PREFACE

The Student Handbook is a comprehensive collection of information about University governance, services, facilities, organizations, and policies that directly affect students. Along with formal policies and other information contained on the University’s website, this handbook should serve as a source of necessary and useful information to help you navigate campus life. LINCOLN UNIVERSITY SATISFACTORY ACADEMIC PROGRESS POLICY

Satisfactory Academic Progress (SAP) denotes a student’s successful completion of coursework toward a degree. The Higher Education Amendment Act of 1965, as amended, mandates that institutions of higher education establish a minimum standard of “Satisfactory Academic Progress (SAP)” for students receiving federal financial aid. Lincoln University makes its standard applicable to all federal, state, and institutional funds. The SAP applies to all academic semesters regardless of whether financial aid was received. SAP will be evaluated for all full- or part-time students annually at the end of each spring semester.

Students who enroll at the mid-point (January) of an academic year or attend one semester only will also be evaluated at the end of the spring semester. Thereafter, these students will be evaluated at the end of the academic year (unless they are on a financial aid probation).

To ensure SAP, students must meet all of the following standards:
- Minimum cumulative grade point average (GPA)
- Must earn 67% of hours completed
- Must not exceed 150% of hours required for degree completion.

Undergraduate SAP Requirements
All undergraduate students must maintain the following minimum requirements to be in compliance with SAP:

<table>
<thead>
<tr>
<th>Total Number of Completed Hours</th>
<th>Minimum Cumulative GPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>0-29</td>
<td>—</td>
</tr>
<tr>
<td>30-59</td>
<td>1.60</td>
</tr>
<tr>
<td>60-89</td>
<td>1.80</td>
</tr>
<tr>
<td>90+</td>
<td>1.95</td>
</tr>
</tbody>
</table>

Graduate SAP Requirements
All graduate students must maintain the following minimum to be in SAP compliance:

1. Must have a cumulative grade point average of 3.0 or higher
2. Must earn 67% of hours completed
3. Must not exceed 150% of hours required for degree completion.

Completion Standard for Completed Credit Hours (ALL STUDENTS)

All students who receive financial aid must successfully pass a minimum of 67% of all completed hours (for example if a student completes 12 credit hours, they must pass nine). If the number of completed hours drops below 67%, the student will no longer be eligible for financial aid. Completed hours include all hours completed at the University and transfer hours, whether or not the student earns a grade or receives credit. Successful completion of a course means the student received a grade of A, B, C or D (excluding a grade of D for a graduate student or courses required for the major- undergraduate or graduate).

To calculate, multiply the total number of attempted hours by .67 (rounded downward to the nearest whole number). As an example, if a student attempted 30 credit hours, the student must complete a minimum of 23 credit hours (30 x .67 = 23) in order to ensure SAP for the year.

Maximum Time Frame
The number of credit hours a student completes may not exceed 150% of the number of credit hours required for graduation in his or her program of study. If the published number of hours required for graduation is 120, an undergraduate student may not complete more than 180 credit hours (120 x 1.50= 180) and continue to receive financial aid. All completed hours are counted in determining the 180 hours limit, including transfer hours—whether or
not financial aid was received or the course work was successfully completed.

**Second Undergraduate Degree**
Students who have already earned a bachelor’s degree and are pursuing another undergraduate degree must submit a completed Second Degree Form. Second-degree students cannot exceed the aggregate loan limit for an undergraduate student. Second-degree students must maintain a 2.0 annually and pass 67% of the hours completed.

**Dual Degree/Double Major**
Students must maintain progress as stated above. Students seeking a dual degree must be maintaining SAP prior to declaring their dual/double degree.

**Withdrawal**
A “W” grade recorded on the student’s transcript will be included as credits attempted and will have an adverse effect on the student’s ability to maintain SAP. Students who officially withdraw from the University must make up the deficit hours and are encouraged to attend summer school to remove the deficient hours. The successful completion of a course is defined as receiving one of the following grades: A, B, C, or D. Courses with grades of F, I, U, and W will not qualify in meeting the minimum standard.

**Incomplete (I) Grade**
An incomplete grade indicates that a student has not finished all coursework required for a grade and is included in the cumulative credits attempted. An incomplete will count toward attempted hours but not as hours passed until a final grade is posted in the Registrar’s Office.

**Repeated Courses**
A student who has received a failing grade in a required course at this university must repeat and pass the course unless otherwise indicated by the registrar, academic dean, or class dean. Students (undergraduate and graduate) may only receive federal financial aid for one repetition (repeat) of a previously passed course. Students who have already passed a course with a grade of a D or better may only repeat the class one additional time and receive financial aid for that course. All repeated courses are included in the total attempted hours for SAP evaluation.

**Change of Major**
A student may change from one degree program to another during attendance at the University. Students who change from one major to another are still expected to maintain SAP and complete the coursework within the time frame or hours limitation stated, unless an appeal is approved. All completed hours from a prior major are included in the total completed hours.

**Audited Courses**
Courses audited do not count as either attempted or earned hours.

**Hours Enrolled**
The number of credit hours in which the student is enrolled on the day following the published last day to add/drop a class will be used as official enrollment for financial assistance purposes. Full-time status is 12 or more hours. If a student withdraws from classes after the last day to add/drop a course, the student may not meet the minimum number of hours to be earned in one academic year.

Re-admitted students will be reviewed on their previous academic records in order to determine eligibility for assistance, whether or not financial aid was received. Re-admitted students not maintaining SAP must submit a letter of appeal.

Students who have been placed on Academic Suspension or Dismissal from the University must meet the Satisfactory Academic Policy (SAP) once they are re-admitted. Re-admitted students are not automatically eligible for financial aid, if they do not meet the standard; they have an option to submit an appeal.
Financial Aid Termination

Students who do not meet the SAP standards are not eligible for further financial aid, including summer school. Students will be notified by the Office of Student Financial Aid of their financial aid termination at the end of the spring semester through a letter to their permanent home mailing address and to their University e-mail account.

Students whose financial aid is terminated must remove their academic deficiencies or have an appeal granted before aid can be reinstated. This includes students who withdraw from a class or the semester, receive all “Fs” for the semester, or receive a grade of “Incomplete.”

Conditions for Reinstatement

Students whose financial aid is terminated must remove their academic deficiencies or have an appeal approved before their aid can be reinstated. Students who withdraw from a class or classes after the add/drop period, receive all "Fs" for the semester, or a grade of "Incomplete," may be ineligible for aid during the next term.

Students who are denied federal and/or state financial aid for failure to meet the SAP standards can appeal the decision. If extenuating circumstances led to the unsatisfactory academic progress, students may appeal the decision, in writing, to the Admissions, Academic Standing and Financial Aid Committee. The University will notify the student in writing of the committee’s decision.

Any student whose financial aid has been terminated may reestablish SAP by any of the following methods:

1. Enroll in a course or courses for summer school.
2. Repeat courses in which a grade of F was earned.
3. Satisfy requirements for all incomplete grades.

Appeal Procedure

Students not meeting SAP may appeal for consideration of financial aid. To appeal for the reinstatement of financial aid eligibility, students should complete and submit the SAP appeal form to the Office of Student Financial Aid indicating the extenuating circumstance—such as personal illness, injury, medical problems, undue hardship, death of parent or immediate family member, or other special circumstances—that may have prevented the student from performing at his or her academic best. The appeal form must be accompanied by an Academic Action Plan approved by the student’s academic advisor. Students who are granted an appeal will be placed on “progress probation.” The student’s progress will be reviewed each semester thereafter. At the conclusion of the probationary semester, a new progress check will be conducted. Students who unsuccessfully meet the requirements of the academic action plan may appeal a final time.

Students will be notified, in writing, of the appeal decision. Students who are granted an appeal and do not meet the requirements are placed on financial aid suspension until SAP is achieved. (All decisions are FINAL.)

It is the student’s responsibility to be aware of his or her academic progress each semester. The Office of Financial Aid will make every effort to promptly notify students of the cancellation of the award and academic progress status.

UNIVERSITY ID AND LION CARD

Lion Card

The Lion Card is the official University ID card for students, faculty, and staff. It identifies the cardholder by name, photo, and status. The Lion Card must be carried at all times while on University property and must be surrendered to any University official upon request, or when the relationship for which the card was issued is no longer in effect. The Lion Card is the property of Lincoln University and is governed by the rules and regulations set forth by the University. It is not transferable and is not permitted to be used by anyone other than the issued cardholder. In addition to serving as the official University ID card, the Lion Card can be used by students to access the following services on campus:

4. Residential hall access.
5. Laundry machines.
6. Meal plans.
7. Lion cash.
Obtaining a Lion Card
Lion Cards are issued by the Lion Card Office located in the IT/Modulars. There is no charge for an initial Lion Card. After students register for classes for the current academic year, they can visit the Lion Card Office to have their photo taken and receive their first Lion Card. A valid photo identification card (driver’s license, state ID, school ID, passport, etc.) must be presented at time of issuance. The Photo ID may not be taken with scarves, sunglasses, hats, caps, etc.

Reporting Lost or Stolen Cards
Lost or stolen Lion Cards must be reported immediately to the Lion Card Office or Public Safety. Reports of lost or stolen cards must be made to the Lion Card Office during normal business hours or to Public Safety at all other times. Either of these offices has the ability to immediately deactivate an ID card.

Lion Card Office
484-365-7241
Monday–Friday
9 a.m.–5 p.m.

Public Safety
484-365-7211
484-365-8139

Replacing Lost, Stolen, or Damaged Cards
Lost, stolen or damaged cards may be replaced at the Lion Card Office during normal business hours. The fee to replace a lost, stolen, or damaged ID Card is $10. The replacement fee must be paid in cash at the Lion Card office. The (non-refundable) replacement fee may be charged to a credit or debit card in the Cashier’s Office. Once a replacement card has been printed and issued, the initial card will be invalid even if it is found.

Deactivating Lion Card Accounts
After your Lion Card has been reported lost, confiscated, or stolen, your accounts will be frozen and deactivated until your card is found or replaced. This will protect all Lion Cash funds as well as other privileges assigned to your card. Additionally, this prevents fraudulent activity of your accounts in the event your Lion Card is found by someone other than yourself. If your lost or stolen card is found prior to having a replacement card printed, you must physically bring the card to the Lion Card Office for reactivation.

Improper Use of the Lion Card
Students are charged $25 for ID cards that are confiscated for improper use. The cardholder is subject to disciplinary and/or criminal action for:

1. Any use of or attempted use of the Lion Card for purposes other than intended.
2. Any use of or attempted use of the Lion Card by any individual other than the cardholder.
3. Permitting your Lion Card to be used by another individual.
4. Failure to fully and truthfully report the circumstances pertaining to a lost, stolen, or damaged Lion Card.
5. Failure to appear and truthfully and fully testify at any disciplinary or criminal proceedings which may result from the report of a lost or stolen Lion Card.

