LUC-AAUP representative shall be permitted to be present at any meetings, which the administration holds with a grievant regarding his grievance, regardless of whether the grievant wants such representative to be there.

Section 15.8. Self-Representation

A LUC-AAUP representative shall be permitted to represent the grievant and, in any event, to represent and speak on behalf of LUC-AAUP's particular point of interest in connection with the grievance. In this regard, it is understood that the grievant has the right to represent himself and that LUC-AAUP shall not interfere with that right.

Section 15.9. Documentation to the Union

Copies of all transcripts, documents and correspondence filed with respect to the grievance shall be sent to LUC-AAUP as early as is practicable.

Section 15.10. No Precedent

Any settlement, withdrawal or disposition of a grievance at step 1 of the grievance procedure shall not constitute a binding precedent for the settlement of similar grievances in the future.

ARTICLE XVI – FACULTY RETRENCHMENT

Section 16.1. Need to Meet

The University shall meet and discuss with the Union or its designee any changes, which will lead to retrenchment and thereby influence wages, hours, and other terms and conditions of employment. The University shall provide to the Union accurate information, statistics, and financial data related to retrenchment.

- (a) If and when retrenchment notices are sent, copies of such notices shall be sent concurrently to the Union Contract Administrator.

Section 16.2. Procedures

Retrenchment because of financial considerations, program curtailment, elimination of courses or other reasons shall be handled as follows:

- (a) In so far as possible, the process of natural attrition shall be used to retrench faculty.
- (b) When, in the University's opinion, retrenchment is necessary and it cannot be accomplished entirely by attrition, the Union and the Faculty Members shall be notified prior to implementation and retrenchment shall be made, as the circumstances require.
- (c) Before a Faculty Member is retrenched, every reasonable effort shall be made to place them in another suitable position. "Suitable," the parties agree, shall mean available open positions for which the affected faculty is qualified, in the following order: (i) full-time academic positions; (ii) full-time non-academic positions; (iii) part-time academic positions; and (iv) part-time non-academic positions.
- (d) Anything herein to the contrary notwithstanding, consistent with such reasonable time constraints as the President shall determine, the affected Faculty Members shall be given the opportunity to reach voluntary agreement among themselves as to the order of retrenchment. Those who are retrenched by voluntary agreement in accordance with the foregoing shall have the same rights as if involuntarily retrenched.
- (e) Within the first three years of his retrenchment, a Faculty Member shall be given preference for any opening in the faculty at the University, providing they are qualified. Upon their re-employment, such person shall retain all benefits he would otherwise be entitled to had they not been retrenched and shall not be considered a new employee; however, nothing

herein shall be construed as authorizing the payment of retroactive benefits for the period during which the Faculty Member did not work at Lincoln.

- (f) The University shall follow the due notice procedures described in the Faculty By-Laws.
- (g) The University agrees that in any retrenchment the process of natural attrition shall be, insofar as is possible, the device used to retrench faculty, as set forth in Paragraph (a) of this Section 16.2; accordingly, the University agrees that the following retrenchment policies shall apply to each department;
 - 1. No actual retrenchment shall occur within a department when a reduction in full-time staff, equivalent to the reduction sought within the department by the University's retrenchment action, is actually scheduled to occur through retirement, resignation or the non-renewal of non-tenured members of the faculty by the end of this Agreement. Actual retrenchment as used herein shall mean the actual termination of services and not the notice of termination.
 - 2. Once a department has suffered a reduction in full-time staff due to retrenchment, the University may not within the term of this Agreement increase such staff without first offering positions to those who were retrenched, provided they are qualified.

ARTICLE XVII – SALARIES, BENEFITS, TRAVEL and FACULTY DEVELOPMENT

Section 17.1. Salaries

The starting salary of faculty newly hired in Fall 2022 at the rank of Assistant Professor will be raised to a minimum of \$67,240. In addition, the salaries of all returning faculty at the rank of Assistant Professor will be raised to \$67,240. The across the board (ATB) raise will be calculated on the new base. All other ranks will receive an ATB percentage increase as shown in the Tables 17.1 – 17.4 for their respective Faculty Ranks. Each Faculty Member's raise shall be calculated on a Faculty Member's annual base salary.

a) ANOMALY PAY ADJUSTMENT

1. Many faculty have been in their current rank for several years and are still earning salaries that fall in the lowest quartile for their rank. Assistant Professors in rank for at least 5 years who fall in this lowest quartile, and Associate and Full Professors in rank for at least 4 years who fall in this lowest quartile, will receive an anomaly pay adjustment prior to the calculation of the ATB raise.
2. This anomaly pay adjustment will be paid in Year 1 (2022-2023) and Year 2 (2023-2024). The anomaly pay raise for Year 1 is 3% and the anomaly pay raise for Year 2 is 2%. This pay would be calculated and added to the base pay of Faculty.

b) PERFORMANCE PAY

1. A provision for performance pay, available in Year 3 of this contract, has the administrative intention of incentivizing faculty who contribute added benefits to Lincoln University.
2. Evaluation guidelines for performance pay will be established after consultation with faculty and administration and will deliberately avoid reliance on the approval of any single chair or administrator. Peer evaluations will be sought from colleagues in different departments, as well as faculty from relevant Faculty Standing Committees.

3. The pool of available funds for performance pay in Year 3 shall be based on 2% of all Faculty salaries. Faculty members who apply for performance pay raise may be awarded a maximum of 4% added to their base pay.

