The Office of the Registrar will issue a “Permit to Take Courses at Another Institution” based on the information supplied in this form. The *Permit* often is needed by the other institution so that they can allow you to take classes without needing to follow their normal admissions process. The *Permit* also provides you with the knowledge that the specific courses you take and transfer back to Lincoln will serve the purposes for which they received prior approval.

Transfer courses and grades will be placed on your Lincoln transcript **only after receipt of an official transcript** from the other institution. If you bring the transcript in person, it must be in a sealed envelope from the Registrar of the other institution.

**\*The Office of Financial Aid will consider your transferred credits only after they appear on your Lincoln transcript.**