Safety and Security of the Lion Card
The Lion Card includes the owner’s photo. Therefore, to prevent unauthorized use of the card, cashiers are instructed to verify the picture with each transaction. To help ensure the safety and security of the Lion Card accounts, please ask the cashier to verify your photo with each transaction.

- All fees paid are non-refundable
- Student security fees are non-refundable
- Student room fees are non-refundable
UNIVERSITY MAILROOM

The mailroom, located in Room 120 of the Student Union Building, receives and distributes Federal Express, UPS, DHL, and United States Postal Service items (letters, magazines, packages, etc.) to individual Student Mail Room (SMR) boxes. Mail Facility hours are Monday through Friday from 8 a.m. to 4:30 p.m. Mail arrives at the mail facility at 10:30 a.m. Mail is in the SMR mailboxes by 1 p.m. Outgoing mail leaves campus at 2 p.m. Students must have their name and SMR box number on all incoming mail. The name must match the name on the student’s Lincoln University ID. If the name does not match, the mail will be returned to sender.

Mail should be addressed as follows:
Student’s name
SMR #
1570 Baltimore Pike
Lincoln University, PA 19352

Every student living on campus should have an SMR box, but it is not required. There is no charge for obtaining a mailbox. When obtaining a mailbox, every student must sign a contract and the key is kept until the student graduates or withdraws from Lincoln University. Students should check their SMR Box at least once a week. If a student receives any accountable mail (requiring a signature) or a package that is too large for the mailbox, the student will receive an email and/or a text message notification. During the summer months, only first-class mail and magazines will be forwarded to all students who submit a forwarding address. No keys, no mail, no exceptions!

VALIDATION STICKERS

Every semester, each student will be given a validation sticker to be placed onto their Lion Card ID. The validation sticker contains the end date of the semester. It is required that all students have a current validation sticker. Not having a current validation sticker will prevent you from gaining access to the campus. Validation stickers are placed into each student’s mailbox at the beginning of the semester. Students have until the last day of drop/add to inform the Lion Card office that they did not receive their validation sticker in their mailbox. After that date, a validation sticker costs $5. Replacing damaged or lost validation stickers also costs $5.

Additional Identifying Stickers

To further identify students on campus, additional stickers are required for students who reside in Apartment Style Living, Studio Green, or who commute. Residence hall coordinators assigned to Apartment Style Living and Studio Green will provide stickers to students who reside in their buildings. A student must remove the identified residence hall sticker if he/she relocates to another building. Commuter students must visit the Lion Card office to receive their commuter sticker. Each semester students will not get a new identifying sticker. A student will only get a new identifying sticker if he/she relocates to Apartment Style Living or Studio Green; or if they become a commuter. Damaged or lost identifying stickers cost $5 to replace.

❖ All fees paid are non-refundable
❖ Student security fees are non-refundable
❖ Student room fees are non-refundable
UNIVERSITY POLICIES

ABSENCES FROM CLASS

Lincoln University uses the class method of teaching, which assumes that each student has something to contribute and something to gain by attending class. It further assumes that there is much more instruction absorbed in the classroom than can be tested on examinations. Therefore, students are expected to attend all regularly scheduled class meetings and should exhibit good faith in this regard.

For the control of absences, the faculty adopted the following regulations:

1. Four absences may result in an automatic failure in the course.
2. Three tardy arrivals may be counted as one absence.
3. Absences will be counted starting with whatever day is specified by the instructor but not later than the deadline for adding or dropping courses. Students are responsible for all missed work.
4. In case of illness, death in the family, or other extenuating circumstances, the student must present documented evidence of inability to attend classes to the dean of the college and vice president for student success. However, in such cases the student is responsible for all work missed during those absences.
5. Departments offering courses with less than full-course credit will develop and submit to the dean of the college and the vice president for student success a class attendance policy in keeping with the above.
6. Students representing the University in athletic events or other University-sanctioned activities will be excused from class(es) with the responsibility of making up all work and examinations. Instructors will receive written notification from the University office sponsoring said activity prior to the event.

In case of illness, death in the family, or other extenuating circumstances, the student must present documented evidence of inability to attend classes to the vice president for student success. In such cases the student is responsible for all work missed during those absences.

ACADEMIC STANDING

The Office of the Registrar monitors students’ academic standing and applies statuses of Good, Warning, Probation and Dismissed based on policy statements contained herein. When warranted, academic standing will be revised following the fall and spring semesters. Academic standing is not revised as a result of grades earned during summer sessions.

A student on academic probation must meet with his or her advisor to develop an academic plan that includes a listing of courses to be taken and support services for purposes of raising the cumulative GPA (CGPA) to an acceptable level. A student on academic warning will be able to self-register; a student on academic probation must be registered by his or her advisor.

A student placed on academic probation (because he or she has earned a minimum of 30 credits and has a CGPA below 2.0) may not enroll in more than 13 credits during a semester or seven credits during a summer session without written permission from his or her academic advisor. Such students cannot represent the student body or the University in public or official capacities, including debates, dramatic, choral, or musical performances, intercollegiate athletics, student publications, elective or appointive positions in campus government, on-campus committees, cheerleading, managing athletic teams, fashion shows, fraternity and sorority organizations, and leadership positions on campus, or similar activities.

If a student is in good standing in August (all first-year students as well as others with 2.0 CGPA or higher), then s/he is eligible to participate in extracurricular activities for that academic year. Should a student on academic probation (fall semester) earn a 2.0 or higher CGPA at the end of the fall term, s/he would be in good standing (thus removing all sanctions). Any re-admitted student (having achieved at least the minimum CGPA listed in the table below but still below the good standing criterion of 2.0 CGPA will be placed on academic probation and is subject to the conditions assigned
to this designation.

Upper class students (who have earned 30 or more credits) would receive an academic warning after the fall term if their CGPA falls below 2.0, but no extracurricular activity limitations are imposed for the spring semester. Upper class students are placed on academic probation in August when their CGPA falls below 2.0 and they have earned a minimum of 30 credits; these students would be barred from participating in or representing the student body or University in the aforementioned extracurricular activities.

Academic warning, academic probation or academic dismissal is not recorded on the transcript of a student.

ADVERTISING

Regulations relating to posting of materials on campus shall apply to all students and organizations.

General Regulations:
1. All publicity must reflect good taste and cannot be misleading in purpose or content. While the names of commercial sponsoring groups or brand names may appear on organizational advertising, they must be of secondary importance and not the main theme of the advertisement. When sponsors are used, approval must be obtained from the Office of Student Life and Development.
2. Publicity encouraging the direct consumption of alcohol is prohibited.
3. Signs and other publicity may be placed only on bulletin boards. They may not be attached to interior walls, doors, overhangs, exterior walls, fences, utility poles, waste receptacles, signs, signposts, trees, or shrubbery.
4. The posting of materials in the residence halls is permitted only with the advance approval of the Office of Residence Life or the residence hall director at the time, place, and manner they designate.
5. All materials must clearly identify the organization or person posting the advertisement.
6. All materials must be removed within 24 hours following the event advertised.
7. Failure to meet these specifications will result in the removal of all materials and possible disciplinary action.
8. Approval for the posting of advertisements by students and/or organizations must be obtained from the Office of Student Life and Development.

ALCOHOL

Guidelines
The University expects all students to comply with the policy of an alcohol-free/dry campus. To comply with state law and institutional policies, the following guidelines are established:
1. No student is permitted to possess or consume alcohol on the Lincoln University campus.
2. Consumption and drunkenness (visible intoxication) on campus, including in the residence halls, academic facilities, campus grounds, other University-owned housing, dances, athletic events, etc. is prohibited. The use of alcohol by students will not be tolerated.
3. Hosts of private social gatherings are responsible for insuring adherence to state law and University regulations. All guests are subject to University rules and regulations.
4. No student, regardless of age, may possess or consume alcohol while representing the University or on a University-sponsored trip.

Anyone found in violation of the alcohol-free/dry campus policy is subject to (1) immediate interim suspension, (2) a subsequent judicial hearing, and/or (3) extended suspension, permanent suspension, or expulsion.

CHANGE OF INFORMATION

It is the student’s responsibility to provide the Registrar’s Office with current information concerning local and permanent mailing addresses and telephone numbers. Any changes in such information during the academic year must be provided to the Registrar’s Office immediately to ensure receipt of all official University correspondence.

DISCRIMINATION AND HARASSMENT

Lincoln University is committed to providing a work environment and learning community that is free from all forms of
unlawful discrimination. The University does not tolerate discrimination against any individual, whether by actions, words, jokes, or comments, based on an individual’s sex, race, color, national origin, age, religion, veteran status, sexual orientation, gender identity, gender expression, marital status, genetic information, disability, or any other legally protected characteristic. Harassment based on any of these characteristics is a form of discrimination and also is prohibited. The University’s policies regarding discrimination, harassment, and sexual misconduct can be accessed on the University’s Human Resources Policies webpage.

Any individual who violates the University’s policies prohibiting unlawful discrimination or harassment shall be subject to disciplinary action up to and including expulsion or termination of employment.

DISTRIBUTION OF LITERATURE

Freedom of speech and expression is highly valued by the University. Distribution of non-commercial literature, pamphlets or leaflets on campus, or within buildings located on University-owned property, however, is restricted as follows:

1. Distribution of literature in University-owned buildings by individual students or by organizations recognized by the University may occur only with prior written permission. A request for the required advance permission should be submitted to the dean of students.

2. In no case may any distribution include materials which are libelous, obscene, or violate or encourage the violation of federal, state or local laws.

DISTRIBUTION OF COMMERCIAL LITERATURE

Distribution of commercial literature or leaflets by organizations not recognized by The Office of Student Life and Development, or registered with the University, or by individual students or people not officially connected with the University, is not permitted on University-controlled property without the approval of the vice president of student success or his or her designated representative. Literature and materials distributed on University-controlled property must not contain language that is libelous, obscene, or in violation of federal, state, or local laws.

DISORDERLY CONDUCT

Physical assault, including sexual assault, is prohibited. Intentional harassment of another person shall not be tolerated. Harassment includes, but is not limited to, threatening, intimidating, verbally abusing, impeding, telephoning, texting, social media, or following or persistently bothering or annoying someone else.

DRUGS

The Drug-Free Schools and Communities Act of 1989 requires Lincoln University, as an institution of higher education receiving federal funds, to certify to the U.S. secretary of education that it has adopted and implemented an anti-drug and alcohol abuse program for its students and employees. Accordingly, the University adopts the following policy: Lincoln University does not permit or condone the illicit or unauthorized possession, use, consumption, sale, or distribution of illegal drugs by its students and employees on its property or as part of its activities. This policy applies to all full-time and part-time students; and all full-time and part-time permanent and temporary employees, including faculty, administration, all exempt and non-exempt staff, and any student employees and interns.

Students who violate this policy will be subject to appropriate disciplinary action consistent with local, state, and federal laws, and University policies and procedures which include: (1) immediate interim suspension, (2) a subsequent judicial hearing, and/or (3) extended suspension, permanent suspension, or expulsion.