Table 17.1a. Tenure and Tenure-Track Faculty Members Salary Raise by Rank

1. As shown in Table 17.1a, the salary raise is an ATB percentage increase in Faculty Members' base salary as stipulated above.
2. * Salaries may be adjusted upwards in Years 2 and 3 in accordance with Side-letter, Addendum F.
3. + Some faculty in addition to ATB may receive performance pay.

2. Salaries may be adjusted upwards in Years 2 and 3 in accordance with Side-letter, Addendum F.
3. + Some faculty in addition to ATB will receive performance pay.
 - (a) Newly hired faculty members shall receive no adjustment in base salary for their initial year of employment.
 - (b) The following minimum salary levels are in effect during 2022-2025:

Table 17.3. MINIMUM Salaries by Rank for 2022-2025

Rank	2022-23	2023-24	2024-25

Lecturer	\$58,310	\$58,310	\$59,476
Instructor	\$58,310	\$58,310	\$59,476

1. In the event that a Faculty Member's salary increase results in a salary that is less than the minimum for their rank, as set forth in the table above, then their salary shall be increased to the minimum salary for their rank.

2. The following maximum salary levels are in effect for new hires or regularization of current positions during 2022-225:

17.4. MAXIMUM Salaries by Rank, 2022-2025

Rank	2022-23	2023-24	2024-25
Professor	\$114,348	\$114,348	\$116,635

Full Lecturer	\$96,405	\$96,405	\$98,333
Senior Lecturer	\$84,814	\$84,814	\$86,510
Lecturer	\$69,389	\$69,389	\$70,777
Instructor	\$69,389	\$69,389	\$70,777

1. These ceilings apply to all new hires or regularization of current position, with the following exceptions.
 - (a) Over the life of the contract, the University will be allowed to hire 7 faculty members, with a maximum of 3 in any given year, above the maxima at rank. The University must notify the contract administrator every time it does so.
 - (b) To hire additional faculty above the maxima at rank, the current practice of mutual agreement in writing between LUC-AAUP and the University to waive the maxima is in force.
2. Each Faculty Member, at the time of signing the annual appointment letter, shall be given the option of indicating whether they wish to be paid their salary in twelve (12) monthly or nine (9) monthly (September - May) equal installments.
3. For promotions in Faculty Rank, a Faculty Member's annual increase will be equal to the scheduled (in the contract year of promotion) percentage increase for the rank to which they are being promoted plus an additional four percent (4%)-or adjusted to the minimum salary, as set forth in the Table 17.3 above, for the new rank, whichever increase would be greater.
4. The parties recognize that there may be times when an overload in excess of the twenty-four (24) credit hours in Section 14.6 of this Agreement is required. Overload payments will be made when a Faculty Member teaches more than twenty-four (24) credit hours over the fall

and spring semesters. Two separate rates of payment are recognized: Teaching an additional section of a course already being offered by the faculty member and a new preparation for a course not already being offered by the faculty member. The payment rate for each of the overload per semester credit hour is as shown in Table 17.5.

17.5. Overload Rates by Rank, 2022-2023

Rank	Additional Section	New Section
Professor	\$950	\$1,050
Associate Professor	\$900	\$1,000
Assistant Professor	\$850	\$950
Full Lecturer	\$900	\$1,000
Senior Lecturer	\$850	\$950
Lecturer	\$800	\$900
Instructor	\$800	\$900

1. If a faculty member teaches more than twenty-four (24) credit hours over the two semesters, it is considered an overload and Table 17.5 applies. However, all such overloads must be mutually agreed upon by the affected Faculty Member and the Department Chairman. Faculty Members shall be limited to teach no more than four (4) credits of an overload per semester. Faculty Members cannot exceed the four (4) overload credit limit unless extenuating circumstances exist (e.g. early retirement, death, etc.). Furthermore, a given Faculty Member may only exceed the four (4) credit overload limit once during each academic year. (See Exhibits I & J)
2. Department chairs will be compensated at the rate of \$150 per day, for work mutually agreed to by the Provost/Vice President for Academic Affairs and the affected chair during the summer.
3. Any full time Faculty Members serving in full time University administrative positions, such as Deans and Vice Presidents, shall, upon returning to the faculty, have their salaries adjusted to the corresponding salary they would have received had they remained in the faculty.

Section 17. 1(l). Endowed/Named Chairs

(a) Each endowed/named chair is awarded for a three-year period provided the University approves funding for the endowed/ named chair. Pending a satisfactory performance review and documented progress toward meeting pre-established objectives upon completion of the third year, the endowed/named chair holder may receive a two-year extension. After completion of a five-year period, the selection process is conducted for a new endowed/named chair holder.

(b) Criteria for the establishment and implementation of an endowed (or named) chair include:

1. A mission statement will be developed and approved by the University.
2. A minimum of one million dollars (\$1,000,000) will be raised for the chair.
3. Prescribed procedures will be followed for endowed/named chair selection:
 - i. A national search will be conducted to select an endowed/named chair.
 - ii. A screening committee consisting of the Provost/Vice President For Academic Affairs, Vice President for Institutional Advancement, a Faculty representative with the rank of full professor elected by the faculty, and an individual external to the University who is a recognized expert/scholar in the general field of a discipline appropriate to each endowed/named chair screens applications. This committee identifies and submits a list of qualified candidates to the selection committee.
 - iii. A selection committee, which selects the endowed/named chair holder, consists of two Presidential appointees and one Faculty member with full professor rank elected by the Faculty.

