TODAY: The 6th Man Interest Meetings!

Meetings today at 11 am and 6 pm in the SUB Atrium.

Objective is to increase school spirit by bringing enthusiastic students together during Lincoln's athletic events. Want to build an environment to separate the most fanatic students we have on Lincoln's campus. Want to transform the student section into the "6th Man". Giving our athletes more support during the games could not only enhance their performance, but bring together the student body as a whole. We are not looking to the shift the teams performance, instead to shift the culture of the university. #ProtectTheJungle