Employees who violate this policy will be subject to appropriate disciplinary action consistent with local, state, and federal laws which may include counseling, mandatory participation in an appropriate rehabilitation program, a warning, placement on strict probation, unpaid suspension from employment, termination of employment, and referral to the proper law enforcement authorities for prosecution. All disciplinary procedures and appeals presently applicable to students and all categories of employees will continue to be available for violation of this policy.
DUE PROCESS
A student accused of a serious offense shall be notified in writing of the specific charge before the case is considered. The student shall be notified in writing of the time and place of the consideration of the case, and shall have reasonable time and opportunity to prepare a defense and the right to be represented by a person of the student’s choice consistent with University policies. The student shall also have the opportunity to testify and to present witnesses and evidence. The University reserves the right to issue an interim suspension any time an incident occurs and the University determines that the presence of an individual(s) on campus threatens the life, health, safety, and well-being of that individual(s) or the campus community.

Federal Law
Federal drug laws parallel Pennsylvania drug laws in many respects. For example, it is a federal offense to manufacture, distribute, or possess with intent to distribute, a controlled substance or a counterfeit controlled substance. As under the Pennsylvania Penal Code, any property associated with the unlawful handling of controlled substance may be forfeited to the authorities. Federal law also provides that a person age 18 or older who distributes a controlled substance to a person under 21 years of age may be sentenced to a term of imprisonment and/or a fine of up to twice the amount authorized for distribution to a person over the age of 21.

An important sanction under federal law is that persons convicted of any federal or state offense involving possession of a controlled substance are ineligible to receive any or all federal benefits (e.g., social security, student loans) for up to one year. If the offense involves distribution of a controlled substance, the guilty person could be ineligible for any or all federal benefits for up to 5 years.

There are both federal and state laws specifically dealing with the distribution or manufacturing of controlled substances in or near schools or colleges. For example, federal law provides that a drug offense committed within a 1,000 feet of school property, including universities, is punishable by a term of imprisonment and a fine of up to twice the amount authorized for the same offense committed away from school property.

FERPA AND DIRECTORY INFORMATION
The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student’s education records within 45 days of the day the University receives a request for access.
2. The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading.
3. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Lincoln University to comply with the requirements of FERPA.
4. The right to consent to disclosures of personally identifiable information contained in the student’s education records. The FERPA law and its regulations allow disclosure without the consent of the student if the disclosure meets one or more of conditions specified in the regulations.

Education institutions are permitted by FERPA to disclose directory information for currently enrolled students without the consent of the student unless the student requests that his or her information not be disclosed during an academic year. An educational institution may designate categories of information and students may specify which categories should not be disclosed.

Lincoln University has designated the following categories of a student’s information as public or “Directory Information.” Such information may be disclosed by Lincoln University for any purpose, at its discretion:

Category I: Name, address, telephone number, dates of attendance, e-mail address, class, and enrollment status.

Category II: Previous institution(s) attended, major field of study, awards, honors (including dean’s list), degree(s) conferred (including dates).
Category III: Past and present participation in officially recognized sports and activities, physical factors (height, weight of athletes), photographs, student ID, date and place of birth.

To withhold disclosure for an academic year, written notification should be received by the Office of the Registrar, Lincoln University, Lincoln University, PA 19352, prior to September 1. The “Request to Withhold Directory Information” form is available on the Registrar’s website.

FRIENDS AND ACQUAINTANCES
If someone who has been sexually assaulted comes to you, encourage the person to report the incident to the Title IX coordinator, seek medical attention, and pursue counseling. You may also report incidents to:

1. Office of Public Safety: 484-365-7211
2. Police Off-Campus: 911
3. Crime Victims Center Sexual Assault Hotline: 610-692-7273

MOTOR VEHICLES
Motor vehicle registration information is available at the Public Safety office located in Modulars. First-year students are not allowed to have a vehicle on campus. All vehicles must be registered each year in August, and vehicles must be registered within three days of the beginning of the semester, or by Labor Day at the latest. You must provide a valid driver’s license, current proof of insurance, valid registration and a letter of permission from the owner of the vehicle granting students control of the vehicle. Vehicles will be registered between 9 a.m. and 4 p.m., Monday–Friday only. Under no circumstances will any vehicle receive registration stickers without appropriate documents. No exceptions.

PEACEFUL ASSEMBLY
Lincoln University acknowledges the rights and privileges of students or groups of students to gather on University property for the purpose of peaceful assembly. The University expects the rights and privileges of all persons to be respected at such gatherings.

“Peaceful assembly” is defined as any purposeful gathering on campus, in or outside a University building or facility, by one or more persons whose conduct is peaceful and in accordance with the University rules, practices, and law. Peaceful assembly includes meetings, speeches, debates, demonstrations, marches, vigils, sit-ins, rallies, protests, and similar meetings or gatherings that do not threaten or violate policies and rules; interfere with the conduct of University business, regular schedules or events; infringe on the rights of others; endanger the health and safety of others; or damage or destroy property.

The University requires that persons engaged in such assemblies on campus conduct themselves in a manner that will not impair the health or safety of any individual, disrupt the normal conduct of University affairs, or damage and destroy property. Any act by student demonstrators that interferes with the rights of others, disrupts or impairs the normal functioning of the University, damages or destroys property, or impairs health or safety is grounds for suspension or dismissal from the University.

Persons planning or initiating assemblies to be conducted on the University campus are requested to identify their groups and to state their purpose in advance to the appropriate University personnel through the dean of students. Areas may be reserved, if available, for the accommodation of such assemblies. Arrangements for any assembly which involve the use of University buildings not available for general use must be made with the appropriate person. The organization sponsoring a speaker or conducting an assembly assumes the responsibility for maintaining the University’s policies on peaceful assembly and student freedom of expression.

In the planning of such events, staff assistance is available to help eliminate or minimize the possibility of disruption. The involvement of the Department of Public Safety may be required to assure that the rights of all concerned are protected.

Demonstrations are prohibited in classrooms during hours that they are scheduled for use, or at any locality when
conducted in a manner that interferes with the educational function of the University. Demonstrations are further prohibited in any special use facility. Demonstrators refusing to vacate such premises when directed by the instructor in charge or by authorized staff are subject to immediate disciplinary action and arrest under applicable city and state laws.

**PROPERTY LOSS/DAMAGE INSURANCE**

The University does not carry insurance to cover the loss of or damage to the personal property of students, faculty, or staff. Accordingly, valuable articles should be covered by personal property insurance policies. The University requires all students to purchase personal property insurance unless they provide documentation showing they have other coverage. Under no circumstances will the University reimburse students for loss, theft, or damage of their personal property.

- All fees paid are non-refundable
- Student security fees are non-refundable
- Student room fees are non-refundable

**SMOKING**

Lincoln University has joined hundreds of colleges and universities around the nation in a concern about the harmful effects of the use of tobacco products by those in its campus community. Tobacco use has clearly been established as a preventable cause of many illnesses. Current research indicates that tobacco smoke exposure in confined areas may be a health hazard to non-smokers. Smoke from cigarettes, cigars, pipes, and vaporless cigarettes can be an irritant to many non-smokers and can aggravate allergic conditions. In sufficient concentration, secondhand smoke may be harmful to those with chronic heart or lung disease.

Though primarily affecting the user, smokeless tobacco is also recognized as potentially harmful, and the policy outlined in this statement shall be interpreted as meaning that the use of smokeless tobacco products will be prohibited in the same areas as is tobacco smoking. No smoking will be allowed in any campus building, including residential halls at Lincoln University. Smokers are required to stand 50 feet away from entrance and exit doors of buildings.

**SOLICITATION ON CAMPUS**

Solicitation on University property is generally prohibited. Individual students and organizations recognized by the University must comply with the regulations governing solicitation as provided herein and with the approval of the Office of Student Life and Development. Otherwise solicitation, selling, merchandising, posting, and/or other distribution of posters and/or handbills or similar activities on university-controlled property are prohibited. Exceptions shall be approved by the vice president for student success or his or her designated representative. Under no circumstances or means will credit card solicitation be allowed or permitted on campus.

**TRAFFIC AND PARKING REGULATIONS**

Each student is responsible for compliance with the rules and regulations governing the registration and use of motor vehicles as printed in the campus traffic regulations. This information may be obtained from the Department of Public Safety. Students should familiarize themselves with these regulations.

**Visitor’s Passes** All visitors to the university must check in with public safety. The entrance gate located on Baltimore Pike is manned 24 hours a day, seven days a week. The entrance gate on Ashmun Avenue is manned Monday-Friday, 8 a.m.–4 p.m. Students must present their student identification card upon entering or be subject to denied access. Individuals found on campus without a visitor’s pass may be subject to criminal charges and immediate removal.

**REPORTING SEXUAL MISCONDUCT**

If you experience or witness sexual misconduct, including sexual harassment, sexual assault, domestic violence, dating violence, or stalking, report it immediately to Public Safety at 484-365-7211 or the Title IX coordinator, Gerard Garlic, Wright Hall, Room 107, 484-746-0000, titleix@lincoln.edu. If the Title IX coordinator is unavailable or you believe it
would be inappropriate to contact that person, you should immediately contact the Department of Public Safety or any other member of management (vice presidents, deans, directors, associate/assistant directors, or supervisors). You can raise concerns and make reports without fear of reprisal or retaliation. All allegations of sexual misconduct will be quickly and discreetly investigated.

A person also may file a complaint with the Department of Education's Office for Civil Rights regarding an alleged violation of Title IX by calling 1-800-421-3481.

**TITLE IX**

It is the policy of Lincoln University to comply with Title IX of the Education Amendments of 1972, which prohibits sex discrimination, including sexual harassment and sexual violence, in any of the University’s programs and activities. The University also complies with the provisions of Title IX that protect individuals from retaliation for filing a complaint, testifying, or participating in any way in an investigation, proceeding, or lawsuit alleging sex discrimination. The University’s policies regarding Title IX can be accessed on the University’s Human Resources Policies webpage.

The University’s Title IX coordinator, Gerard Garlic, is responsible for overseeing complaints of sex discrimination, including sexual harassment. The Title IX coordinator will:

1. be available to meet with students who believe sexual harassment or assault has occurred;
2. ensure that complaints are handled through consistent practices and standards; and
3. upon receiving notice of potential acts of sexual harassment or assault, either personally investigate the incident or oversee the investigation.

The Title IX coordinator may also assist the institution’s law enforcement employees on appropriate responses to reports of sexual violence. In these cases, the coordinator should have access to school law enforcement investigation notes and findings unless access would compromise a criminal investigation. Furthermore, the coordinator is responsible for reviewing all complaints received to identify and address any patterns or systemic problems.

**USE OF AMPLIFYING EQUIPMENT**

Any use of amplifying equipment, including sound trucks, on University-owned property requires the prior approval of the dean of students.

