## **Student Organization Advisors**

Students please be advised when seeking advisors for the '17-18 academic school year that ALL advisors MUST attend one of the Student Organization Advisor Trainings offered by the Office of Student Life and Development. If they have not attended one of the trainings by the time you submit your packet, they WILL NOT be approved to advise your organization. This will lead to an incomplete packet. Also, advisors cannot advise more than three (3) organizations no matter the capacity (primary and/or secondary). Be sure to plan accordingly!
