FOR IMMEDIATE RELEASE

High School Forensic Science Career Day Announced at Lincoln University

Lincoln University, PA — Lincoln University's HBCU Undergraduate Center for Forensic Science is set to host a Forensic Science Career Day, designed to provide high school students with hands-on experience in forensic science through workshops led by industry professionals.

DATE:

Wednesday, December 18th, 2024

TIME:

10:00 AM to 2:00 PM

LOCATION:

[SACE, Lincoln University, Philadelphia Campus, 3020 Market Street, Philadelphia, PA](#)

PARTICIPANTS:

- High school students (11th and 12th grade) from the Philadelphia area
- Forensic science practitioners and laboratory directors
- **Participating organizations:**
 - Philadelphia Police Department Office of Forensic Sciences
 - PA State Police Forensic Laboratory
 - MD State Police Forensic Laboratory
 - Washington DC Office of the Chief Medical Examiner
- **Thomas Gluodenis**, MBA, PMFS, PhD, Professor, Dept of Chemistry & Physics, Lincoln University
- **Edison Freire**, Vice President, School of Adult and Continuing Education, Lincoln University

This engaging event will involve 50-60 eleventh and twelfth grade students from various high schools across the Philadelphia area. The Forensic Science Career Day is a key initiative by the HBCU Undergraduate Center for Forensic Science to use SACE as a gateway to the main campus, showcasing Lincoln University's commitment to providing a top-tier liberal arts education and rigorous STEM preparation.