**USE OF INSTITUTIONAL NAME**

No student or organization may make use of the institutional name of the University for the purpose of solicitation unless permission is obtained in writing from the vice president for student success and the director of communications & public relations.

**USE OF UNIVERSITY FACILITIES**

1. Scheduling of events and activities is done on a first come, first served basis based upon the Student Activities Calendar held by the Office of Student Life and Development. Event planning forms may be obtained from the Office of Student Life and Development. Reservations for food service should be made with the University’s contracted food service vendor.
2. Food will not be permitted in the lounges or study rooms.
3. Groups reserving space in University facilities shall be responsible for the behavior of their members and guests.
4. Individuals or groups shall be responsible for any negligent damage of any University property and damages shall be charged to the individual or groups using the facility at the time damages occur.
5. The University will not be responsible for any articles lost in its facilities.
6. No student organization, group, or student shall remain in a facility after it is officially closed without permission from a University official and without notice to the Department of Public Safety.
CODE OF STUDENT CONDUCT

INTRODUCTION
The purpose of publishing a Code of Student Conduct is to give students general notice of prohibited behavior. This code is not intended to be written with the specificity of a criminal statute. The primary purposes for the imposition of discipline in the University setting is to protect the campus community as well as to foster the personal, educational, and social development of those students who are found responsible for violations of University regulations. This policy is intended to create a learning environment that promotes respect, dignity, and the pursuit of knowledge. It is not the intent of this policy to inhibit the expression of ideas or to use any methods that would infringe on an individual’s constitutional right to free speech.

AUTHORITY FOR STUDENT CONDUCT MATTERS
The University reserves the right to take necessary and appropriate action to protect the safety and well-being of persons, property, and the campus community. Students may be accountable to both criminal and civil authorities as well as to the University for acts that constitute violations of law and of this code. Disciplinary action at the University normally will proceed during the pending of criminal proceedings.

The vice president for student success is the person designated by the president to be responsible for the administration of the Code of Student Conduct.

GENERAL MATTERS
Lincoln University, a community comprised of students, faculty, administrators, and staff, recognizes the need to establish a code of conduct that contains rules and regulations to guide student actions and to define sanctions that will be imposed when rules and regulations are violated. For the benefit of the community at large, these regulations limit certain behaviors and activities. They also protect the health and welfare, safety, rights, and property of the University and all members of the University community. Specifically, the University strives to redirect student behavior that does not meet University standards. To meet this goal, the University employs a student conduct process that allows students to receive feedback by their peers, staff, and faculty, and employs educational and other sanctions such as warnings, fines, suspension, or expulsion. Any student accused of violating these rules is entitled to due process, notice of the charges, and an opportunity to be heard.

Student appeals also are allowed. All conduct findings are subject to review by the vice president for student success or designee of the University. The vice president or designee will have the authority to sustain, change, or reverse any findings.

All students, faculty, and staff members are strongly urged to report any complaints involving students to the student conduct administrator, dean of students, and/or the Department of Public Safety. All reports are forwarded to the dean of students in order to establish a hearing date for the respondent.

The University Code of Student Conduct shall apply to conduct that occurs on University premises, at University-sponsored activities, and to off-campus conduct that adversely affects the University community and/or the pursuit of its objectives.

The vice president for student success or dean of students may administratively handle: (1) students who are not currently enrolled at the time of their alleged violation of the Code of Student Conduct or (2) students whose violations occur prior to the convening of the Student Conduct Board or after the Student Conduct Board has recessed for the academic year. All sanctions up to and including expulsion will be available during administrative conferences. During administrative conferences, students will be afforded the same due process and procedural protections as would be the case for a full Student Conduct Board hearing.
Students at Lincoln University are expected to conform to regulations, federal and state laws, and city ordinances. Students penalized for violation(s) of public laws are still subject to sanctions under this Code of Student Conduct if the violation of the public law also is a violation of the Code of Student Conduct. The University’s decision in conduct matters is independent of criminal or civil legal action, and the University’s conduct proceedings will not be delayed simply because legal action is also proceeding. No student will be permitted to graduate from Lincoln University while disciplinary action is pending against him or her.

STUDENTS ARE RESPONSIBLE FOR KNOWING AND UNDERSTANDING ALL RULES AND REGULATIONS CONTAINED IN THE CODE OF STUDENT CONDUCT.

STANDARDS OF CLASSROOM BEHAVIOR
The primary responsibility for managing the classroom environment rests with the faculty. Students who engage in acts that result in disruption of a class may be directed by the faculty member to leave the class for the remainder of the class period. The faculty member should, in the event that such action is necessary, immediately report the incident to the chair of their department, the dean of the school, and the dean of students. Longer suspensions from class, or dismissal on disciplinary grounds, must be preceded by a hearing or administrative conference as set forth in the Code of Student Conduct.

In cases where a student’s continued presence in a class, following their initial removal, poses a substantial and immediate threat or disturbance, the vice president of student success or dean of students may suspend the student from attending the class on an interim basis, pending their hearing or administrative conference.

Cell phones are not to be used in the classroom during instructional time. Cell phones that ring and/or are answered during classroom instruction are subject to confiscation by the professor. Confiscated cell phones will be turned over to the dean of students.

STUDENT CONDUCT PROCESS

Formation of the Student Conduct Board
The Student Conduct Board shall be comprised of the following:

- five (5) students and one alternate appointed by the Student Government Association;
- two (2) faculty members and one alternate appointed by the Division of Academic Affairs; and
- two (2) administrators and one alternate appointed by the vice president for student success.

The hearing panel in individual cases will be selected from among the members of the Student Conduct Board. The hearing panel need not be comprised of any particular number of persons as long as at least one (1) student member and one (1) faculty/staff member are represented on the panel.

Depending on the nature of the charges and the severity of the potential sanctions, the student conduct administrator will determine whether the student charges will be heard by a student conduct panel or by the student conduct administrator, or his or her designee. Cases involving allegations of sexual misconduct will be handled under the specific procedure set forth in the University’s sexual misconduct policy. An administrative hearing before the student conduct administrator generally will be employed if the student accepts responsibility for the charges.

Rights & Responsibilities
The student has the right to know the charges brought against him or her, and the charges must be in writing. The student must be given a reasonably adequate period of time (generally 72 hours) to prepare a defense, and has the right to defend himself/herself against the charges before the appropriate hearing authority. The student has the right to bring character statements or eyewitnesses to the defense hearing. The student has the right to request the replacement of any member of the Student Conduct Board who they feel may be biased or prejudiced against them. The student has the right to remain silent. Hearings are not open to the public, and individuals conducting the hearing are prohibited from discussing the outcomes of the hearing. Due to the nature of certain cases and circumstances, the University’s failure to follow these procedures to the letter does not automatically invalidate the outcome unless the
respondent or the complainant is placed at a substantial and definitive disadvantage.

The dean of students or his or her designee will serve as the presiding officer of the Student Conduct Board. All disciplinary action becomes effective upon the date of board action unless otherwise specified. Students dismissed by recommendation of the Student Conduct Board follow the same withdrawal procedure as other students. Any student who leaves or withdraws from the University and seeks readmission while disciplinary action is pending must secure a written clearance from the vice president for student success or his or her designee.

**Notification of Disciplinary Actions and Decisions**

Appropriate University officials and campus departments shall be notified of the outcome of the disciplinary proceeding. When a student is charged with a violation of the Code of Student Conduct, the student should expect to be contacted by the dean of students regarding hearings. All notifications to students of a hearing regarding his or her alleged violation(s) will be made through the student’s official Lincoln email; however, a student’s failure to check their email is not an excuse for failure to appear at the hearing and does not entitle the student to a postponement. If a student fails to appear before the Student Conduct Board after proper notice has been given or attempted, the hearing will nonetheless proceed.

**DISCIPLINE HEARING PROCEDURES**

The basic procedures include the following:

1. The presiding officer calls the session to order and asks each person in the room to introduce himself or herself and state his or her reason for being at the hearing (e.g., board member, respondent, witness).
2. The presiding officer asks the respondent and the complainant if they challenge the objectivity of any member of the Student Conduct Board. If so, the party must state the reason(s). The board will meet in non-public session to consider the challenge and determine whether or not the member should hear the case.
3. The presiding officer reads the charges and specifications to the charge(s) from the incident report. The presiding officer asks the respondent to respond to each charge (responsible or not responsible).
4. The respondent and the complainant are given an opportunity to give an opening statement.
5. The respondent and the complainant may give his or her explanation of the events surrounding the charges. The members of the board then may question the students. Each student should be given the opportunity to provide the presiding officer with questions to ask the others involved in the case.
6. The presiding officer in his or her discretion may limit the number of eyewitnesses that may be heard, and to require all other witnesses to submit their statements in writing. Both sides have, at this time, the right to cross-examine, by providing the presiding officer with questions, the witnesses and to examine any and all documents before being received into evidence. No member of the staff, faculty, or administration of Lincoln University may be called as an expert witness. However, staff, faculty, and administrators may serve as character witnesses or references.
7. The respondent and the complainant present the facts and evidence that support his or her case.
8. The respondent and the complainant shall be given an opportunity to make a closing statement.
9. The board will make its deliberations in a closed non-public session.
10. The board will then render its decision with the charges against the student established by a majority decision given a “preponderance of the evidence.”
11. The accused student normally will receive the decision in writing within three to five (3-5) business days.
12. There shall be one single verbatim digital recording of all hearings before a Student Conduct Board panel, excluding deliberations.
13. The Student Conduct Board may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the complainant, respondent, and/or other witnesses during the hearing by providing separate facilities, and/or permitting participation by telephone, video conferencing, or other means as determined in the sole judgment of the student conduct administrator.
14. Hearings are not open to the public, except the respondent or complainant may be accompanied by their parents, spouse, or an advisor for support. If the student’s advisor is an attorney, special permission from the vice president for student success or his or her designee must be obtained. The role of parents, spouses, advisors and attorneys is limited. Since conduct hearings are not a courtroom proceeding, but rather part of the University’s efforts to provide a healthy living/learning environment, attorneys and other support persons are
not permitted to question witnesses, make statements or otherwise participate in the hearing process. If they fail to act in accordance with these procedures, they will be barred from the proceedings. When the student has been granted permission to have an attorney present, the University attorney will also be present.

Finalization of Conduct Sanctions
After conclusion of the hearing and non-public deliberation, the Student Conduct Board will recommend a decision and sanction(s), if necessary, to the student conduct administrator. This administrator may accept, modify, or change the recommendation of the Student Conduct Board.

A student’s discipline file is part of the student’s education record under the Family Educational Rights and Privacy Act of 1974 (FERPA).

If a student chooses not to appeal, or fails to submit an appeal within the specified time allowed of three (3) business days after receiving the notification, then the decision of the student conduct administrator stands as final.

In accordance with the amendments to the Higher Education Act of 2000, the University may notify parents of pending discipline action for drug or alcohol violations.

Prior violations may be considered in determining appropriate sanctions.

