5 ELIGIBILITY FOR PRIOR FD RECIPIENTS

To be eligible for funding in a new round of proposals, faculty who received previous awards for the past three years must show proof that they submitted the required report to the FDC Chair and the Office of Faculty Affairs indicating the progress of the project with their current application to FDC. This report should demonstrate the completion of the project and the extent to which the University benefited.

Proposal recipients must also share the results of their project with faculty colleagues and/or students. Until such a presentation has been made (e.g., workshop for students and faculty, discussion at school or department meeting) and a summary report of the project has been sent to the Office of Faculty Affairs at facultyaffairs@lincoln.edu for posting to the website, faculty are ineligible for further funding.