4. Expectations of Endowed/Named Chair Holders.

Endowed/named chair holders are responsible for Faculty duties in the academic department to which they are assigned. Endowed/named chair holders are assigned a six (6) credit hour teaching load (or an equivalent amount of research, scholarly or service work) for each fall and spring semester. The endowed/named chair holder is responsible for developing and documenting progress toward achieving objectives for the endowment mission. At a minimum, endowed/named chair holder productivity shall include an annual seminar/lecture and a written (publishable) paper. The operating budget for the endowed/named chair holder must be approved by the Provost/Vice

President of Academic Affairs and is administered by the department chairperson to whom the endowed/named chair holder reports. The annual salary for endowed/named chair holders shall not exceed one hundred and forty thousand dollars (\$140,000). Additionally, each endowed/named chair holder shall have an operating budget not to exceed twenty-five thousand dollars (\$25,000) annually.

5. Miscellaneous

Endowed/named chair holders are members of the bargaining unit LUC-AAUP, and shall have no managerial or supervisory authority, and, as such, fall under the Collective Bargaining Agreement except where teaching load, salary, and supplementary budgets are concerned. Endowed/named chair holders are not in tenure tracks; they enjoy the same status as Visiting Faculty.

Section 17.2. Insurance Benefits

The University shall, to the extent set forth in this Article 17, provide an employee benefit program that provides for life insurance, short- and long- term disability insurance, medical insurance, dental and vision insurance. The terms of such program are incorporated herein by reference.

- (a) Employees shall be entitled to receive University employee health care benefits, selected by them pursuant to the schedule of employee benefit plans maintained by the Office of Human Resources, on the first of the month after the date of full-time employment.
- (b) The employee contribution to the premiums for medical insurance coverage, if any, under the HMO “base plan” of the University Cafeteria Plan shall be 10% of the total cost of the premium for “single” or “employee only” coverage, and 30% of the total cost of the premium for all other levels of coverage: Employee and Spouse, Dependent Children, and/or Family. The rates are based on annualized amounts for monthly payments over 12 months. Rates shall be prorated for 9-month employees, meaning that 9-month employees shall receive insurance coverage for 12 months, but their monthly premium will be adjusted (increased) to reflect nine (9) monthly payments, if they elect nine (9) monthly equal installments.
- (c) The University will pay eighty-five percent (85%) of the single rate for dental coverage elected under the University Cafeteria Plan.

- (d) Each Faculty member, who opts out of the University healthcare program, shall receive an annual payment of seven hundred dollars (\$700) provided that s/he documents current healthcare (medical) coverage elsewhere. Faculty members reserve the right to re-enter the University Cafeteria Plan during any open enrollment period.
- (e) The University's liaison with the insurance carrier shall submit correspondence that documents any premium charges for all health care plans including a copy of the previous year's insurance costs. These documents should be sent annually to the LUC-AAUP Contract Administrator no later than thirty (30) days upon receipt from the insurance broker.
- (f) Nothing herein shall prevent the University from changing insurance carriers provided the new contracts provide equal or superior benefits to Faculty Members. LUC-AAUP shall be provided with reasonable notice of any change in insurance carrier.

Section 17.3. Teaching Relief for Primary Caregivers

- (a) Teaching Relief for Primary Care Givers: Lincoln University provides 6 credit reduction of classroom teaching relief for faculty members who are primary caregivers for newborn children, newly adopted children or ill family member. This is not considered to be a leave, and the faculty member's responsibilities to conduct research, advise students, and participate in University and departmental affairs remain unchanged. This policy is intended to provide sufficient time for faculty members coping with the demands of being primary caregiver to a new child. All full-time tenured and tenure-track faculty are eligible for this benefit during the semester in which birth or adoption occurs, or in the immediately following semester (if birth or adoption occurs between semesters, the teaching relief can be taken in the following semester). The benefits provide one semester relief in the case of an ill family member. Faculty members wishing to receive teaching relief should contact their department Chair and the Dean of the Faculty indicating the period during which teaching relief is requested and verifying that they will be the primary caregiver during that time. An untenured, tenure-track faculty member who avails herself or himself of teaching relief is entitled to an extension of her or his contract by one year unless the faculty member requests otherwise. Such extensions are automatically awarded at the same time as teaching relief is granted.
- (b) Extraordinary Circumstances: When faced with extraordinary adverse circumstances, an untenured, tenure-track faculty member may submit to the Dean of the Faculty a request for

an extension of the probationary period beyond the normal seven years. Such requests are limited to cases in which there have been reasons beyond the faculty member's control resulting in him or her being deprived of reasonable opportunities to demonstrate their ability and potential as a teacher scholar before the sixth year (e.g., due to a need to care for a seriously ill child or family member, because of a physical disaster affecting research materials, etc.). Such extensions may be granted by the Dean of the Faculty following review and approval by the Promotion, Tenure and Sabbatical (PTS) Committee. Requests for extensions of the probationary period must be submitted to the Dean of the Faculty and to the chair of the department as soon as possible after the extraordinary circumstances, justifying for such a request to have occurred, but in any case, no later than April 1 of the academic year before which a review for reappointment or promotion to tenure would be required. The request should include a detailed description of the circumstances thought to warrant such an exception. The chair of the faculty member's department shall submit a memorandum to the Dean of the Faculty outlining the department's view on the validity of the request. Such requests will be subject to the approval of the PTS Committee and the Dean of the Faculty.

