An Open Letter From The Director Of Alumni Relations

Dear Alumnus/-na:

The 1984 alumni giving was over \$100,000 for the second straight year. (See the list starting on Page 2.) The 1983 alumni giving totaled \$102,000.

Realizing that Lincoln must bring together alumni support (a male/female constituency) if it is to sustain its margin of excellence, the Alumni Relations Office and the General Alumni Association established the Century-Plus Club. (See display box on page 4.)

The Century-Plus Club is the planned giving program of Lincoln University Alumni -- alumni committed to giving annually \$100-plus (restricted and unrestricted) to their Alma Mater. The present Century-Plus Club membership is a special group of alumni and friends who recognize that Lincoln requires support beyond the average in order to remain a university of the first rank.

To maintain a reputation as a great university, Lincoln's special needs must be met by those who have the willingness and resources to do so. Many of Lincoln's innovative programs are a direct result of the generosity and responsibility of Lincoln alumni, faculty, staff and friends.

As we look to the future, it becomes obvious that if Lincoln is to enhance its excellence in teaching, research and service, additional support will be needed.

Our 1985 goal is to have at least 2,000 out of a total alumni body of more than 6,000 to become members of the Century-Plus Club. The target date is:

OCTOBER 26, 1985 — ALUMNI HOMECOMING DAY

You can literally double the dollar value of your gift to Lincoln if you work for one of the firms with a **MATCHING GIFT PROGRAM**.

To make your match, simply obtain a form from your Matching Gift Coordinator (Personnel or Community Relations Department) and send it along with your gift to Lincoln.

Giving annually to Lincoln is deductible. ■

Sincerely,
Dr. Frank "Tick" Coleman

Good News, Alumni!

Lincoln University Alumni Directory Planned For 1986

Lincoln University has responded to numerous inquiries by authorizing the preparation of an updated directory of all alumni. The directory will be a valuable reference volume and will also be helpful on campus for planning alumni activities and programs. It will be Lincoln's first since 1969.

The Bernard C. Harris Publishing Company, of White Plains, New York, has been selected the official publisher. Recognized as the oldest and largest exclusive publisher of alumni directories, the company has completed, over the past 21 years, more than 300 alumni directories for colleges, universities and fraternities nationwide.

The project will be undertaken at virtually no cost to Lincoln. The Harris Company will compile, publish and market the directory while financing the operation solely through the sale of individual directory copies and, in appropriate cases, through space reservations to alumni only.

The University will not benefit financially from directory sales but will benefit

from the updated records and other valuable information obtained.

The main body of the directory will consist of an alphabetical listing of all alumni with each entry to include name, class, degree(s), home address and telephone, and business or professional information including title, firm name and address, and telephone.

Two complete indexes of all alumni, one arranged geographically by cities within states and the other according to school and class year, will follow the main listings.

The updated material will come from brief questionnaires mailed to all alumni with known addresses and followed up by telephone verification of the information to be printed in the directory.

At that time, alumni will be invited to purchase a copy or reserve space.

Only enough directories to fill these pre-publication orders will be printed and circulation will be restricted to alumni.

Release of the directory is tentatively scheduled for early 1986. ■
