Request for Dependency Override

Federal regulations (Public Law 103-235, Sec 480(d) requires the Office of Financial Aid to consider parent information and expect a parent contribution for students. We may be able to override your dependent status if unusual circumstances exist that make it impossible for you to have contact with your parents. If your family situation involves an unusual circumstance (i.e. abusive family environment, documented abandonment, and/or documented drug dependency), you may request a review of your dependency status. Any situation resulting from choice, rather than necessity due to unusual circumstances would not be considered for review.

However, none of the conditions listed below, singly, or in combination, qualify as unusual circumstances or merit a dependency override:

1. Parents refusal to contribute to student's education;
2. Parents unwilling to provide information on the application or for verification;
3. Parents do not claim the student as a dependent for income tax purposes;
4. Student demonstrates total self-sufficiency.

Required Documentation

In order for our office to consider your request for a review of your dependency override, we need additional information and documentation of your family circumstances. You must complete ALL of the attached forms:

- A "Student Statement", (e.g., completed by the student),
- "Third Party Affidavit" (must submit two) by parties who are at least 25 years old and know the student and are familiar with your circumstances (e.g., clergy, teacher, counselor, social worker and one personal reference who will verify your situation),
- Copy of court documents or any pertinent documents that can confirm your situation.

**SUBMIT ATTACHED FORMS AND PERTINENT DOCUMENTS TO THE
OFFICE OF FINANCIAL AID.**