Section 17.4. Benefits for Domestic Partners

The University extends Domestic Partners, as defined in Section 2.4, and their dependent children the same benefits and privileges afforded to spouses and dependent children of benefits eligible faculty. Legally married same-sex couples have the same benefits and privileges as legally married opposite-sex couples. For more details regarding benefit eligibility, please refer to the Office of Human Resources.

Section 17.5. Retirement Benefits

The present retirement plan, with its current eligibility provisions, carried with Teacher's Insurance and Annuity Association (TIAA) shall be continued by the University. The University shall contribute to the plan at the rate of 5% of an employee's annual salary. Annual salary as used here refers to defined term according to the Internal Revenue Service, which includes summer compensation and overload. The University will increase its contribution to a maximum of 10% providing that the employee matches the University's contribution above the 5% on a one percent (1%) to one percent (1%) basis. Participation in the plan is voluntary, should the employee elect not

to contribute to the retirement plan, the University shall not be required to make any contribution above the 5% stated above. The terms of the aforesaid Plan are incorporated herein by reference.

- (a) The University and LUC-AAUP agree that it is beneficial to have the Fringe Benefit Committee. The Fringe Benefit Committee shall be composed of the Vice President of Fiscal Affairs, the Director of Human Resources and one other University representative, and three representatives from LUC-AAUP. A representative from each of the other bargaining units on campus shall be invited to attend meetings at which fringe benefits, which affect their membership, are discussed. The Committee shall be convened by the Vice President of Fiscal Affairs or his designee at least twice each year.
- (b) The Fringe Benefit Committee shall review all fringe benefits provided by the University and make proposals for changes.
- (c) The Fringe Benefit Committee will review and make recommendations concerning any changes in the carriers, which provide health care benefits to the University employees. This Committee would be entrusted with the responsibility of reviewing proposals for changing the carrier(s), including associated costs and the impact of such costs on union employees at the University, before a change in the carrier(s) could be made. It is understood that any changes in carrier(s) would provide equal or better coverage for the employee at a cost that does not exceed the cost of the program(s) being changed.

Section 17.6. Faculty Development and Travel

- (a) It is mutually beneficial to the University and Unit members for Unit members to engage in professional development activities that foster scholarly and creative activity, allow training in new technologies and pedagogies, and provide an opportunity to engage with professionals of similar interests and expertise.
- (b) The parties agree that Faculty Development is a collaborative endeavor between faculty and the University administration. Tables 17.7 - 10 earmark funds only for faculty-initiated projects. The University agrees to contribute a maximum of the following amounts of money.

2024 – 2025	\$ 1,200

2. Uses of the money stipulated in Tables 17.8 – 11 include, but are not limited to, travel to professional organizations for attendance and presentation of scholarly work, renewal of job related professional certification, attendance at professional workshops both on and off campus, participation in webinars, completing on-line courses related to one's discipline and scholarly work, monetary or release-time support for writing grant proposals, books, or performing other scholarly work, and participation in traditional Faculty Development activities that are the purview of the Faculty Development Standing Committee.
- (c) Total funds available to a single faculty member shall not exceed \$8,950 per year for any combination of activities funded through allotments stipulated in Tables 17.8 – 11. This includes a maximum of \$1950 in travel and \$7000 in Faculty Development.
- (d) Exceptions to this may be made by application to both the Faculty Development Committee and the Provost/VPAA.
- (e) The parties recognize that the University may expend resources to provide professional development opportunities and workshops on campus to enhance pedagogical practices, the use of instructional technology and social media, and the assessment of learning in the classroom.

Section 17.7. Travel to Professional Conferences

- (a) This would use a maximum of \$140,000-150,000/year, assuming each faculty member used the full amount of travel funds each year.
- (b) Unit members shall be permitted sufficient time away from their regular assignments for previously approved scholarly and professional purposes, subject to the following provision: it shall be the responsibility of the Faculty Member to provide adequate substitutes for all regularly scheduled University activities in his absence. Such substitutes must receive the prior approval of the department chairperson. Money for such travel shall be authorized

normally for the following purposes to attend and/or present and receive reimbursement for a maximum of two conferences per year as described below:

1. To attend a professional conference or meeting (limit of two per person per year) pertaining to the academic interests of the Faculty Member. Lincoln shall pay such Faculty Member's registration fee (up to \$300) plus documented expenses up to a maximum per year as delineated in Table 17.8 (total not to exceed \$1,800).
2. To serve in an official capacity, to make a formal presentation, or to maintain professional accreditation at such a meeting (two per person per year), Lincoln shall pay such Faculty Member's registration fee in addition to documented expenses up to a maximum per year as delineated in Table 17.9.
3. It is understood that the limit on reimbursement (to two conferences per year) whether under subparagraphs (1) or (2) of this Section 17.4 is an overall limit. Thus, a Faculty Member is entitled to reimbursement for two conferences per year whether attending under (1) or participating under (2) of this Section 17.4. It is further understood that the University shall have the authority to reject any request for reimbursement of registration fees, as provided in Paragraphs (1) and (2) of this Section 17.4 if the University determines such fees are excessive in comparison to registration fees charged by similar conferences in consideration of expenses encompassed under registration fees (for example, some conferences include meals in registration fees and these are generally higher) or for any other appropriate reason.
4. Reimbursement for transportation, subsistence, lodging, and registration fees shall conform to the standards promulgated by the Commonwealth of Pennsylvania. Reimbursement for mileage shall be done in accordance with University policy. Every reasonable effort shall also be made to process travel Authorization Reimbursement (TAR) forms within five (5) business days of them entering the system. This will help ensure that faculty receive early bird registration rates and lower airfare.
5. Each faculty member will make a presentation on the highlights of the conference and/or his/her presentation to an appropriate campus audience by the end of the following semester excluding the summer semester. Appropriate venues include, but are not limited to, the Annual Faculty Conference, a Departmental or School meeting, a university seminar or brown bag luncheon, or a student group such as discipline-specific