Prohibited Conduct
The following acts and behaviors are prohibited:

Aiding and Abetting
1.0: Aiding, abetting, persuading, and/or procuring another person or persons to commit any act of misconduct in the University community or environment; or persuading or aiding another person to breach the peace on University premises or at functions sponsored, approved by, or participated in by any member of the University. A student shall also refrain from buying, selling, possessing, or using any kind of drug paraphernalia. This violation could constitute a criminal conviction and could adversely affect a person's ability to apply for and be awarded federal financial aid.

**Hosts**
1.8: Though they may not be the primary users, hosts are responsible for any drug-related activity in their rooms and will be subject to disciplinary action similar to the user(s).

**Failure to Comply**

Any individual found in possession of a handgun, pellet gun, BB gun, rifle, or ammunition will be subject to immediate suspension. This also applies to knives, box cutters and any apparatus with a blade carried on one’s person or otherwise concealed. Any symbolic gesture or item seen as symbolizing a weapon is a violation of this policy. An example of this would be a student posing with a weapon (real or not) in a photo or the use of an item (such as a baseball bat) in an act where that item becomes a weapon.
Forgery, Misrepresentation and Other Acts of Dishonesty

1.11: Forgery, misrepresentation, or other acts of dishonesty including, but not limited to, concealing identity, alteration and misuse of University documents, student identification cards, or other documents belonging to another; cheating, plagiarism, or other forms of academic dishonesty; tampering with the election of any University-recognized student organization; knowingly furnishing false information to the University or its officials; and the use of the University's name, image, or logo without proper authorization or with intent to misrepresent or defraud.

Lincoln University prohibits any student-chartered organization, fraternity, sorority, social fellowship, athletic team, other recognized student organization, person, or group using University facilities, and individuals who are members of any such groups or organizations or who attend events and activities sponsored, organized, or supported in any way by those organizations, from hazing members, prospective members, or other persons seeking to obtain benefits for services from any of those organizations.

Hazing is any action or activity, whether conducted on or off University property, which is designed to, or has the reasonably foreseeable effect of humiliating, denigrating, offending, physically or mentally abusing, or exposing a person to danger as a condition, directly or indirectly, of the person’s consideration for admission to, or continuation of membership in, participation in activities of, receipt of benefits or services from an organization or group. No person may consent to participation in hazing activities, nor release a group or any of its members, officers, employees, agents, co-participants, parents, organizations, or insurers from liability for injuries or damages sustained as a result of participation in hazing activities. Furthermore, a person’s consent shall not release or minimize an organization’s or person’s liability to discipline due to violation of this regulation.

Hazing activities include, but are not limited to the following: whipping, beating, paddling, branding, calisthenics, running, exposure to the elements, forced consumption of food, liquor, or drugs, (legal or illegal) or any other substances, sleep deprivation, forced exclusion from social contact, and conduct which could result in any form of embarrassment, nudity, sexual harassment, kidnapping, or car drops.

Recognized student organizations have an obligation to protect the welfare of their prospective and initiated members, guests and the University during initiation activities. Every precaution must be taken to protect again University, individual, and organizational liability.

Violation of this regulation shall subject a group or individual to the full range of disciplinary sanctions pursuant to University policies. The Pan-Hellenic Council and other recognized student governance bodies with jurisdiction over recognized student organizations may establish self-regulating procedures with respect to complaints of violations of this regulation brought against their members. Such processes shall be independent of University conduct processes. A recognized national/international fraternity or sorority must also comply, and its members must comply and adhere to regulations from their respective national/international organizations and the Pan-Hellenic Council. Each fraternity and sorority, or any organization that conducts membership intake activities, must submit its national/international organization’s hazing policy to the Office of Student Life and Development.

This hazing regulation must be presented by all fraternities, sororities, social fellowships, athletic teams, and other recognized student organizations to all members during each membership solicitation or acceptance period, but not less than once each semester. The chief officer and the governing board of each organization must file with the Office of Student Life and Development a form approved by the office certifying compliance with this regulation. Failure to be presented with the regulation or to file the certificate will not release any group or individual from responsibility and/or disciplinary action under this regulation. Each semester each organization’s president and his or her executive board must sign a statement of compliance. The University then approves the statement to certify compliance with this regulation.

Disciplinary Sanctions Community Service Program
Lincoln University is committed to preparing students to become lifelong learners by developing specific dispositions and skills while attending college. We trust that our students would respond with positive attitudes and to utilize skills responsible for living as accountable, ethical and contributing world citizens, (LU Institutional Learning Outcomes 4 &8).

The Disciplinary Sanction Community Service (DSCS) Program is administered by the Office for Community Service and Engagement. This office is responsible for guiding students towards the completion of their sanctioned obligation. The mission of the Disciplinary Sanction Community Service Program is to promote University community standards of behavior and student learning through discipline that is creative and thought-provoking while maintaining the integrity of the judicial process. The DSCS program accomplishes its mission by providing programs and services that:

- Foster personal learning, growth, and development and aid in the development of mature and ethical decision-making.
- Hold students accountable for their sanctions and the standards of expectations established by the Student Code of Conduct.
- Help students learn appropriate behaviors and the consequences for unacceptable and/or inappropriate behaviors through the use of personal reflection and critical thinking skills.
• Promote social responsibility through participation in service/volunteer activities.

Students assigned to sanctioned community service must follow the steps outlined on the DSCS webpage: [https://www.lincoln.edu/departments/office-community-service-and-engagement/disciplinary-sanction-community-service-dscs](https://www.lincoln.edu/departments/office-community-service-and-engagement/disciplinary-sanction-community-service-dscs). Enrollment into the program is to be completed online. Once a student has completed the online enrollment, he/she must attend a mandatory orientation meeting outlined in their sanctioned Community Service notification letter. Orientations provide students with further instructions about their mandated community service obligation, activities, meetings, and educational assignment(s). Reflection meetings sponsored by the Office for Community Service & Engagement are held regularly, and attendance is mandatory until the community service hours are completed.

**DSCS PROGRAM STEPS**

**Step 1:** Online Pre-Ontation Quiz
**Step 2:** Complete Pre-Reflection Form
**Step 3:** Complete Program Policies and Procedures Wavier
**Step 4:** Become a member of Engage Lincoln Lions and The Office for Community Service & Engagement: [https://www.givepulse.com/group/203503-Community-Service-and-Engagement](https://www.givepulse.com/group/203503-Community-Service-and-Engagement)
**Step 5:** Register (via Engage Lincoln Lions) and attend a mandatory Community Service Orientation meeting and mandatory reflection meetings as assigned.
**Step 6:** As community service opportunities are completed, add impacts online to track service hours.
**Step 7:** Complete the online post reflection form and contact the Office of Community Service & Engagement.

The Office of Community Service & Engagement serves as a guiding resource. However, students are responsible for completing the terms of their disciplinary sanctions in a timely manner. It is also essential that students complete their sanctioned service hours in order to participate in the University’s social events, activities, and/or other student life and development opportunities. Students are an integral part of Lincoln’s success and fulfilling required obligations demonstrates their growth and a pursuit of future achievement. Failure to adhere to Lincoln’s standards jeopardizes the success of an academic and social career at the University.

If a student has an academic suspension, he/she must fulfill its requirements in conjunction with the sanctioned community service. Therefore, even if sanctioned service hours have been completed, the academic suspension takes precedence. Failure to complete any mandated community service hours and activities within the prescribed time frame will result in notification and referral to the Dean of Students Office for additional disciplinary sanctions and possibly suspension from the University.

Students will advance from the DSCS program after the following has been completed:
- The DSCS online registration process;
- Required community service hours and reflection meetings are completed;
- Post-reflection form submitted; and
- Any other sanctions imposed are completed.

**DSCS Program Completion:** Once the Office of CS receives the post reflection form, a Sanctioned Community Service Completion Letter will be emailed to the Dean of Students’ Office on the student’s behalf. The student will also receive a copy of the closeout letter via their Lincoln email. The student is responsible for completing any final sanctioned steps with the Dean of Students’ Office.

**Research Assignments**

Based on the nature of the offense, students may be required to complete a research assignment on a topic related to the offense committed. The research assignment must be typed and completed by the deadline specified and must be thorough, comprehensive, and scholarly. The complete project must also conform to other specifications given by the Student Conduct Board.

**Educational Workshop Participation**

In some instances, students may be required to assist in developing, coordinating, and evaluating special workshops
related to the nature of the offense which the student has committed. Students may also be required to participate in special workshops to enhance their own knowledge and understanding of a particular topic related to the offense committed.

**Mediation**
Mediation is a process during which two or more individuals involved in serious or potentially serious conflict agree to discuss their differences with a third party who is trained in conflict resolution. The conflicting parties must agree in writing to abide by the decision jointly agreed upon by all parties involved.

**Educational Counseling**
Students may be required to participate in educational programs with a member of the Counseling Services staff or any available counseling resource available to the campus community.

**Interim Suspension**
The dean of students or designee may suspend a student from the University for an interim period pending conduct or criminal proceedings, or medical evaluation. The interim suspension shall become immediately effective without prior notice whenever there is evidence that the continued presence of the student at the University poses a substantial and immediate threat to himself or herself, to others, or to University property.

A student suspended on an interim basis shall be given a prompt opportunity to appear personally before the dean of students or a designee in order to discuss the following issues:

A. The reliability of the information concerning the student’s conduct, including the matter of his or her identity; and

B. Whether the conduct and surrounding circumstances reasonably indicate that the continued presence of the student on University premises poses a substantial and immediate threat to himself or herself, or to others.

During the interim suspension, a student shall be denied access to the residence halls and to the campus (including classes) and all other University activities or privileges for which the student might otherwise be eligible, as determined as appropriate by the dean of students. Students on interim suspension from the University are required to return their student identification card, mailbox key, entrance key, and room key and may not return to campus for the duration of their interim suspension, except to conduct official business with an administrative officer or faculty member, and then only with prior permission of the vice president of student success, dean of students, or designee. If a student returns to campus without permission during the period of interim suspension, his or her eligibility to return to Lincoln University will be threatened and he/she will be subject to arrest. During the period of interim suspension, the student is not eligible or entitled to receive any University services.

**Suspension**
Students suspended from the University are required to return their student identification card, mailbox key, entrance key, and room key and may not return to campus for the duration of their suspension, except to conduct official business with an administrative officer or faculty member, and then only with prior permission of the vice president of student success, dean of students, or designee. If a student returns to campus without permission during the period of suspension, his or her eligibility to return to Lincoln University will be threatened and he/she will be subject to arrest. During the period of suspension, the student is not eligible or entitled to receive any University services.

Following the suspension period of one (1) semester or more, the student must request to be readmitted or reinstated to the University after fully serving the suspension. The suspension period begins with an existing semester and continues throughout that particular semester. However, suspension may become effective at the beginning of a specified semester (usually the following semester) and continue throughout the semester.

