**FINAL REPORT: 2024-25 FACULTY RESEARCH & DEVELOPMENT GRANT**

Warm greetings to you at the **Office of Faculty Affairs**:

As we steadily head toward the last decade of the current month in the new year 2026, I am happy to report that I have successfully completed the project for which I got funded last year. Accordingly, I wrote the following monograph finally titled ***FROM CHRISTIANITY TO MVETT: Philosophical-theological-scientific ontology of liberation.***

Right now, I am working with **ESIBLA Editions** for its publication both in English and French in the coming months. The publishing contract has already been signed. The French version is phrased ***DU CHRISTIANISME AU MVETT: Ontologie philosophique-théologique-scientifique de la libération.***

Of course, you will be kept abreast once the book is out. In the meantime, I appreciate, once again, the opportunity given to me to promptly conduct this innovative and opportune research.

Wishing you both a peaceful and lovely weekend,

**François Kodena, Ph.D.**
