"It's Flu Season" Helpful Tips

Remember to "eat-well" and "drink plenty of water" (feed a cold/starve a fever). Layer your Clothing and Foot-wear for warmth and protection from the elements.

Unfortunately, there is "NO CURE" for a "FLU VIRUS" ... but, there are medicines to lessen the severity of the symptoms...

And, always take advantage of the "FLU VACCINE" when it's

offered 'yearly' on campus in the Fall Semester. It may prevent a lot of spreading of these concerns in the future!