**Expulsion**
Expulsion is the permanent separation from the University and loss of all privileges to use the services of the University in any way. This is the most severe form of sanction and is reserved for the most severe infractions, for those individuals who repeatedly violate University’s rules and regulations, or for aggravated offenses. When a student is expelled, his or
her enrollment is immediately canceled, and they are unable to graduate from Lincoln University. If a student is expelled, he or she must immediately leave the University and may not return to the University campuses without the express permission of the vice president for student success, the dean of students, or their designee.

Violations of standards of academic conduct may result in either faculty-imposed academic sanctions or student code sanctions. Faculty members who feel that a grade reduction or a failing grade for an assignment, test/examination or course is a sufficient sanction need not refer cases to the student conduct administrator. Such actions by a faculty member may be subject to appeal pursuant to school, college, and/or university academic grievance policies. Sanctions other than a reduced or failing grade may be imposed only after a student conduct hearing.

**Discipline Appeals Procedure**

A student who is found responsible for violating the Code of Student Conduct may appeal the decision or the sanction(s) in writing to the vice president for student success or his or her designee within 72 hours or three (3) business days of the decision. There are only three grounds for appeal: (1) the Student Conduct Board hearing was not conducted in accordance with prescribed procedures which resulted in significant prejudice to the appellant; (2) the sanction imposed was unreasonably harsh given the violation; (3) new information, sufficient to alter a decision, should be considered. An appeal based on new information will only be considered if the new information was not brought out in the original hearing because it was not known to the person appealing at the time of original Student Conduct Board hearing.

The decision of the vice president for student success is final. Students will not be permitted to remain on campus until the appeal is decided unless the imposed sanction is less than suspension. The sanction of suspension imposed by the Discipline Board becomes effective immediately. There is no right of appeal of decisions and sanctions that result from administrative hearings before the student conduct administrator.

**Student Non-Academic Grievance Procedure**

Whenever a student has a grievance/complaint regarding a matter not related to academic affairs at Lincoln University, the following procedures shall apply when a student believes that a staff member has infringed upon the student’s rights:

The student shall first attempt resolution by seeking an appointment with the staff member in question. If, to the student, this does not seem a feasible course, or if a personal conversation with the staff member has been attempted, but a resolution satisfactory to the student’s grievance is not obtained, the student may seek resolution through a written appeal to the director of the office or department, who will attempt to resolve the matter between the student and the staff member. If the complaint/grievance is against the director, then the student will appeal to the dean of students through a written appeal.

The dean of students may attempt informal resolution through discussion with the student and staff member or director, will consider the student’s appeal, and issue a written decision and remedy. Appropriate precautions should be taken to safeguard the confidentiality of the grievance proceedings, including information about the outcome.

Either party to a grievance appeal (whether staff member, director, or student) may appeal the decision of the dean of students to the vice president for student success in writing within ten (10) days following notice of the dean’s decision. A written reply by the other party must be filed within ten (10) days after receipt of the appeal, and the dean’s decision shall remain pending. The vice president for student success has discretion to determine the information and procedure that he/she will utilize in deciding each appeal. The decision of the vice president for student success (in writing) shall be final.

STUDENT HEALTH

ACCIDENT AND EMERGENCY ILLNESS POLICY AND PROCEDURE

In the event of a medical emergency, the University takes every precaution to ensure the health and safety of all students and employees. Consistent with this concern, the University will adhere to the following guidelines in the event of a medical emergency:

STUDENT HEALTH INSURANCE

As health insurance coverage is mandatory, a student accident and sickness policy has been designed for Lincoln University students. Therefore, in order to have the insurance fee removed from their student account, students must verify personal coverage by returning the Health Insurance Notification form to the Division of Student Success before the beginning of each school year. Failure to provide proof of personal coverage will result in the student being charged the student insurance fee. This information must be presented every year the student attends the University. If you have questions, contact the Division of Student Success at 484-365-7222.

- All fees paid are non-refundable
- Student security fees are non-refundable
- Student room fees are non-refundable

GUIDELINES

All students should report to the Office of Health Services for treatment of any illness or injury, no matter how minor it may seem. A student injury report form should be completed by the student to document any injuries. If the health services office is closed, students should contact their residence hall coordinator or resident advisor; or in an extreme emergency, the Department of Public Safety will direct the student and arrange transportation to the Jennersville Hospital. Health services hours of operation: Monday, Wednesday and Thursday 9 a.m.-9 p.m. (with the last appointments taken at 8 p.m.) and Tuesday and Friday, 9 a.m.-4 p.m. Transportation to doctors’ appointments in the local area may be provided only during designated times, by appointment, given 24 hours’ notice to health services by calling 484-365-7338 to schedule (including pharmacy and other diagnostic testing appointments, etc.).

In instances where students are rendered medical treatment without informing the appropriate University personnel or health services at the time of incident, the student should report to health services immediately following medical treatment. If a student is admitted to the hospital, a member of the family, friend, or roommate should notify health services in person or by calling 484-365-7338. As well, a discharge summary of treatment and instructions should be brought to health services.

In the event of a student hospitalization, health services will make every attempt to contact the student to ensure that everything is going smoothly and, if necessary, aid the student. In all instances, a student or employee incident form should be completed for the health services file. Students are required to sign a waiver allowing health services to provide information to an individual(s) of the student’s designation in the event of an emergency.

An emergency is an unexpected, serious occurrence or situation which requires prompt action. In the event of an emergency, University personnel will either transport the student or immediately call for an ambulance. The following is a list of criteria that require the University to call an ambulance:

1. Chest pain/cardiac arrest

In every instance, health services will ensure that all medical information received is maintained in the strictest confidence.

**IMMUNIZATION AND PHYSICAL EXAMINATION**

Consistent with recommendations by the American College Health Association (ACHA), the Centers for Disease Control and the Pennsylvania State Department of Health, Lincoln University implemented a mandatory matriculation Immunization and a pre-admission physical examination requirement in September 1999. Vaccine-preventable diseases are occurring at increasing rates nationwide. Much of this has been among the young college-age population. Consequently, Lincoln University adopted this matriculation policy to reduce future outbreaks and to help eradicate preventable diseases.

**Requirements**

All incoming first-year students and readmitted, international, and transfer students are required to provide proof of immunization for tuberculosis (mantoux or PPD), tetanus/diphtheria/pertussis (Tdap/dtap), two dates of measles, mumps, rubella (MMR), meningitis (Menactra), and two dates of varicella (chickenpox). If you do not have two dates for MMR & varicella you must have a positive blood titer report on file.

*If you have a positive tuberculosis test, you MUST have a negative chest x-ray report on file.

An immunization and physical examination form is mailed and/or emailed to all new students and must be completed and returned to the health services prior to the student’s registration for the following semester. All students can obtain this form from the health services office or on the health services website.

A physical examination may be scheduled with the health service physician for a fee of $75.

Some vaccinations are available at the health services department for a fee: Varivax, $130 each; TB Tuberculosis Vaccine, $30; Tetanus, $40; MMR, $100 each; Meningitis $200; Hep B, $80 per injection, $240 for a total of four that can be given.

Students who are not in compliance with this requirement are unable to register for housing or classes for the semester. A hold is placed on their account; it will only be lifted by health services upon receipt of the required information.
All fees paid are non-refundable

Student security fees are non-refundable

Student room fees are non-refundable

EXEMPTIONS

An individual who objects to immunization upon the grounds that they conflict with his or her bona fide religious beliefs and practices may not be required to present a physician’s certificate of immunization in order to register for classes. A religious exemption may be obtained by submitting the request to the director of health services. This exemption will not apply in case of emergency or a disease epidemic that is declared by the Pennsylvania Department of Health or the department’s designee.

The Infection Control Program helps to reduce the University community’s exposure to blood-borne pathogens, such as HBV (Hepatitis B) and HIV (Human Immunodeficiency Virus). Exercise caution when using lavatories, science laboratories, or anywhere that there is a potential to share body fluids. The infection control program is mandated by the federal Occupational Safety and Health Administration (OSHA).

HIV/AIDS

The University does not discriminate against individuals who are HIV-positive or have AIDS. They are to be treated with respect and dignity and are not to be denied any University services due to them on the basis of their HIV or AIDS status. This also includes admission to the University.

There are no restrictions which exclude students from residential housing who are HIV-positive or who have AIDS as protection for others, since there is no medical or legal justification to indicate that they can transmit the virus through casual contact.

HIV-infected individuals may have understandable concerns regarding confidentiality and privacy in connection with medical documentation and other information about their condition. Officials who have access to such information are required to maintain the confidentiality of that information. Those given responsibility for making and implementing personnel management decisions involving individuals with AIDS or HIV should strictly observe applicable privacy and confidentiality requirements. No information regarding an individual’s health record may be released without their written consent, and such records should be made available only to officials who have a need to know for appropriate management purposes.

The preceding guidelines are subject to change in accordance with any changes or new developments in the three governing factors—medical information, applicable federal and/or state laws, and students’ rights to privacy.

COUNSELING SERVICES

The Office of Counseling Services promotes a holistic approach to wellness and personal growth for student success. Individual, couples, or group counseling is offered to provide students with the skills to manage and overcome emotional and psychological concerns that interfere with their ability to create and maintain healthy relationships and achieve academic and personal success. Other services provided include: crisis intervention, assessment, consultation, psycho-education, and referrals. Services are confidential and are provided at no cost to enrolled students. Lincoln University maintains the confidentiality of identifiable health information in accordance with the provisions of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) Act.
RESIDENCE LIFE

OFFICE OF RESIDENCE LIFE

The mission in Residence Life is to provide an educationally stimulating living environment where students explore their own development and positively contribute to a global society. To accomplish this mission, we have selected an exceptional staff of student leaders and professionals to create welcoming and respectful residence hall communities. Students are encouraged to take advantage of countless opportunities we offer in the halls to learn more about themselves, others, and the world in which they live.

For the 2019-2020 academic school year, Lincoln University is partnering with Studio Green, located in Newark, Delaware. Be advised that the Lincoln University Student Handbook is in full effect while you are a current student matriculating at Lincoln University. This includes transportation to and from the University as well.

COMMANDMENTS OF COMMUNITY LIVING

1. If you borrow it, return it.
2. If you drop it, pick it up.
3. If you spill it, wipe it up.
4. If you finish with it, put it away.
5. If you break it, fix it.
6. If you can’t fix it, ask for assistance.
7. If it doesn’t belong to you, leave it alone.
8. If you don’t like it done to you, don’t do it to others.

FIRE/EMERGENCY PROCEDURES

Before a Fire
1. Know the location of all fire alarm pull stations in the building and how to activate them.
2. Know the location of all portable fire extinguishers and how to use them.
3. Know the location of alternate means of exit.

Upon Discovering a Fire
1. Sound the internal fire alarm immediately to alert all residents.
3. Shut all doors and windows in the immediate vicinity of the fire.
4. If the fire is small, use fire extinguishers.
5. Exit by the stairway from your area. DO NOT use elevators.
6. Do not run.
7. Have someone meet fire authorities and direct them to the proper floor and room.

