## CLERY ACT COMPLIANCE

The [Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act \(Clery Act\)](#) requires higher education institutions to publicly report crimes that occur on their campuses. In compliance with the Clery Act, Lincoln University publishes an annual security report containing important safety information and crime statistics for the previous three years within set geographic boundaries. This data includes crimes that have occurred on campus, in certain non-campus buildings or properties that are owned or controlled by Lincoln University, and on public property within or immediately adjacent to and accessible from the campus.

The [U.S. Department of Education Handbook for Campus Crime Reporting](#) assists universities and colleges in meeting the Clery Act requirements. Under the law, a crime is reported when a victim, witness, other third party, or even the offender brings it to the attention of a Campus Security Authority (CSA) or local law enforcement officer. A CSA is an individual within the Lincoln community who has significant responsibility for student and campus activities. CSAs should report crimes immediately by calling 484-365-8139 or extension 8139, or by following this link and completing a [CSA Incident Report Form](#). Please visit the [Campus Security Authority page](#) for more detailed information about CSA responsibilities.
