This Week: A Light in the Window

A Light in the Window signifies community solidarity toward ending domestic violence across the campus by organizing a widespread display of purple-lit, electric candles/lights in the windows of residence halls, academic buildings, common areas, offices, etc. This is an all-week observance during Sexual Violence Prevention Month.

October 28: President's Open Office Hours

President Allen's fall 2019 open office hours will begin October 28 from 3 to 5 pm. Open Office Hours are held the second and fourth Mondays of each month. Meetings will be granted on a first come, first in basis. Appointments will not be scheduled in advance. Meetings will be limited to 15 minutes, particularly if others are waiting. Groups of two, three or four are welcome. However, the same 15 minutes time allowance will govern group meetings. A notice will be sent to all students, faculty, and staff if Office Hours will not be held on any of the scheduled days.

In Our Own Voice Executive Board Positions

In Our Own Voice: National Black Women's Reproductive Justice Agenda is a national organization designed to amplify and lift up the voices of Black women at the national and regional levels in our ongoing fight to secure Reproductive Justice for all women and girls. We are looking to expand our organization by bringing on an executive board to contribute to our on campus fight. If you are interested in holding a board position please email Jenai Patrick at jenai.patrick@lincoln.edu.