Upon Hearing the Fire Alarm
When you have been alerted by the alarm, verbal warnings, or sense smoke or fire:
1. Keep low to the floor if there is smoke in the room.
2. Feel the metal doorknob before opening any doors. If the knob is hot, do not open the door. If it is not, brace yourself against the door, open it slightly. If heat or heavy smoke is present, close the door and stay in the room.
3. Do not panic.
4. Seal cracks around the door using sheets, pieces of clothing or whatever is handy, if you cannot leave the room. To let out smoke and bring in fresh air, open windows a few inches at the top and bottom. Then hang an object out the window to attract the fire department or call Public Safety and report that you are trapped. Be sure to give room number, location, and extension number.
5. If you are able to leave the room:
6. Put on your shoes and coat. Use a wet towel (if possible) to cover your face. Close all doors as you exit. Do not lock doors. Go to the designated stairway. DO NOT use an elevator. If the designated exit is blocked by fire, heat, or smoke, go to another exit. If you enter a stairway and find it blocked below you, either go to a higher floor or find a window and signal for help.
7. Always try to remain calm.

AREA COORDINATORS
Area coordinators are live-in professional staff who support residents, respond to emergencies, and serve as liaisons to various campus offices. They supervise student staff who promote and build community.

RESIDENT ADVISOR (RA)
A resident advisor (RA) is a student staff member who serves as a resource to help you adjust to your home away from home. He/she will be a resource to the services, programs, and policies of the university. RAs are on duty at the front desk Sunday—Thursday from 6 p.m. to midnight and on call after hours from midnight to 7 a.m.; and at the front desk Friday-Saturday from 6 p.m. to 3 a.m. RAs who work weekend shifts are on duty and on call from Friday at 6 p.m. until Sunday at 6 p.m.

RESIDENCE HALL COUNCIL
All residence hall students automatically become members of their residence hall councils. The councils provide a means of uniting students in order to facilitate relationships and increase communication. The residence hall councils are used as a venue for planning, developing, and coordinating hall programs and campus-wide programs. They provide a variety of activities and programs. Emphasis is placed on educational, cultural, social, and recreational programs. The councils are governed by an elected slate of officers which includes a president, vice-president, secretary, treasurer, king or queen, Student Government Association representatives, and fire marshals.

RESIDENCE HALL ASSOCIATION
The mission of the Lincoln University Residence Hall Association is to enhance and develop the life of residential students through advocacy, programming, and leadership opportunities, and by providing a place to voice concerns about residence life procedures, policies, and facilities.

HEALTH AND SAFETY INSPECTIONS
The RHCs and RAs reserve the right to inspect a room for health and safety reasons. These reasons include, but are not limited to, a complaint by a roommate or residents that the room is unsanitary, that the condition of the room is a fire hazard, or that pests such as roaches or mice are present. The inspection will occur on a monthly basis, and during inspections, the resident may or may not be present.

ROOM SEARCH
It is the responsibility of the dean of students and director of residence life and/or the residence hall staff to periodically inspect all rooms in the residence halls for damage, fire, and health hazards. Inspections may occur at any time and students will be assessed for room damage. Where two or more students occupy the same room, and individual responsibility for damage or loss in the room cannot be ascertained, the cost of damage or loss will be divided and assessed equally among the residents of the room. Should authorized personnel observe unapproved appliances or objects in the room or notice objects attached to facilities in an unapproved manner, the University reserves the right to have the items removed.

PREVENTATIVE MAINTENANCE/PHYSICAL PLANT
The residence life staff works in collaboration with the Office of the Physical Plant to provide quality facilities. During breaks, such as Thanksgiving, Christmas, and summer, physical plant staff make necessary repairs to maintain the residence halls.
Repairs and Maintenance Request
As a member of a community setting, every student must assume responsibility for the care of common areas. In addition, a resident is responsible for the care of her/his room and its furnishings. Although housekeeping staff clean and care for the common areas in the residence halls, each resident is responsible for assisting with the maintenance and upkeep of each hall which includes, but is not limited to, cleaning up behind oneself as well as encouraging peers to do the same.

All maintenance requests are through the TMA system, which can be accessed at http://www.lincoln.edu/departments/physical-plant.

Please note that requests are handled in the order they are received.

If response time is longer than three days, please follow up with an RA unless it is an emergency. Ask an RA if you have questions about the form.

If an emergency should arise after office hours, notify your RHC or your RA.

Office of the Physical Plant
From time to time, the Office of Residence Life may need to refer broken items to the Office of the Physical Plant for repair. Currently, the physical plant staff handles all electrical, air conditioning, building, water plant, and grounds issues. Because they are responsible for maintaining the entire University, sometimes it may take up to 48 hours or more for them to respond to a referral. Students should not attempt to call the physical plant office directly. For tracking and referral purposes, all calls should go through the Office of Residence Life, via the RHCs and RAs, for any authorization to be given for work done by the physical plant staff.

Physical plant personnel will be allowed to enter the students’ room to make repairs even if the student is not present.

RESIDENCE HALL KEYS
It is mandatory for all University to students to carry their Lion Card student ID and residence hall keys at all times. In the event that you misplace or lose your residence hall keys, please notify your resident advisor, resident hall coordinator, or the Office of Residence Life immediately.

Lockouts
Throughout the academic hours of 8 a.m. to 6 p.m., all lockouts will be handled based on the availability of the resident advisor or resident hall coordinator. A $2 room re-entry fee is to be paid to the residence hall staff member.

ROOM CHANGES
Room changes begin after the first three weeks of classes and must be completed by the fourth week of classes. Students requesting room changes must receive written authorization from the RHC prior to moving any personal items from one room to another. Unauthorized room changes will result in disciplinary action. The University reserves the right to make room changes when it is deemed in the best interest of the students involved and the University. Students are allowed one room change without charge. Subsequent requests will require a fee of $25. Students who move without prior written authorization from the Office of Residence Life will also be assessed a fine.

Students are not allowed to duplicate university keys or add locks to university doors and furnishings. Lost and/or stolen keys can be replaced by reporting them to your RA and/or RHC at a cost of $200.

- All fees paid are non-refundable
- Student security fees are non-refundable
- Student room fees are non-refundable
DISCIPLINARY MATTERS IN STUDENT HOUSING

Minor infractions of University policies, regulations, and guidelines that govern residence life (student housing) will be handled by the resident hall coordinator and/or the director of residence life. Major infractions as well as repeated minor infractions, will be handled by the dean of students as outlined in the University’s Code of Student Conduct.

A complete description of the Office of Residence Life’s community standards, policies and procedures can be found in the Student’s Guide to Residential Living on the student success webpage. Residents are expected to adhere to policies, procedures, and guidelines found in the following: (1) Student Housing Contract, (2) Student Handbook, and (3) Student’s Guide to Residential Living.

PROHIBITED BEHAVIOR

The following behavior is strictly prohibited in residence halls: Loud music, hanging out and yelling in hallways or hallway windows, horse play, water fights, tampering with life safety equipment (fire extinguishers, sprinklers, fire alarms, etc.). These violations will result in disciplinary action and possible revocation of the housing contract.

FURNISHINGS AND DAMAGE

Residence hall rooms are furnished and have standard twin size beds, desk, dresser, shades, and blinds. Therefore, furniture from home is prohibited. Also, cinder or cement blocks are prohibited.

Lincoln University strictly prohibits the use of all cooking appliances, microwaves, air conditioners, and space heaters in the student’s rooms.

**TERMS AND CONDITIONS OF HOUSING CONTRACT**

Housing at Lincoln University is available to all students regardless of race, color, religion, or national origin. The housing contract and assignment are subject to the terms and conditions stated in the student handbook and may be waived only by the director of residence life or a designated representative.

1. In order to reside on campus, the resident is required to be a full-time student registered for 12 credits.
2. The right of occupancy is restricted to the resident of an assigned space only. Students who are granted a room must occupy it in person. Under no condition may a student transfer his or her right to occupy a residence hall.
3. Room fees for a term cover residence not earlier than the official check-in date for the academic year under the terms and conditions of the Lincoln University insurance policy. Coverage begins on the official check-in date for the academic year and not before.

4. The residence halls will be closed during official University vacations, recess periods, and between semesters (i.e. Thanksgiving, Christmas, summer, etc.).

5. Students are responsible for the cleanliness and proper care of their room and its furnishings. Students must use the premises, personal property, and furnishings in a careful and proper manner. At the expiration of the contract period, the student must leave the room in good repair and condition. Assigned occupants of each room are jointly financially responsible for keeping the room and its contents in good order and free from damage by themselves or others. Damages to public/common areas will be prorated to residents of a hall or a specific area of a hall. Damages to public/common areas of a residence hall, graffiti, and defacing property will result in a community fine when the guilty party is not identified. If the guilty party is identified, an individual fine will be assessed. Cleaning equipment can be provided if necessary or available. At checkout time, residents are responsible for removing all personal property, waste, and debris and for leaving their rooms in a reasonably clean condition. The University is not liable for any personal property left behind. Should extra cleaning by housekeeping personnel be required because of poor housekeeping by residents, a maid service charge can be assessed.

6. Students must check out properly in person within 24 hours upon official withdrawal from the University. To check out properly, students must remove all personal property, vacate their room, surrender a room clearance and condition form, room key(s), and student ID to the Office of Residence Life or residence staff in the hall where the student resided. Students must also return all University property to the proper department. Those who do not follow the checkout procedures, including failure to turn in room keys at checkout, will be fined. This checkout process also applies to the end of final examinations week at the conclusion of each fall semester. Please take all valuables home during this time.

7. The University is not liable for loss of or damage to personal property or for the failure or interruption of utilities and/or sanitary drainage. However, the University is liable for negligence of authorized agents, employees, and representatives of Lincoln University. Each student must purchase personal property insurance before entering Lincoln University to cover personal property.

8. The University does not have storage areas for students’ personal property. If a student has the need for storage, he/she must find a storage area on his or her own.

9. The University reserves the right to have agents and representatives specifically authorized by the president of the University to enter the housing space at any time for inspection, health and safety concerns, maintenance and repair of living quarters and contents. Inspections are conducted to administer the terms of the housing contract or other University regulations, consistent with the student’s constitutional right to be free of unreasonable search and seizure. Specific authority is normally relegated to the Office of Public Safety and the vice president of student success. Employees of the University also have the right to enter housing space during reasonable hours to perform necessary maintenance and janitorial services, even if a student is not present. If there is a reason to suspect a resident is using controlled substances, the University reserves the right to have officials search the room and confiscate the substances. Persons found to be trafficking in illegal substances will be subject to disciplinary actions up to expulsion.

10. The University reserves the right to change or cancel assignments in the interest of order, health, discipline, reasons of economy, when vacancies occur, or for any other urgent reason.

11. The University reserves the right to change the rates to conform to economic conditions and the rates are subject to change by the trustees of the University.