clubs (i.e. History club or Biology club). The campus presentation will be included in the annual departmental report.

Section 17.8. Faculty Development Program

This would use a maximum of \$125,000 year, plus \$9,000-10,000 in actual costs to replace released faculty, assuming sufficient quality proposals were submitted to the Faculty Development Committee.

- (a) The University agrees to support the Faculty Development Program to which it will contribute each academic year of this contract the maximum amounts of money delineated in Table 17.10.
- (b) The Faculty agrees to put forth its best efforts to raise the corresponding matching amount for the program by either (a) writing development grants or (b) by including faculty development activities in other grant proposals.
- (c) In addition, the University agrees to support 25% release time for up to three (3) faculty members each year for the pursuit of uncompensated scholarly work including, but not limited to, writing a book for which a contract has been signed, editing a book, writing a research proposal to a funding agency, preparing a major exhibition of art work or photography, preparing a major musical or theater performance, serving as editor or assistant editor for a peer reviewed publication, serving as an officer for a national or international professional society, and other similar scholarly work that develops the faculty member professionally and brings recognition or benefit to the University. The cost of release time charged to Faculty Development funds will be the actual cost to the university (i.e., cost of up to three adjuncts or over-time pay to three faculty or some combination thereof).
- (d) The Guidelines and Due Dates developed by the 2022-2023 Standing Committee on Faculty Development, as approved by the faculty, shall govern the distribution of Faculty Development Funds.

Section 17.9. Other Professional Development Opportunities

- (a) The University agrees to support additional Faculty Development opportunities that are not covered under existing sub-sections above to which it will contribute the remaining funds as set forth in Table 17.11.
- (b) Webinars and on-line courses are a cost-effective way for an individual or several faculty members to participate in on-line training for a single course, without associated travel costs. Often the lead time for webinars and on-line courses is quite short, so the Faculty Development Committee, in consultation with the Provost/Vice President of Academic Affairs, will develop or revise a short application form to present to the faculty for approval at the November, 2013 faculty meeting, and when necessary for modifications, at every November faculty meeting hereafter. Faculty will submit the form to their Department Chairs, Dean, Provost/Vice President of Academic Affairs, and Vice-President of Fiscal Affairs for approval. A copy will go to the Faculty Development Committee for their records. Faculty Member(s) will make a short, written report to the Faculty Development Committee and a verbal report on the webinar/on-line course to their department and/or school as appropriate.
- (c) Workshops that focus on a specific topic in pedagogy, grant writing, or acquiring new skills (i.e., computer programs or lab techniques) are available off-campus and they can be brought on-campus. Unlike professional conferences, the lead time for workshops may be rather short, so for attendance at off-campus workshops, the Faculty Development Committee, in consultation with the Provost/Vice President of Academic Affairs, will develop or revise a short workshop application form to present to the faculty for approval at the November faculty meeting every year. Faculty will submit the form along with a TAR to their Department Chairs, Deans, Provost/Vice President of Academic Affairs and Vice President of Fiscal Affairs for approval. A copy will go to the Faculty Development Committee for their records. The travel costs for the workshop will be in addition to the two conferences a faculty member may attend. The faculty member(s) will make a short, written report on the workshop to the Faculty Development Committee and a verbal report to the appropriate venue including the department, school, faculty as a body, or a student group.

Section 17.10. Sabbatical Leaves

Sabbatical leaves will be granted in accordance with the provisions of Article 13.01 – 13.04 of the Faculty By-Laws. The President shall grant such leaves after consultation with the Committee on Promotion, Tenure and Severance, to a maximum of five of the tenured Faculty Members per academic year. The recipient of a sabbatical leave for the upcoming academic year shall be notified in writing by March 1st of the then current academic year.

- (a) Unit members may be granted special leaves of absence by the President for limited periods of study, research, and professional improvement, to render technical or professional or public service, for administrative assignments, or for other approved activities. Such special leaves of absence shall not ordinarily extend beyond two consecutive years and shall not be counted toward the accumulation of years qualifying one for a sabbatical leave.
- (b) Leave with pay shall be granted to Faculty Members where such leave is occasioned by: (i) jury duty; (ii) service in reserve components of the armed forces; and (iii) service in the Pennsylvania or other state National Guard. The President shall grant unpaid leave for service to the American Association of University Professors. Other types of special leaves of absence may be granted with or without pay at the discretion of the President.
- (c) For all leaves granted, including sick leaves that extend past the balance of the semester, the University will permit the Faculty Member to continue to participate in the insurance programs under this Agreement. However, the Faculty Member is responsible for all contributions and the payment of all expenses.
- (d) Full fringe benefits for Faculty Members on sabbatical leave shall continue during the sabbatical.
- (e) A Unit member who has dropped their insurance coverage during the leave period will be permitted to enroll in the University's plans subject to the terms and conditions of such plans.

