## In Memoriam

The Lincoln Community mourns the loss of Lincoln Lion, Karonn “KG” Grant.

## Candle Light Vigil hosted by the Men of McRary Hall Tonight at 8 pm – Top of the U

As many of you know, one of our beloved former McRary Men, Karonn Grant, passed away earlier this week. He was loved and respected by many people and touched a lot of lives during his time here and outside of campus. He served as the McRary Hall Treasurer last year and the Treasurer for ASL/The New last fall semester. He was on the Dean’s List at Delaware County Community College while also earning over a B average during his semester as a Lincoln University student.

In his honor, myself and a few of his closest friends are planning a Candlelight Vigil at the Top of the U. The event will be tonight at 8 pm. I hope that you attend if you are able to make it. The plan is to make a scrapbook consisting of memories and your thoughts for him so we will bring pen and paper for you to write notes. If at least, you

could write a note for his family expressing your condolences, that would be awesome. Take care and hope to see you tonight.

## **Message from the Class of 2019**

Dear Lincoln Family Members,

Together, we mourn the passing of a Lincoln Lion, Karonn “KG” Grant.

The Lincoln University Class of 2019 extends our prayers and condolences to those touched by the life of Karonn Grant.

While the Lincoln community only had the privilege to be in his presence for a short period of time, those who were fortunate enough to have interacted with him were touched by his unfailing energy and unmatched enthusiasm. Whether he was stealing the show with his famed Two-Step or providing genuine conversation, his presence will be missed.

To the Grant family, we respectfully give our prayers and condolences in this time of mourning. We thank you for the support you have given, and give our support and hope to you now. We ask all Lincoln family members to send support to the Grant family as well.

Though we all did not know Grant personally, may his presence and energy continue to be a lesson within our family.

“On the death of a friend, we should consider that the fates through confidence have devolved on us the task of double living, that we have henceforth to fulfill the promise of our friend’s life also, in our own, to the world” – Henry David Thoreau

Sincerely,

Jabir McKnight, President  
Lincoln University Class of 2019
