Important Reminder of LU Vaccine Requirements

The Office of the President informed the community of the vaccine mandate last month. Unvaccinated faculty, students, staff were required to begin the vaccine series no later than October 15. Only vaccinated and those with University-approved exemptions will be allowed to return to campus on January 1, 2022.

Domestic Violence Article

Attached is an article about domestic violence, gender-based violence, and sexual violence which is presented by the Sexual Violence Assault Coordinator through the Sexual Violence Prevention and Education Program. There are two highly publicized cases in the Tri-State areas that involve domestic violence and dating violence. As a community we must address these issues.
