Today: Nursing Program Accreditation

The Nursing Program here at Lincoln University will be going through their Accreditation today and tomorrow. As a result, you may see posters around the campus advertising this event. As is customary, any person may be asked questions about the nursing program by the accreditors. Please familiarize yourself with the contents on these posters in case you are the person they approach. Accreditation of the Nursing program is very critical. We want to ensure that we meet the quality and integrity required by the Commission of Collegiate Nursing Education (CCNE) in our preparation of future nurses.

Tomorrow: Summer Research Internship

Marshall University Joan C. Edwards School of Medicine Graduate Program is offering the Summer Research Internship for Minority Students for its 12th year! The SRIMS program includes nine weeks of graduate-level research in the field of biomedical sciences. Participants receive formal research training while expanding their learning experience through workshops, seminars on current topics, mentoring and professional networking. A stipend of \$3,000 will be provided to each participant for the nine-week experience.