Section 17.11. Tuition Remission

Faculty Members, from the time of initial employment, may enroll in one (1) undergraduate or graduate course per semester, tuition free, provided this privilege meets the approval of the department chair and the Provost/Vice President of Academic Affairs. This program is applicable only to the charge for tuition, not fees. The spouse and dependent children of Faculty Members may enroll in undergraduate degree programs of Lincoln University in the fall, and spring and

summer semesters, tuition free for up to a maximum of 128 credit hours. This program is applicable only to the charge for tuition, not fees. It may be awarded in addition to other tuition scholarships, provided that the combined credit is not in excess of the total tuition charge for the semester.

Section 17.12. Parking and Travel to/from Satellite Campuses

Unit members shall have free parking in any parking lot on the main campus. Full-time graduate Faculty Members shall have free parking at the University City and Coatesville Campuses. Faculty whose full-time appointment (12 hours/term) occurs at one of the University's branch campus sites is afforded the benefits of the travel policy to another campus site. In those cases where a Faculty Member's duties are split between/among multiple campus sites, the travel policy does not apply. However, in those cases whereby a Faculty Member assumes (takes on voluntarily) duties above-and-beyond one's 12-credit hour workload/semester, then said Faculty Member shall be entitled to benefit from the travel policy. A Faculty member with full-time duties at one campus site is entitled to the travel policy for meetings to a second campus site a maximum of six (6) trips or a maximum of \$400 per calendar year.

Section 17.13. Fines and Fees

No fees or fines shall apply to Faculty Members except as provided in this Agreement or by the Faculty By-Laws.

- (a) Faculty members shall observe the established University rules and regulations governing campus traffic and parking. Traffic violations on University roadways are enforceable under provisions of the Pennsylvania Motor Vehicle Code and under University policies.
- (b) Any fines, including traffic violations, imposed by a police officer in accordance with the laws of the Commonwealth of Pennsylvania shall not be subject to the grievance provisions of this Agreement.

Section 17.14. Alteration of the Terms of the Agreement

Unless altered by this Agreement, all existing benefits shall continue.

Section 17.15. Other Employment Opportunities

Faculty Members shall be given the first option to apply for any position in all summer and special programs contracted by the University. Directors of all summer and special programs shall inform the faculty of all openings in a timely manner so that Faculty Members may apply.

Section 17.16. Family Medical Leave Act (FMLA)

In accordance with the Family Medical Leave Act, employees are entitled to a maximum of twelve (12) weeks of unpaid leave in a twelve (12) month period for the following covered reasons:

- (a) the birth of a child and to care for the newborn child within one year of birth;
- (b) the placement with the employee of a child for adoption or foster care and to care for the newly placed child within one year of placement;
- (c) to care for the employee's spouse, child, or parent who has a serious health condition;
- (d) a serious health condition that makes the employee unable to perform the essential functions of their job;
- (e) any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a covered military member on "covered active duty."

Section 17.17. Short and Long Term Disability

All full time Faculty Members who have completed one (1) full year of service with the University shall be eligible for participating in the University's short- and long- term disability plans.

- (a) In the event that a faculty member is incapacitated for a period beyond 30 calendar days they may apply for Short Term Disability, and if approved, they will receive 60% of weekly earnings to a maximum of \$1,000 per week. Such benefits, when they apply, shall continue no longer than 182 calendar days after the date of the commencement of the disability and are limited to a maximum of 22 weeks' worth of benefits. During this time, they shall continue to receive their proportionate share of the payment of fringe benefits from the University.

- (b) If a Faculty member's incapacitation continues beyond six months, they shall be eligible to apply for Long Term Disability and if approved receive 60% of compensation to a maximum monthly benefit of \$5,000 per month until age seventy (70).
- (c) These Short Term and Long-Term Disability insurance benefits outlined in this Section shall be subject to all of the actual terms, conditions, limitations and exclusions of the policy and agreement between the University and the disability insurance carrier.
 - i. There is no maximum age limit for Long-term disability; however, an employee who becomes disabled after age 63 would be subject to the following limitations:

ARTICLE XXI – MISCELLANEOUS

Section 21.1. Rights and Expectations

Academic institutions exist for the transmission of knowledge, the pursuit of truth, the development of students, and the general well-being of society. Free inquiry and free expression are indispensable to the attainment of these goals. Freedom to teach and freedom to learn are inseparable facets of academic freedom. The freedom to teach and the freedom to learn depend upon appropriate opportunities and conditions in the classroom, on the campus, and in the larger community. Members of the academic community should exercise their freedom with responsibility and should respect the general conditions conducive to academic freedom. Accordingly, the University and the Union commit themselves to the observance of the following propositions:

- (a) All members of the faculty and librarians are entitled to the rights and protections guaranteed by the Constitutions of the United States and the Commonwealth of Pennsylvania.
- (b) All members of the faculty and librarians are entitled to an honest and unprejudiced evaluation of their work and performance.
- (c) All members of the faculty and librarians are entitled to a fair hearing in any disciplinary proceeding.
- (d) All members of the faculty and librarians are entitled access to those facilities and services of the University that are appropriate to their work with due regard for the rights of others.
- (e) All members of the faculty and librarians are entitled to the rights of free inquiry, free expression, and free association to assure academic freedom.
- (f) All members of the faculty and librarians shall scrupulously observe the privacy of personnel files and privileged information. Such data shall be shared only with authorized personnel of the University and shall be closed to persons outside the University community unless consent is given to the person involved or except when medical or legal circumstances make such disclosure mandatory.
- (g) All members of the faculty and librarians shall be informed of the rules that govern their conduct and of the expectation that is set for their performance.
- (h) All members of the faculty and librarians have the right and the responsibility to participate in institutional governance to the extent provided by the University's By-Laws and Charter.

