A. APPROVAL OF AGENDA
   a. Approval of the agenda via votes taken via online poll, as amended below:
      i. Add Learn Liberate Lead Institute workshops to Announcements
      ii. Add Bylaws Committee to Nominations Committee under Action Items

B. RATIFICATION OF MINUTES
   a. Approval of the minutes from the December 1, 2020 regular Faculty meeting via votes taken via online poll.

C. ACTION ITEMS
   a. Curriculum Committee. Dr. Dadson introduced the changes to the Spanish (SPN) course descriptions in the course catalog. These changes encompass SPN 101 through 408. These changes have been approved by the Department, Curriculum Committee, and Faculty Council.
      i. Dr. Gardner explained that the new course descriptions use more inclusive language to describe the Spanish curricular offerings.
      ii. Dr. Poe asked if the Faculty Council had had any comments. Dr. Baskerville said the committee reviewed the changes and agreed it was appropriate to change the terminology to reflect more updated, contemporary language.
      iii. Faculty voted to approve the course description changes for the catalog via online poll.

   b. Nominations Committee & Bylaws Committee.
      i. Dr. Limb of the Nominations Committee said that the two committees worked together over the break to reorganize the Colleges based on a Discipline structure. There are still committees with open positions. Nominations to fill those slots are open, and will be accepted by email. Voting will take place by Qualtrics at the February Faculty Meeting. Dr. Poe said that there is an opening on the Admissions, Academic Standing, and Financial Aid Committee, as he has resigned from that committee.

      ii. Dr. Tateze of the Bylaws Committee reported that in conjunction with the Nominations Committee, the Bylaws Committee studied the number of faculty members who serve on committees. They noticed that some
faculty serve on no committees, while other faculty serve on many committees. The Nominations Committee will encourage faculty not currently on committees to serve.

iii. Dr. Tameze presented the committee’s work to update the bylaws to align with the administrative structure of the University. Rather than being organized into three Colleges, the University will be divided into three Disciplines. Dr. Tameze said the committee will present amended bylaws for faculty approval at the February Faculty Meeting. President Allen clarified that this is an administrative change to ensure that all policies and documents reflect the current administrative structure. Faculty discussed how the departments fit into the Discipline structure, how the Collective Bargaining Agreement may be affected, and if the new structure may lead to hiring more faculty. Dean Joseph clarified that the purpose of revising the bylaws is to ensure that the Nominations Committee will have a full slate of candidates from all departments for the spring vote.

D. FACULTY STANDING COMMITTEE UPDATES
   a. General Education: Dr. Hull asked faculty who assessed ILO 2 in the fall semester to submit their assessment data. Faculty are invited to attend an ILO assessment workshop on January 13 at 10:00 a.m. via Zoom.
