## January 11: TEDxLincolnUniversity

TEDxLincolnUniversity showcases powerful talks that uplift our community. Throughout the day, there will be catered food, live performances, networking opportunities, and interactive activities! Our theme "Beyond The Visible" will challenge our initial thoughts and expectations in order to fully realize the potential we have to make a positive impact. Follow on Instagram and website.

Contact: *Lamar McMillan and Kirk Henderson*

## **January 21: Summer Research Internship**

The U.S. Department of Energy (DOE) Office of Environmental Management seeks applicants for 10-week paid summer internships at the DOE's National Laboratories. Interns will complete research projects aligned with ongoing DOE efforts. The deadline is January 21. Please include this person's contact email for students interested in applying: [vivian.holloway@srnl.doe.gov](mailto:vivian.holloway@srnl.doe.gov).

Contact: Michael Lynch

## **Academic Calendar**

The 2019-2020 calendar is posted on the Registrar's website.