- (i) All members of the faculty and librarians have a special obligation to be accurate in their utterances, to show respect for the opinions of others and, except when authorized to speak for the University, to make every effort to indicate that they are not institutional spokesmen.
- (j) All members of the faculty and librarians have the obligation to pursue the truth as they see it. No subsidiary interest shall be allowed to compromise their freedom of inquiry nor shroud the results of their thought in secrecy.

Section 21.2. Committee on Nominations

Notwithstanding anything to the contrary in the Faculty By-Laws, the Committee on Nominations shall make nominations for all elective posts at the last regular faculty meeting of the academic year. Any Faculty Members qualified to vote may make additional nominations from the floor.

Section 21.3. Faculty Committees

Notwithstanding anything to the contrary in the Faculty By-Laws, the standing committees listed hereafter shall be created annually. Elections to committees shall be held by ballot at the last regular faculty meeting of the academic year, except that the members of Committee on Nominations shall be elected at the first regular faculty meeting in the second semester. Except as otherwise specified members of committees, whether elected or appointed, shall serve pursuant to the terms and conditions of the Faculty By-Laws. New committees shall follow the terms and conditions of the Faculty By-Laws. Vacancies occurring during the year shall be filled pursuant to the terms and conditions of the Faculty By-Laws. Except as otherwise specified, the chairperson of each standing committee shall be elected by the members of the committee at the first meeting following election of the committee. Names of chairpersons shall be reported to the faculty no later than the October meeting of the faculty.

Section 21.4. Ratification

Section 21.6. Closing, Sale or Merger Notification

The University shall notify the Union at least three (3) months in advance of a closing, sale or merger of the University. Following such notice, the University will bargain, upon request, concerning the effects of the closing, sale or merger upon the Faculty Members, including but not limited to effects such as severance pay and combined employment rights.

Section 21.7(a). Part-Time Caps

The University will limit the use of members of the faculty employed pursuant to a part-time contract to no more than fifteen percent (15%) of the credit hours taught at the undergraduate and graduate levels at the main campus, fifty percent (50%) of the undergraduate credit hours taught in domestic satellite campuses, and sixty five per cent (65%) of the graduate credit hours taught in domestic satellite campuses in any one (1) semester. In making this calculation, summer sessions credits, credits taught by University of Delaware Faculty Members, Independent Study Course credits, Co-op credit, Study Abroad credits and credits taught by persons employed pursuant to coverage for sabbaticals, grants, leave (paid or unpaid) or pursuant to release time for LUC-AAUP activity are not counted. Part-time faculty teaching in the Nursing Program's clinical component (off-campus clinical sites) are exempt from this 15% limit for the express purpose of being compliant with state and/or national accreditation standards.

Section 21.7(b). Part Time Caps for New Campus Sites

In the event of the opening of a new campus, limits for part-time faculty will be raised to 65% part-time and 35% full-time for both graduate and undergraduate programs for the first 3 years of operation. Starting with the fourth year of operation, the numbers will revert to 50% part-time for undergraduate programs and stay at 65% part-time for graduate programs.

ADDENDUM A

Joint Committees, Side Letter

The University and LUC-AAUP agree to joint working committees. The Working Committees shall be composed of the representatives appointed by the President and representatives appointed by LUC-AAUP. The parties agree to appoint joint Working Committees to address the review and assessment of mutually agreed upon topics as they are identified.

The mutually agreed upon results of the Committees' work will be committed to writing and where appropriate and as expressly intended shall be included and shall become part of the Collective Bargaining Agreement (CBA) after compliance with the appropriate approval procedures.

This Side Letter of Agreement shall become effective September 1, 2022 and shall remain in full force and effect until August 31, 2025.

IN WITNESS WHEREOF, the parties hereto have executed this Side Letter of Agreement and a duplicate of like tenor and effect on the date first above mentioned.

A signature page indicated approval of this Side Letter of Agreement is being kept on file in the Office of Human Resources and in the Office of LUC-AAUP.

ADDENDUM B

Tutorials, Side Letter

Both parties agree that from time to time it may be necessary to offer tutorials: selected courses not listed on the current schedule of classes. Both parties further agree that the Administration may not use “tutorials” solely to replace a regularly required or scheduled course simply because of low enrollments. LUC-AAUP agrees that Faculty Members wishing to offer tutorials must provide a compelling reason that addresses unique student needs and must secure the approval of the appropriate department chairperson. Graduate School courses and courses that are offered by part-time faculty members are excluded from tutorial consideration.