12. The possession, carrying, or use of firearms (including pistols, rifles, pellet guns, bb guns, paintball guns, stun guns, tasers, shotguns or ammunition), hand billies, razors, switch blades and other dangerous knives, explosives or other dangerous weapons or chemicals is prohibited in and on all University property, except by authorized law officers and other persons specifically authorized by the University.

13. Gambling or the possession of gambling devices is prohibited in or around University property.

14. Possession, consumption, or sale of narcotics or dangerous drugs is prohibited. Bicycles and motorcycles are not permitted inside student rooms or elsewhere in the building.

15. State laws prohibit the purchase, use, or possession of alcoholic beverages by individuals under 21 years of age.
University regulations restrict the use and possession, use, or sale of all drugs and alcoholic beverages by any students. Students will be subject to disciplinary action if found in violation of the alcohol policy.

16. Cooking is not allowed or permitted in student rooms and is restricted to residence hall kitchens only. The following, and any other appliances the University indicates as prohibited, are not allowed for use in the residence halls, except in a designated area: all cooking appliances, including microwave ovens*, air conditioners, electrical hair preparation appliances*, space heaters, oversized refrigerators*, humidifiers*, clothes irons**, multiple outlets, strings of lights, toaster ovens, hot plates, electric skillets and grills of any kind.

* Permitted with approval from the University physician or the Office of Residence Life.

**Irons may be stored in student rooms, but must be used only in designated areas if available. Students are not permitted to iron on beds.

If a student is noncompliant, the University reserves the right to remove the article, impose a fine, and make a referral for disciplinary action.

17. Aerial masts, radio or television antennas and other shortwave transmitting equipment are not permitted to be installed in or on the residence halls by students (FCC Interference Regulations and Safety Precautions).

18. Students are not permitted to bring furniture from their homes into the residence halls. However, students may add decorations to their room within the limits of good judgment and safety, but they are not permitted to remove University furnishings from assigned areas to another room or facility. Failure to comply with this provision would result in a fine and disciplinary action. Mattresses are to be used on the bed frame provided, not on the floor, and water beds are not permitted. Students are responsible for the articles of furniture assigned to them and they will be charged for missing or damaged furniture.

19. The right of occupancy is restricted to the resident(s) assigned to the space only. The student(s) agree not to sell, sublease, or assign the contract to anyone. He or she also agrees not to allow persons to reside in their assigned space beyond the regulated guest visitation period. If a squatter is found residing in his or her room, a fine will be assessed. Repeated offenders will lose their housing assignment, and squatters will be fined for room and board charges for the semester. Guests are permitted to visit during the weekend beginning on Friday and ending on Sunday at noon only. All guests must properly check in at the Public Safety office to receive a guest pass. All overnight guests must have written permission from the residence hall coordinator.

20. The use of adhesives or other fixtures on doors, walls, wardrobes, woodwork, or furniture is permitted only if the fixtures do not cause permanent damage to the surfaces of these items. If nails, tacks, tape, or glue are affixed to University property and cannot be removed without causing damage, the occupant(s) of the room will be held responsible for costs incurred to restore the damaged article to its former state.

21. Due to a potential hazard, dogs, cats, birds, fish, laboratory specimens, and pets of any kind are not permitted in the residence halls. The University reserves the right to remove pets, and any party(ies) in violation of this term and condition will be assessed a fine and are subject to disciplinary action.

22. Commercial activities, private solicitation, or advertisement of business enterprises is not permitted in the building or on the grounds of the residence halls, except when permission is specifically granted by the dean of students or the director of student life and development. Neither may solicitors, salesmen, or agents contact students in the residence halls for commercial purposes. Violators are subject to fines and disciplinary sanctions.

23. Fire alarms or fire extinguishers are located on every floor in each building. Tampering with fire equipment is a serious matter and is in violation of University policy. Due to the hazards and expenses involved, malicious or intentional false fire alarms will result in severe disciplinary action and a fine.

24. Articles are not to be thrown from or hung in windows and no food or beverages are to be stored between the windows and the screens or the outside ledges. Screens are to be kept in the windows at all times.

If the student moves off-campus after this published date, the student will be responsible for 100% of the housing charge and a prorated amount for meals.

- All fees paid are non-refundable
- Student security fees are non-refundable

ROOM VISITATION PROGRAM/SIGN-IN POLICY

Co-educational inter-visitation hours: All students are governed and must abide by a uniform inter-visitation policy. Students of the opposite sex may visit each other in their facilities or rooms between the following times:
Sunday–Thursday from noon to 11 p.m. and Friday–Saturday from noon to 2 a.m.

The inter-visitation policy is not an attempt to monitor your personal business, but is indicative of the University’s concern for the safety and security of all residents. In order to upgrade the security of all residents, the University has a sign-in policy effective in all residence halls. The sign-in procedure is as follows:

8. All visitors must enter the residence hall through the front doors only. All other doors are emergency exits only. The use of any other means of entry is considered trespassing and illegal. Sign-in hours begin daily at 6 p.m. in all appropriate residence halls and end at the aforementioned applicable times and days.

9. There will be a sign-in desk manned and all student visitors must present and leave validated ID cards. Keys are not accepted as a form of ID and will not be used for the sake of visiting. All non-students who are visiting a residence hall must leave valid identification cards (military ID, driver’s license, employment card) at the Department of Public Safety office to receive a “guest pass.” The host student must meet his or her guest and have him/her sign in at the lobby desk and indicate the time. No one will be allowed to visit the residence hall unless there is a host student present to receive that person. Residents are held responsible for the conduct of their guests.

10. All residents have the right to privacy; therefore, if the presence of a guest is an inconvenience or is objectionable to a roommate, the guest must leave the room. Cohabitation of any kind is prohibited in the residence halls at any time.

11. When possible, announcements will be made 15 minutes and five minutes prior to the end of visitation hours by authorized personnel on duty at the desk. However, the visitor is responsible for keeping track of the time and leaving at the appropriate hour. All students must familiarize themselves with the inter-visitation policy and sign-in procedures. Violation of this policy and procedure will result in sanction and disciplinary actions, including suspension.

QUIET HOURS

In order to enhance the opportunity for study time, the residence halls have quiet hours posted from 8 p.m. to 11 a.m. During quiet hours, room doors should be closed and residents are urged to refrain from making loud noises, playing excessively loud music, and being generally disruptive. Residents and guests are prohibited from congregating in hallways and stairwells. Violators of the quiet-hour policy are subject to a fine and disciplinary action.

OCCUPANCY DURING HOLIDAY

During Thanksgiving, Christmas, spring break and for periods during the summer, the residence halls are closed. Prior to the beginning of these periods, the Office of Residence Life will set a time and date when the building must be vacated.

During these periods, the University is not responsible for pick up or delivery. The nearest airports are the Philadelphia International Airport, Philadelphia, and Thurgood Marshall/ BWI Airport, Baltimore, Maryland. The nearest train stations are Wilmington, Delaware, and Philadelphia, Pennsylvania. Transportation may be provided by contacting the Delaware Shuttle. The shuttle will transport to and from the train station and airport door-to-door 24 hours a day, 7 days a week. For reservations call 800-648-LIMO.

ABANDONED PROPERTY

The University assumes no responsibility for any property such as clothing, books, clocks, computers, radios, or toiletry articles left in residence hall rooms by students at checkout. If contact cannot be made with the owner or his or her family within one week, or if the owner is unknown or unprepared to take possession of the property, the abandoned items will be discarded.

A Club is a group that is closely tied to a department on campus and has the oversight of that department rather than oversight by Student Life and Development. It is often the department member’s responsibility to advise the group. Often times, funding comes from the department to support the group’s initiatives. Clubs must register with the Office of Student Life and Development for the purposes of record keeping. They do not have to go through the organization application process, nor are they required to have a constitution. Programming limits will be outlined in an approval letter.

An Organization is a group of students with a designated purpose who are not specifically regulated by a department other than Student Life and Development. Because the management of the organization is intended to be a student learning experience, the day-to-day functions of the organization are carried out by student members, although organizations must contract with an advisor. The advisor may or may not have an affiliation with the group and is chosen by organization members. In addition, all clubs must complete the application process in order to be considered an organization by the university. Organizations will be evaluated on a semester basis and must abide by the policies of the Office of Student Life and Development and the institution in order to maintain their privileges. Programming limits will be outlined in an approval letter.

Organizations and clubs must reapply every spring semester in preparation for the upcoming school year. Students may choose from over 50 student organizations and clubs, including but not limited to those whose focuses are academic, cultural, and advocacy. 4. Signed hazing policy and statement of acknowledgement
5. Campus organizations affiliated with nationally recognized organizations must have, on file, the name of their national president and the address of their national office.

Student Organization Policies, Procedures, and Practices
The Office of Student Life and Development is responsible for establishing policies governing social affairs. All social functions sponsored by student organizations must be approved, at least two (2) weeks in advance, by the Office of Student Life and Development. Major social activities are considered parties, fashion/talent/variety shows, and any other functions for which a crowd in excess of 100 persons is anticipated.

All requests must be made in Astra. Student organizations must submit an Advisor Approval Form and diagram to the Office of Student Life and Development within 48 hours of submitting an event in Astra. Failure to do so will result in permission for the event being denied.

All organizations are responsible for the rental of their own vehicles for any off-campus trips. Either the advisor will be responsible for the cost of renting a University vehicle, or the organization must rent a vehicle from an off-campus facility.
STUDENT GROUPS AND ORGANIZATIONS CODE

A student group or organization and its officers may be held responsible collectively and individually for violations of this code when the actions of those associated with the group or organization have received the consent or encouragement of the group or organization, or the group’s or organization’s leaders or officers.

The dean of students shall determine whether the charge(s) will be adjudicated pursuant to the procedures outlined in this Code of Student Conduct, or be referred to the Office of Student Life and Development. The officers, leaders, or any identifiable spokesperson for a student group or organization may be directed by the dean of students or a designee to take appropriate action designed to prevent or end violations of this code by the group or organization. Failure to make reasonable efforts to comply with the dean’s directive shall be considered a violation of this code, both by the officers, leaders, spokespersons, the group, or organization, and by the group or organization itself.

Sanctions for group or organization misconduct may include revocation or denial of registration, as well as other appropriate sanctions.

Hazing is strictly prohibited. See Policy 1.16.

Organizational Auxiliaries

No auxiliaries are recognized by Lincoln University in any form, including any auxiliary that is recognized by a national organization. Any individuals found to be in violation of this policy are subject to sanctions including exclusion from membership in a nationally chartered organization. Organizational auxiliaries are defined as male or female groups that exist to assist in the provision of programming or membership intake activities by a specific fraternity, sorority, or social fellowship. Initiation into these groups is generally characterized by physical abuse, psychological humiliation, and trauma, and financial, and sometimes sexual, exploitation.

Sanctions for the organizations and individuals may include but are not limited to: fines, probation, and suspension, pending the outcome of the investigation.

Lincoln University will:
1. Provide written notification to presidents, advisors, and national headquarters if chapters fail to meet the required grade point average.