The per-credit hour payment for a tutorial will be \$100 per registered student, to a maximum of \$1,200. For example, a 3-credit course with two students would provide the Faculty Member with an additional salary of \$600 (3 credits x $\frac{\$100}{\text{Credit} \times \text{Student}}$ x 2 Students). All tutorials would be capped at \$1,200 maximum. Tutorials will be paid on the same time cycle as overloads and will require a written contract signed by the administration and the affected Faculty Member.

Faculty Members who wish to offer a tutorial must submit a request on a standard form to their department chairperson. If the department chairperson approves the request, it will be forwarded to the appropriate academic dean for final approval. With all of the required approvals. The tutorial for will be forwarded to the Registrar’s Office for processing and/or recording. Faculty Members cannot be required to offer a tutorial. There must be mutual agreement between the department chairperson and the Faculty Member. The limit on tutorials per Faculty is one (1) per semester. In the unlikely event of an under-load for a Faculty Member with tutorials in a given academic year, the Administration may elect to accept on a one for one credit basis the tutorials as satisfying the Faculty Member’s alternative service requirement.

Both parties further agree that the aforementioned language governing “tutorials” shall become a standard of this Collective Bargaining Agreement, subject to negotiations and conditions in future contracts.

This Agreement shall become effective September 1, 2022 and shall remain in full force and effect until August 31, 2025. The specific tutorials recognized by both parties is an attachment to this agreement and will be honored beginning the first year of the contract.

IN WITNESS WHEREOF, the parties hereto have executed this Side Letter of Agreement and a duplicate of like tenor and effect on the date first mentioned.

A signature page indicating approval of this Side Letter of Agreement is being kept on file in the Office of Human Resources and in the Office of LUC-AAUP.

ADDENDUM C

EXHIBIT C

Academic Freedom and Tenure 1940 Statement of Principles

The purpose of this statement is to promote public understanding and support of academic freedom and tenure and agreement upon procedures to assure them in colleges and universities. Institutions of higher education are conducted for the common good and not to further the interest of either the individual teacher or the institution as a whole. The common good depends upon the free search for truth and its free exposition.

Academic freedom is essential to these purposes and applies to both teaching and research. Freedom in research is fundamental to the advancement of truth. Academic freedom in its teaching aspect is fundamental for the protection of the rights of the teacher in teaching and of the student to freedom of learning. It carries with it duties correlative with rights.

Tenure is a means to certain ends; specifically: (1) Freedom of teaching and research and of extramural activities and (2) a sufficient degree of economic security to make the profession attractive to men and women of ability. Freedom and economic security, hence, tenure are indispensable to the success of an institution in fulfilling its obligations to its students and to society.

ACADEMIC FREEDOM

- (a) The teacher is entitled to full freedom in research and in the publication of the results, subject to the adequate performance of his other academic duties; but research of pecuniary returns should be based upon an understanding with the authorities of the institution.
- (b) The teacher is entitled to freedom in the classroom in discussing his subject, but he should be careful not to introduce into his teaching controversial matter which has no relation to his subject. Limitations of academic freedom because of religious or other aims of the institution should be clearly stated in writing at the time of the appointment.
- (c) The college or university teacher is a citizen, a member of a learned profession, and an officer of an educational institution. When he speaks or writes as a citizen, he should be free from institutional censorship or discipline, but his special position in the community imposes special obligations. As a man of learning and an educational officer, he should remember that the public may judge his profession and his institution by his utterances. Hence he should at all times be accurate, should exercise appropriate restraint, should show

respect for the opinions of other, and should make every effort to indicate that he is not an institutional spokesman.

ACADEMIC TENURE

- (a) After the expiration of a probationary period, teachers or investigators should have permanent or continuous tenure, and their service should be terminated only for adequate cause, except in the case of retirement for age, or under extraordinary circumstances because of financial exigencies.

In the interpretation of this principle it is understood that the following represent acceptable academic practice:

1. The precise terms and conditions of every appointment should be stated in writing and be in the possession of both institution and teacher before the appointment is consummated.
2. Beginning with appointment to the rank of full-time Instructor or a higher rank the probationary period should not exceed seven years, including within this period full-time service in all institutions of higher education; but subject to the provision that when, after a term of probationary service of more than three years in one or more institutions, a teacher is called to another institution it may be agreed in writing that his new appointment is for a probationary period of not more than four years, even though thereby the person's total probationary period in the academic profession is extended beyond the normal maximum of seven years. Notice should be given at least one year prior to the expiration of the probationary period if the teacher is not to be continued in service after the expiration of that period.
3. During the probationary period a teacher should have the academic freedom that all other members of the faculty have.
4. Termination for cause of a continuous appointment, or the dismissal for cause of a teacher previous to the expiration of a term appointment, should, if possible be considered by both a faculty committee and the governing board of the institution in all cases where the facts are in dispute, the accused teacher should be informed before the hearing in writing of the charges against him and should have the opportunity to be heard in his own defense by all bodies that pass judgment upon his case. He should be permitted to have with him an adviser of his own choosing who may act as counsel.

There should be a full stenographic record of the hearing available to the parties concerned. In the hearing of charges of incompetence, the testimony should include that of teachers and other scholars, either from his own or from other institutions. Teachers on continuous appointment who are dismissed for reasons not involving moral turpitude should receive their salaries for at least a year from the date of notification of dismissal whether or not they are continued in their duties at the institution.

5. Termination of a continuous appointment because of financial exigency should be demonstrably bona fide.
